90 Minutes in Heaven Don Piper, Cecil Murphey, 2015-08-25 The mega bestselling book that started the heaven publishing phenomenon is now a major motion picture starring Hayden Christensen and Kate Bosworth and produced by Michael Polish Don Piper's incredible true story continues to expand its reach to more people than ever before After a semi truck collided with Don Piper's car he was pronounced dead at the scene For the next ninety minutes he experienced the glories of heaven Back on earth a passing minister felt led to stop and pray for the accident victim even though he was told Piper was dead Miraculously Piper came back to life and the pleasure of heaven was replaced by a long and painful recovery This special edition of Don's life changing story includes a new preface from Don about the making of the movie plus a personal update on the impact the book has had on him his family and the millions who have already heard his story It also includes a note from the publisher stories from readers and Scriptures and quotations on heaven *Choosing to Preach* Kenton C. Anderson, 2009-05-26 Today traditional forms of preaching are being scrutinized and challenged The biblical sermon is not immune to the pressure to evolve or even fall by the wayside leaving pastors and seminary students confused over how best to communicate to today's listeners In this forward looking textbook Kenton Anderson delivers a strong call to current and future ministers to indeed choose to preach biblical sermons despite the obstacles to doing so While preaching itself is non negotiable the exact form it takes can be much more flexible allowing people to hear from God as they hear his Word preached Rather than presenting one model or process for preparing a sermon Anderson explains several available options As you discern your message from the Bible will you begin with the text deductive or with the listener inductive Will you focus on the idea cognitive or the image affective The choices you make lead to five possible sermon structures DECLARATIVE make an argument PRAGMATIC solve a mystery NARRATIVE tell a story VISIONARY paint a picture INTEGRATIVE sing a song Each model is described in detail and related to well known contemporary preachers including John MacArthur Rick Warren Eugene Lowry and Rob Bell This book equips you with a variety of tools for your preaching tool kit A CD ROM with additional helpful resources is included as well as discussion questions and practical exercises **A Comedian's Guide to Theology** Thor Ramsey, 2008-03-03 Thor Ramsey hereafter known as the Jon Stewart of the theological world defends the essentials of the Christian faith in this volume of comedy for the thinking person Armed with only a laptop and a rapier wit he defends the inspiration of the Bible all Scripture is inspired by God in other words when you tell someone off quote the Bible the doctrine of total depravity calling someone out for their sins is a tricky business especially if you don't know how to operate a bullhorn and the supremacy of Christ or why Thor's God is bigger than your god along with a host of other essential doctrines of the Christian faith Packed with funny stories and hard hitting truths this comprehensive collection of biblical insights and personal anecdotes will surprise readers destroy their misconceptions and leave them wanting more For readers looking alternatives to the conversation of traditional faith or those who have a taste

for fearless and hilarious honesty A Comedian s Guide to Theology will permanently change how we all look at Christianity or at least offer a good hearted shove out of the box or back in the box if that s where you need to be What a supreme pleasure to read a book that I find powerfully honest theologically kapow dead on and incredibly and ACTUALLY funny funny funny funny This book is so brilliantly funny and dead on that if I weren t a very mature Christian I might be jealous Eric Metaxas New York Times best selling author of Amazing Grace William Wilberforce and the Heroic Campaign to End Slavery and former editor of The Yale Record

The INTRAFaith Conversation: How Do Christians Talk Among Ourselves About INTERfaith Matters? Susan Strouse,2016-03-18 This crisp and cogent book by the Rev Dr Strouse is published at a time when both interfaith and intrafaith dialogue are critical to the vitality of spiritual life in our nation As a parish pastor in a small struggling congregation I have become increasingly aware of the insularity and isolation of many of our parishioners This seems less the result of inadequate parish education as it is the byproduct of too many people getting their information from biased TV networks so called social media or word of mouth We parish pastors need to examine our internal intra congregational conversations about diverse faith traditions and how they bear on congregational mission I was particularly impressed by the author s use of footnotes and her extensive bibliography The book is a walking talking workshop in print with its detailed reflection discussion questions and suggestions for further reading Thank you Pastor Strouse for such a comprehensive presentation of how to approach constructively this timely and important conversation Review by Richard G Eddy
