GWEN ROBINSON + IAIN CROW

Offender Rehabilitation Theory Research And Practice

Thomas Ugelvik, Jane Dullum

Offender Rehabilitation Theory Research And Practice:

Offender Rehabilitation Gwen Robinson,Iain Crow,2009-01-30 This comprehensive text explains all the key themes in the development and practice of offender rehabilitation It explores how the issue fits within its wider social and political contexts giving an insight into its current and future relevance to criminal justice The book covers the full range of rehabilitative approaches exploring how criminal justice responses have been influenced by trends such as the treatment model What Works desistance risk and public protection and changes in social policy

Offender Rehabilitation Gwen Robinson,Iain D Crow,2009-01-22 Robinson and Crow have achieved the seemingly impossible a book about rehabilitation that transcends the medical model that is original and contemporary yet grounded in a sophisticated history and most of all that is fun to read It will become a new classic text in a field that has been crying out for one Professor Shadd Maruna Queen's University Belfast In an age where there is much public and political confusion about many criminal justice matters this book brings considerable clarity to the idea of rehabilitation its theoretical and historical roots and contemporary practical application This is an accessible lively and critical account of a concept which is central to the shape of the criminal justice system in pursuance of something that will work to reduce reoffending Rehabilitation seems to go in and out of fashion depending on the politics of the day but the careful and thorough examination of the different contexts in which it operates and competing perspectives on its potential offered here highlights its enduring qualities This is a fascinating and engaging book by two established and real world scholars which will serve students and policy makers alike in the fields of criminal justice and social policy Loraine Gelsthorpe Reader in Criminology and Criminal Justice Institute of Criminology University of Cambridge This comprehensive text explains all the key themes in the development and practice of offender rehabilitation It explores how the issue fits within its wider social and political contexts giving an insight into its current and future relevance to criminal justice The book covers the full range of rehabilitative approaches exploring how criminal justice responses have been influenced by trends such as the treatment model What Works desistance risk and public protection and changes in social policy It offers the following essential features theoretical grounding providing students with all the essential background they need in order to fully understand the subject historical context enabling the reader to see how ideas policies and practices have developed over time research focus introducing the reader to questions about how rehabilitative approaches have been evaluated and debates about what works for particular groups of offenders such as sexual offenders and drug misusers study questions and further reading giving students the tools both to revise and to expand their knowledge Offender Rehabilitation both advances thinking about the notion of rehabilitation and ensures that students of crime and justice can keep abreast of the most recent developments in this area

Offender Rehabilitation Programmes Laura M. Small,Paul M.W. Hackett,2023-04-28 This book shows how prison officers may be able to significantly influence extra programmatic conditions to enhance rehabilitation outcomes and contribute to reducing reoffending It does so through

a detailed review of the literature relating to prison based rehabilitation programmes examining factors influencing their outcomes and the effects of the prison officer role Firstly the book explores current understandings about the role of the prison and effective offender rehabilitation programmes It then describes the processes of the integrative review of how prison officers can support rehabilitation programmes in prisons Review findings suggest three main routes by which prison officers can contribute to enhancing rehabilitation outcomes influencing prison social environments enhancing prisoner treatment readiness and programme engagement and identifying and supporting prisoners wider needs This book also explores avenues for further research in this area using a declarative sentence mapping approach Bridging two previously distinct areas of research prison officers and their role and prison rehabilitation interventions this book offers new understanding in the real world context of prisons and their staff as to how we can enhance rehabilitation outcomes It will be of great interest to academics in penology forensic psychology probation and offender rehabilitation fields The book is also valuable to postgraduate students and professionals working on prison policy

Foundations of Offender Rehabilitation

Sharon Casey,Andrew Day,Jim Vess,Tony Ward,2012-09-10 The past three decades has seen dramatic changes in the way in which the criminal justice system responds to those who break the law The old claim in the field of correctional psychology that nothing works has strongly been refuted in the face of evidence from rehabilitation programmes that do make a difference The graduate student in forensic psychology could easily be overwhelmed by the plethora of information now available This new textbook offers a comprehensive approach to forensic and correctional psychology demonstrating how theory and practise can be applied and integrated Written by intentionally recognized experts within the field the authors guide the students through the core theories and concepts that underpin forensic practise within the legal systems of different countries UK USA Canada Australia and Singapore show how this knowledge informs current thinking in offender rehabilitation and reintegration and provide a series of case studies looking at sexual offenders female offender juveniles and offenders with mental disorders This book is the perfect overview for graduate students of forensic and correctional psychology engaged with offender rehabilitation and assessment and the psychology of law

Religion and Crime:

