Awakening the Truth Frequency Laura Eisenhower,2024-01-21 If you aren't living your most authentic self you can't realize universal and personal truth If we compromise and waver in our integrity how on Earth will we successfully navigate life or our relationships We become vulnerable to distortions and imbalances that attract archonic attachments and AI signals that keep us in a lower existence of reality We have lost touch with our connection to our higher mind and intuitive abilities and its integration into our daily life The quickest way to heal is for Awakening the Truth Frequency to embody our highest self Our bodies thrive in this energy not the distortions or programs And now more than ever before we live in times when our energies are supported by spiritual forces like never before We must be humble enough to allow this alignment and let go of the ego attachments about what other people think and not be afraid to admit where we have been misled Claiming our truth eases our journey Into the Unified Field

Secrets of Antarctica Brad Olsen,2025-11-05 Secrets of Antarctica will reveal Brad Olsen's exploration and firsthand experience with this strange continent The book will question the possibility of a lost continent and visit the land of the Patagonia giants Next are the Age of Exploration maps depicting the Ice Continent centuries before Antarctica was officially discovered New Swabia Neuschwabenland was a territorial claim made by Nazi Germany in the late 1930s Admiral Richard Byrd led Operation Highjump to confront the Nazi base there and to recover a Nazi flying disc Admiral Byrd spoke of flying objects that could fly from pole to pole at incredible speeds

Beyond Esoteric Brad Olsen,2024-11-14 The word occult means nothing more than to study the realm of the hidden So much of real knowledge and wisdom is disguised because the people who run the planet feel that true information as to how the world

works is something the sheeple should not be informed about But truth always resonates Beyond Esoteric takes off the kid gloves and exposes the nefarious control grid extending its tentacles across the planet

Confessions of an Illuminati, Volume I Leo Lyon Zagami,2019-06-01 Leo Lyon Zagami uses the internal documents of the Illuminati to reveal confidential and top secret events His book contends that the presence of numerous Illuminati brotherhoods and secret societies just as those inside the most prestigious U S universities such as Yale or Harvard have always been guides to the occult From the Ordo Templi Orientis OTO s infiltration of Freemasonry to the real Priory of Sion this book exposes not only the hidden structure of the New World Order and the occult practices but also their connections to the intelligence community and the infamous Ur Lodges
