Odes To Gitanjali A Collection Of Poems:

Odes to Gitanjali Vivek Kumar Singhal, 2011-12-03 The book is a collection of poems inspired by Rabindranath Tagore's work Gitanjali and of course the master Sri Sathya Sai Baba. It has taken almost 5 years to compile all these poems. Some of them are inspired by very soulful music of different musicians from USA. I have mentioned their names in the respective poems. The poems are written in open meter and are sound like conversation of a soul with its Overself. The intention of publishing this book is to pay tribute to the rich thoughts that Rabindranath had and how he inspires us to reach up to our higher goal. I hope my efforts would be acknowledged though the quality of poems may be way too far on the lower side.

Stein, 2020-01-16 The Cambridge History of Black and Asian British Writing provides a comprehensive historical overview of the diverse literary traditions impacting on this field's evolution from the eighteenth century to the present. Drawing on the expertise of over forty international experts, this book gathers innovative scholarship to look forward to new readings and perspectives while also focusing on undervalued writers, texts and research areas. Creating new pathways to engage with the naming of a field that has often been contested, readings of literary texts are interwoven throughout with key political, social and material contexts. In making visible the diverse influences constituting past and contemporary British literary culture, this Cambridge History makes a unique contribution to British Commonwealth postcolonial transnational diasporic and global literary studies, serving both as one of the first major reference works to cover four centuries of black and Asian British literary history and as a compass for future scholarship.
