Le Boogie Woogie Terry Williams, 2020-02-25 The after hours club is a fixture of the African American ghetto It is a semisecret unlicensed spot where regulars and tourists mingle with hustlers to buy and use drugs long after regular bars are closed and the party has ended for the squares After hours clubs are found in most cities but for people outside of their particular milieu they are formidably difficult to identify and even more difficult to access The sociologist Terry Williams returns to the cocaine culture of Harlem in the 1980s and 90s with an ethnographic account of a club he calls Le Boogie Woogie He explores the life of a cast of characters that includes regulars and bar workers dealers and hustlers following social interaction around the club's active bar with its colorful staff and owner and the sniffers who patronize it In so doing Williams delves into the world of after hours clubs exploring their longstanding function in the African American community as neighborhood institutions and places of autonomy for people whom mainstream society grants few spaces of freedom He contrasts Le Boogie Woogie which he visited in the 1990s with a Lower East Side club dubbed Murphy's Bar twenty years later to show how cool remains essential to those outside the margins of society even as what it means to be cool changes Le Boogie Woogie is an exceptional ethnographic portrait of an underground culture and its place within a changing city
