Velvet Revolutions Miroslav Vaněk, Pavel Mücke, 2016 This book investigates how values such as freedom work family free time and politics changed in Czech society in the two decades before and after the November 1989 Velvet Revolution Miroslav Vanek and Pavel Mücke use public opinion polls as well as 300 interviews with Czech citizens to create a multi layered view of Czech history before 1989 and during the subsequent period of democratic transformation **Cold War** Carole K. Fink, 2021-11-29 Now in its third edition Cold War provides an accessible and comprehensive account of the decades long conflict between two nuclear armed Superpowers during the twentieth century This book offers a broader timeline than any other Cold War text charting the lead up to the conflict from the Russian Revolution to World War II providing an authoritative narrative and analysis of the period between 1945 and 1991 and scrutinizing the 30 year aftermath including the prospect of a new Cold War In this new edition Carole K Fink provides new insights and perspectives on key events with an emphasis on people power and ideas The third edition covers developments in Africa Asia the Middle East and Latin America as well as in Europe It also includes Eleven new or revised maps that illustrate the global reach of the long conflict An extended chronology that includes recent international events A discussion of the post Cold War roles of the US Russia and China in world politics An updated bibliography reflecting new scholarship in Cold War and post Cold War history Cold War is the consummate book on this complex twentieth century rivalry and will be of interest to students of contemporary US and international history and history enthusiasts alike Armenia's Velvet Revolution Anna Ohanyan, Laurence Broers, 2020-09-03 In April 2018 Armenia experienced a remarkable popular uprising leading to the resignation of Prime Minister Serzh Sargsyan and his replacement by protest leader Nikol Pashinyan Evoking Czechoslovakia's similarly peaceful overthrow of communism 30 years previously the uprising came to be known as Armenia's Velvet Revolution a broad based movement calling for clean government democracy and economic reform This volume examines how a popular protest movement showcasing civil disobedience as a mass strategy for the first time in the post Soviet space overcame these unpromising circumstances Situating the events in Armenia in their national regional and global contexts different contributions evaluate the causes driving Armenia's unexpected democratic turn the reasons for regime vulnerability and the factors mediating a non violent outcome Drawing on comparative perspectives with democratic transitions across the world this book will be essential reading for those interested in the regime dynamics social movements and contested politics of contemporary Eurasia as well as policy makers and practitioners in the fields of democracy assistance and human rights in an increasingly multipolar world *Life and Learning of Digital Teens* Jiří Zounek, Libor Juhaňák, Klára Záleská, 2022-02-10 This book describes and explains how digital technologies enter adolescents everyday life and learning in different contexts and environments The book is based on research conducted in recent years in the Czech Republic the results of which are set within a broad theoretical and international framework The authors consider the

theoretical and methodological anchoring of the topic describing various approaches in an effort to comprehensively describe and understand the learning process of today's pupils. They focus on ways to explore learning in the digital era, domestication of digital technology in families, and parents' approaches to digital technology. Attention is paid to adolescents' competences and autonomy in the use of digital technologies as well as their views on technology in their lives and learning. The authors summarize the most important results of the research but also consider the options of empirical research and their own experience with the research of such a complex concept.

Everyday Postsocialism in Eastern Europe Jill Massino, Markus Wien, 2024-09-15 The collapse of state socialism ushered in dramatic political and economic change producing new freedoms and opportunities but also new challenges and disappointments. Focusing on laborers, professionals, youth, women, sexual minorities, foreign students, and emigrants, *Everyday Postsocialism in Eastern Europe* explores these multifaceted changes and people's varied experiences of them. The featured narratives complicate hegemonic representations of transformation, revealing ruptures and continuities, progress and reversals. Highlighting the multi-directionality of change over the last thirty years, the book reappraises 1989 as an epochal event for all.

