Asia: Assessing Sustainability Ray C. Anderson, Sam Geall, Jingjing Liu, Sony Pellissery, E. N. Anderson, Joel R. Campbell, Joanna I. Lewis, Muhammad Aurang Zeb Mughal, Mark Wilson, 2012-11-01 China India and East and Southeast Asia Assessing Sustainability provides unprecedented analyses by regional experts and scholars elsewhere in the world on China India and their neighbors Despite growing demands internally on their natural resources China and India alone are home to more than one third of the world's population the expanding global economic influence of this region makes these countries vital players in a sustainable future for all citizens of the Earth Regional coverage includes topics such as business and commerce environmental and corporate law and lifestyles and values **The Vernacular** Hans Harder, Nishat Zaidi, Torsten Tschacher, 2023-09-01 This book examines the validity of the notion of the vernacular and the position of the so called vernaculars in colonial and postcolonial settings It addresses recent formulations and debates regarding the status of regional languages of South Asia in relation to English The authors explore the range of meanings the term has assumed and trace a history of contestation since the colonial age They contend that though the vernacular in South Asia has since the nineteenth century often operated as a hegemonic category relegating the languages thus designated to an inferior status those languages and other cultural formations labelled as vernacular have also received empowering impulses and vested with qualities like groundedness and strength The book highlights the need for a critical discussion of the notion of the vernacular in the context of the ongoing rise of Anglophonia in South Asia as a whole and post liberalisation India in particular The volume will be of great interest to scholars and researchers of literary and culture studies history postcolonial studies and South Asian studies *Routledge Handbook of South Asian Criminology* K. Jaishankar, 2019-08-01 Although the literature and cultural practices of the South Asian region demonstrate a rich understanding of criminology this handbook is the first to focus on crime criminal justice and victimization in Afghanistan Bangladesh Bhutan India Maldives Nepal Pakistan and Sri Lanka South Asia's rapid growth in population and economy continues to introduce transformations in social behaviors including those related to criminality and victimization Readers of this handbook will gain a comprehensive look at criminology criminal justice and victimology in the South Asian region including processes historical perspectives politics policies and victimization This collection of chapters penned by scholars from all eight of the South Asian nations as well as the US UK Australia and Belgium will advance the study and practice of criminology in the South Asian region and carry implications for other regions The Routledge Handbook of South Asian Criminology provides a wealth of information on criminological issues and their effect on the countries and governments efforts to mitigate them It is essential reading for students and scholars of South Asian criminology criminal justice and politics [The Routledge Companion to Linguistics in India](#) Hemalatha Nagarajan, 2022-10-20 This companion offers a unique introductory study of linguistics in India Well supplemented with sample problems and linguistic puzzles to bolster analytical skills and logical reasoning it promotes a unique inquiry based approach to learning linguistics The volume looks at all the major subdisciplines of linguistics including

phonetics phonology morphology semantics syntax and the interdisciplinary domains of psycholinguistics and neurolinguistics It provides a wealth of data not only from many Indian languages belonging to the primary language families present in the country Indo Aryan Dravidian Austro Asiatic and Tibeto Burman but also from the endangered languages of the Tai Kadai family of Assam and the Greater Andamanese family The author gives a holistic view of the linguistic landscape of India and fills a significant gap in the study of the lesser known languages of South Asia This volume will be an excellent resource for students and researchers of Indian languages cultural studies South Asian studies and all branches of linguistics