Research Handbook on the International Penal

System Róisín Mulgrew,Denis Abels,2016-05-27 Drawing on the expertise and experience of contributors from a wide range of academic professional and judicial backgrounds the Research Handbook on the International Penal Systemcritically analyses the laws policies and practices that govern detention punishment and the enforcement of sentences in the international criminal justice context Comprehensive and innovative it examines the operation of the international penal system covering pertinent issues such as non custodial sanctions monitoring of conditions of detention the protection of prisoners under international law and the transfer of prisoners These aspects are presented in a logical order linking up with

the chronological sequence of the international criminal justice process Far reaching this Handbook also explores broader normative questions related to contemporary human rights law transitional and restorative justice and victim redress before exploring contemporary and alternative mechanisms for punishing and overseeing punishment and possible avenues for development This up to date assessment will provide valuable insights for researchers and students of international criminal law and justice comparative penal law penology prisoners rights and transitional and restorative justice Its recommendations for development will also interest international and national officials working in criminal law and justice Contributors D Abels K Ambos O Bekou S D Ascoli T A Doherty M A Drumbl S A Fisher B Hol A Jones N Kiefer C McCarthy L McGregor R Mulgrew J C Nemitz M M Penrose G Sluiter S Snacken A Trotter H van der Wilt J van Wijk D van Zyl Smit R Young The Routledge Companion to Rehabilitative Work in Criminal Justice Pamela Ugwu-dike, Hannah Graham, Fergus McNeill, Peter Raynor, Faye S. Taxman, Chris Trotter, 2019-09-12 All the world's criminal justice systems need to undertake direct work with people who have come into their care or are under their supervision as a result of criminal offences Typically this is organized in penal and correctional services in custody in prisons or in the community supervised by services such as probation Bringing together international experts this book is the go to source for students researchers and practitioners in criminal justice looking for a comprehensive and authoritative summary of available knowledge in the field Covering a variety of contexts settings needs and approaches and drawing on theory and practice this Companion brings together over 90 entries offering readers concise and definitive overviews of a range of key contemporary issues on working with offenders The book is split into thematic sections and includes coverage of Theories and models for working with offenders Policy contexts of offender supervision and rehabilitation Direct work with offenders Control surveillance and practice Resettlement Application to specific groups including female offenders young offenders families and ethnic minorities Application to specific needs and contexts such as substance misuse mental health violence and risk assessment Practitioner and offender perspectives The development of an evidence base This book is an essential and flexible resource for researchers and practitioners alike and is an authoritative guide for students taking courses on working with offenders criminal justice policy probation prisons penology and community corrections *Offender Supervision* Fergus McNeill, Peter Raynor, Chris Trotter, 2012-08-06 This major new book brings together leading researchers in the field in order to describe and analyse internationally significant theoretical and empirical work on offender supervision and to address the policy and practice implications of this work within and across jurisdictions Arising out of the work of the international Collaboration of Researchers for the Effective Development of Offender Supervision CREDOS this book examines questions and issues that have arisen both within effectiveness research and from research on desistance from offending The book draws out the lessons that can be learned not just about what works but about how and why particular practices support desistance in specific jurisdictional cultural and local contexts Key themes addressed in this book include New directions in theory and paradigms for practice Staff skills

and effective offender supervision Different issues and challenges in improving offender supervision The role of families significant others and social networks Understanding and supporting compliance within supervision Exploring the social political organisational and historical contexts of offender supervision Offender Supervision will be essential reading for academics undergraduate and postgraduate students policy makers managers and practitioners interested in offender supervision

Coercion and Trust Saradamoyee Chatterjee,Jill Jameson,2024-06-17 The first volume in the Lucy Cavendish College Lecture Series Coercion and Trust provides a unique multi disciplinary dialogue on the complex links between coercion and trust from perspectives in the social sciences medicine and literature combining high quality academic research with professional recommendations Part I analyses adolescent adult relationships in youth fiction alongside research on the sexual coercion of women and the link between animal and domestic violence Part II investigates blind trust and coercion in social media grooming challenges and solutions to coercion by misinformation Part III investigates coercion and trust in migration detention deportation kidnapping in violent political campaigns and sentencing in rehabilitation The book makes a significant original contribution to multi disciplinary research professional practice and advanced development with theoretical and empirical chapters linking theory practice and training This book will be of interest to academic researchers professional practitioners and postgraduate students in research and training in multiple fields across the social sciences humanities and medicine for whom there is no comparable book available worldwide

Nordic Prison Practice and Policy - Exceptional Or Not? Thomas Ugelvik,Jane Dullum,2011-07-29 Written by leading prison scholars from the Nordic countries as well as selected researchers from the English speaking world looking in this book explores and discusses the Nordic jurisdictions as contexts for the specific penal policies and practices that may or may not be described as the exception from the rule

Offender Rehabilitation Theory Research And Practice Introduction

In today's digital age, the availability of Offender Rehabilitation Theory Research And Practice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Offender Rehabilitation Theory Research And Practice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Offender Rehabilitation Theory Research And Practice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Offender Rehabilitation Theory Research And Practice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Offender Rehabilitation Theory Research And Practice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Offender Rehabilitation Theory Research And Practice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Offender Rehabilitation Theory Research And Practice

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Offender Rehabilitation Theory Research And Practice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Offender Rehabilitation Theory Research And Practice books and manuals for download and embark on your journey of knowledge?

FAQs About Offender Rehabilitation Theory Research And Practice Books

1. Where can I buy Offender Rehabilitation Theory Research And Practice books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
