Old Bags Taking A Stand:

Manual of Peritoneal Dialysis G.A. Coles, 2012-12-06 Peritoneal dialysis PD is in widespread use for the treatment of acute and chronic renal failure A considerable amount of knowledge about the various procedures and problems associated with this form of treatment has accumulated over recent years particularly since the introduction of continuous ambulatory peritoneal dialysis CAPD However to date the information regarding the more technical or practical aspects of PD has been largely scattered in various books and journals There appears to be no straightforward text concerned with these points suitable for recommending to junior doctors or nurses dealing with patients receiving this therapy Though in house training is of considerable value it takes time and I have noticed that on a number of occasions in our own unit technical problems with PD have not been dealt with quickly because of lack of knowledge in the staff on duty There thus appeared to me to be a need for a short book giving firm advice on how to perform the various procedures and how to deal with problems as they arose This manual is an attempt to fulfil that aim Initially it was tried and tested on the renal unit in the Cardiff Royal Infirmary for 3 years Prior to publishing it has been extensively revised and updated **Clinical Psychomotor Skills**

is raised to believe that a Christian should be different But somehow even though the Bible tells him that he has changed when he s accepted Jesus as his savior he doesn t feel changed And as Paul enters a rebellious stage he starts to indulge his own personal failures losing touch with his faith and living lie after lie One day as a young husband and father he just can t sustain it any longer and finds himself hospitalized for severe depression and considering suicide as a viable way out Still Standing is Paul s personal story of coming to terms with the past and present in light of a faith in Jesus Christ Be forewarned his journey is no idealized picture of what a Christian should look like but a discovery of how a real life warts and all can be transformed by a real God In frank and frequently very funny fashion Still Standing provides full disclosure in its chronicle of God reaching into the darkest corners of a man s being to bring light and healing to a life of faith gone wrong
