Latinised as Nostradamus was a French physician and reputed seer who is best known for his book Les Propheties a collection of 942 poetic quatrains allegedly predicting future events The book was first published in 1555 and has rarely been out of print since his death Nostradamus s family was originally Jewish but had converted to Catholicism before he was born He studied at the University of Avignon but was forced to leave after just over a year when the university closed due to an outbreak of the plague He worked as an apothecary for several years before entering the University of Montpellier hoping to earn a doctorate but was almost immediately expelled after his work as an apothecary a manual trade forbidden by university

The Future According to Nostradamus Michel Nostradamus, Shihyun Sherry Wang, 2017-01-26 Through my unique Key Word search I found previously unknown clusters of quatrains with shocking information This is not the usual ambiguous quotes that can be applied to any circumstances This book shows how detailed descriptions of related events were grouped together with warnings you have never noticed Nostradamus foretold the life stories of Queen Mary of Scots and her mother in law Queen Catherine De Medici 2 queens he met in person He then painted the picture of terror of French Revolution in his first 9 quatrain in century one He predicted the assassination of JFK and Lincoln the Vietnam War and how Ted Kennedy's Presidential Dream crashed The rest of Century one described all the wars in vivid details Century two contains 20 Doomsday predictions Clues and Signs as when where and how the doomsday may crash down upon us I am not Nostradamus's official spokes person but through my interpretation you will see him under a totally different light

Conversations with Nostradamus Dolores Cannon, 1994-12 Nostradamus was a doctor and estericist born in Provence in 1503 who achieved renown for his treatment of plague victims He is known today for his Quatrains the remarkable prophecies of the future that he wrote in coded verse Many have claimed to have broken his codes but the variety of interpretations are legion
