Hispanics in the U.S Criminal Justice System Martin Guevara Urbina, Sofia Espinoza Álvarez, 2018-05-07 This updated and expanded new edition resumes the theme of the first edition and the findings reveal that race ethnicity gender class and several other variables continue to play a significant and consequential role in the legal decision making process The book is structured into three sections each of which corresponds to a different body of work on Latinos Section One explores the historical dynamics and influence of ethnicity in law enforcement and focuses on how ethnicity impacts policing field practices such as traffic stops use of force and the subsequent actions that police departments have employed to alleviate these problems A detailed examination of critical issues facing Latino defendants seeks to better understand the law enforcement process The history of immigration laws as it pertains to Mexicans and Latinos explains how Mexicans have been excluded from the United States through anti immigrant legislation Latino officers must cope with structural and political issues the community and media as these practices and experiences within the American police system are explored Section Two focuses on the repressive practices against Mexicans that resulted in executions vigilantism and mass expulsions The topic of Latinos and the Fourth Amendment reveals that the constitutional right of people to be protected against unreasonable searches and seizures has been eviscerated for Latinos and particularly for Mexicans Possible remedies to existing shortcomings of the court system when processing indigent defendants are presented Section Three studies the issue of Hispanics and the penal system The ethnic realities of life behind bars probation and parole the legacy of capital punishment and life after prison are discussed Section Four addresses the globalization of Latinos social control and the future of Latinos in the U S Criminal justice system Lastly the race and ethnic experience through the lens of science law and the American imagination are explored concluding with policy recommendations for social and criminal justice reform and ultimately humanizing differences Written for professionals and students of law enforcement this book will promote the understanding of the historical legacy of brutality manipulation oppression marginalization prejudice discrimination power and control and white America s continued fear about racial and ethnic minorities

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is

exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
