Daughters of Earth Justine Larbalestier, 2006-05-22 Women's contributions to science fiction have been lasting and important This is a collection of 11 key stories alongside 11

essays that explore the stories contexts meanings and theoretical implications Organized chronologically it aims to create a different canon of feminist science fiction and examines the theory that addresses it *The Woman and the Ape* Peter Høeg, 2013-07-30 *The Woman and the Ape* is the story of a unique and unforgettable couple Madelene and Erasmus Madelene a sleeping beauty drowsing gently in an alcoholic stupor is the beautiful and disillusioned wife of Adam Burden a distinguished behavior scientist Erasmus the unlikely prince is a 300 pound ape Erasmus is brought to the Burdens London home after escaping from animal smugglers In him Adam Burden believes he has discovered a hitherto unknown mammal a highly intelligent anthropoid ape the closest thing yet to a human being If he is right Erasmus will become the jewel of Burden s new zoo But Madelene decides to save Erasmus investing in her efforts all the single mindedness she until now has reserved for drinking The two fall in love a love affair as emotionally and erotically charged as any female male relationship could ever be But Erasmus has come to England with a purpose and eventually the couple must face the world they have sought to flee A fable for our time *The Woman and the Ape* poses searching questions about the nature of love freedom and humanity [Love in Reverse/Scarred for Life](#) Garland Ladd, 2008-07-02 Why do love relationships fail A more appropriate question is why do many succeed Finding answers to both questions is analogous to defining infinity impossible because the unknowns are infinite and this author will not go there However two aspects of lasting love loom extremely important namely the origin of love that indefinable spark of attraction that unites people and the admirable quality of ingenuity that is required for relationships to survive *Love In Reverse* and *Scarred For Life* are fictional attempts to highlight those aspects of lasting love **Crazy Little Thing** Liz Langley, 2011-12-01 *Crazy Little Thing* is a look at why we want to be in love and the burbling boiling soup of endorphins hormones and neurotransmitters that spill from our brain to make us do things that would otherwise be viewed as insane Investigative journalist Liz Langley traveled the country to research and interview singularly love mad folks who maimed murdered and married Langley reveals the science of love and lust as well as very human stories a spouse who can t stop loving her criminally psychotic husband even after he threw acid in her face the sweet romance between alligator skinned sideshow performers and a man whose neurons drive his necrophilia Langley reveals the control our chemicals have over us in a hilarious confounding and too strange to be anything but true look at love **The Man Who Married a Toaster** Hugo Bainbridge, Ah the introduction The part where I the author get to awkwardly justify the existence of this utterly bizarre narrative Let s be honest the premise alone is enough to raise an eyebrow or perhaps even send a small tremor through the very fabric of reality A man falling in love with a talking toaster It sounds like the plot of a fever dream and possibly the result of one too many late nights spent surrounded by discarded bread crumbs and half written manuscripts But fret not dear reader for this is not merely a tale of absurdity it is a story of heart hilarity and a desperate search for perfectly toasted bread It s a poignant exploration of unconventional love societal norms and the inevitable chaos that ensues when a microwave decides it s the rightful heir to Barry s affections Within these pages you will

witness the unlikely romance unfold the comedic battles fought in the kitchen and the heartwarming triumph of a love that transcends the boundaries of species appliance type and common sense You ll see Barry grapple with the complexities of his relationship and the judgment of others You ll witness the simmering rivalry between kitchen appliances that borders on outright warfare And most importantly you ll discover the true meaning of perfect toast So grab your favourite beverage a slice of bread preferably not burnt and prepare to be entertained by a story so absurd so whimsical so utterly delightful that you ll be left wondering if you ve just stepped into an alternate reality And if your toaster starts talking to you well maybe it s time for a new appliance Or perhaps just perhaps you ve found your own unconventional love story waiting to begin

After Exile Amy K. Kaminsky, 1999 Considers the effect of exile on contemporary South American writers Can an exiled writer ever really go home again What of the writers of Argentina Uruguay and Chile whose status as exiles in the 1970s and 1980s largely defined their identities and subject matter After Exile takes a critical look at these writers at the effect of exile on their work and at the complexities of homecoming a fraught possibility when democracy was restored to each of these countries Both famous and lesser known writers people this story of dislocation and relocation among them Jos Donoso Ana V squez Luisa Valenzuela Cristina Peri Rossi and Mario Benedetti In their work and their predicament Amy K Kaminsky considers the representation of both physical uprootedness and national identity or more precisely an individual s identity as a national subject Here national identity is not the double abstraction of identity and nation but a person s sense of being and belonging that derives from memories and experiences of a particular place Because language is crucial to this connection Kaminsky explores the linguistic isolation miscommunication and multilingualism that mark late exile and post exile writing She also examines how gender difference affects the themes and rhetoric of exile how for example traditional projections of femininity such as the idea of a mother country are used to allegorize exile Describing exile as a process sometimes of acculturation sometimes of alienation this work fosters a new understanding of how writers live and work in relation to space and place particularly the place called home ISBN 0 8166 3147 6 Cloth 00 00 42 95xx ISBN 0 8166 3148 4 Paper 00 00 16 95x 208 Pages 5 7 8 x 9 June Translation inquiries University of Minnesota Press **Isaac Bashevis Singer** Isaac Bashevis Singer, 1992 Collections of interviews with notable modern writers
