Info about these reports:

These are Ontario report card comments for students in Developmental Disability and Diagnostic/Inferential Classes, but I believe they could be useful for teachers from a variety of locations and with a range of different Special Education class types (MDO, HSP, Autism, DD, DC, Behaviour, PD, Section 23, RRP, etc.)

These comments are based on SMART Goals. Because these students are on Individual Education Plans and have modified expectations, they do not get the same report cards as typical Ontario students. SMART is an acronym that stands for Specific, Measurable, Achievable, Realistic, and Timely. I highlighted students' strengths and needs based on their success meeting SMART Goals in a range of adapted games and activities. These comments are highly differentiated because my students had a wide range of needs, preferences, and abilities. These 77 students were in congregated/special education classes with mixed abilities. I include 3 report comments (or progress reports, term 1, and term 2) for each student unless they were absent for a reporting period. I hope you find the comments helpful. Please feel free to contact me with any questions or feedback through TPT.

CLASS INDEX:

Classes are labeled based on the class type and needs to help readers find comments that best suit their students. Acronyms: DD = Developmental Disability, ASD = Autism Spectrum Disorder, PD = Physical Disability, CP = Cerebral Palsy, PECS = Picture Exchange Communication System, ASL = American Sign Language