The Oxford Handbook of Social Movements Donatella Della Porta, Mario Diani, 2015 The *Oxford Handbook of Social Movements* is an innovative volume that presents a comprehensive exploration of social movement studies, mapping the field and expanding it to examine the recent developments in cognate areas of studies within and beyond sociology and political science. This volume brings together the most distinguished social and political scientists working in this field, each writing thought-provoking essays in their area of expertise and facilitates conversations between classic social movement agenda and lines of research. The *Oxford Handbook of Social Movements* discusses core theoretical perspectives, recent contributions from the field, and how patterns of macro-social change may affect social movements as well as suggesting what contributions social movement studies can give to other research areas in various disciplines.

Gaming the Iron Curtain Jaroslav Svelch, 2023-09-19 How amateur programmers in 1980s Czechoslovakia discovered games as a medium, using them not only for entertainment but also as a means of self-expression. Aside from the exceptional history of Tetris, very little is known about gaming culture behind the Iron Curtain. But despite the scarcity of home computers and the absence of hardware and software markets, Czechoslovakia hosted a remarkably active DIY microcomputer scene in the 1980s, producing more than two hundred games that were by turns creative, inventive, and politically subversive. In *Gaming the Iron Curtain*, Jaroslav Svelch offers the first social history of gaming and game design in 1980s Czechoslovakia and the first book-length treatment of computer gaming in any country of the Soviet bloc. Svelch describes how amateur programmers in 1980s Czechoslovakia discovered games as a medium, using them not only for entertainment but also as a means of self-expression. Sheltered in state-supported computer clubs, local programmers fashioned games into a medium of expression that, unlike television or the press, was neither regulated nor censored. In the final years of Communist rule, Czechoslovak programmers were among the first in the world to make activist games about

current political events anticipating trends observed decades later in independent or experimental titles Drawing from extensive interviews as well as political economic and social history *Gaming the Iron Curtain* tells a compelling tale of gaming the system introducing us to individuals who used their ingenuity to be active be creative and be heard *Atomic Tunes* Tim Smolko, Joanna Smolko, 2021-05-11 What is the soundtrack for a nuclear war During the Cold War over 500 songs were written about nuclear weapons fear of the Soviet Union civil defense bomb shelters McCarthyism uranium mining the space race espionage the Berlin Wall and glasnost This music uncovers aspects of these world changing events that documentaries and history books cannot In *Atomic Tunes* Tim and Joanna Smolko explore everything from the serious to the comical the morbid to the crude showing the widespread concern among musicians coping with the effect of communism on American society and the threat of a nuclear conflict of global proportions *Atomic Tunes* presents a musical history of the Cold War analyzing the songs that capture the fear of those who lived under the shadow of Stalin Sputnik mushroom clouds and missiles *Liberal World Orders* Tim Dunne, Trine Flockhart, 2013-08-08 *Liberal World Orders* is a timely contribution to debates about the current world order in the face of declining US hegemony and rising new powers It examines the history and durability of liberal thought Neo liberalism is criticised as a theoretical perspective ill equipped to understand the current crisis or possibilities for its amelioration **Memory Politics in Contemporary Russia** Mariëlle Wijermars, 2018-07-11 This book examines the societal dynamics of memory politics in Russia Since Vladimir Putin became president the Russian central government has increasingly actively employed cultural memory to claim political legitimacy and discredit all forms of political opposition The rhetorical use of the past has become a defining characteristic of Russian politics creating a historical foundation for the regime s emphasis on a strong state and centralised leadership Exploring memory politics this book analyses a wide range of actors from the central government and the Russian Orthodox Church to filmmaker and cultural heavyweight Nikita Mikhalkov and radical thinkers such as Aleksandr Dugin In addition in view of the steady decline in media freedom since 2000 it critically examines the role of cinema and television in shaping and spreading these narratives Thus this book aims to gain a better understanding of the various means through which the Russian government practices its memory politics e g the role of state media and on the other hand to sufficiently value the existence of alternative and critical voices and criticism that existing studies tend to overlook Contributing to current debates in the field of memory studies and of current affairs in Russia and Eastern Europe this book will be of interest to scholars working in the fields of Russian Studies Cultural Memory Studies Nationalism and National Identity Political Communication Film Television and Media Studies
