None Left Behind The Book Of Revelation Made Clear:

The Left Behind Fantasy William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense Left Behind: Separating Fact from Fiction Gary DeMar, 2009 **Queering the Non/Human** Myra J.

Crockett,2004-06-02 There are many books that attempt to show the similarities between Islamic beliefs and Christian beliefs While this book does accomplish that it takes a step further using the verses of the Quran to show more than just similarity of beliefs It shows that Muslims believe in Jesus and according to their scriptures believe in following Christ It shows that they believe the Christian churches of the time were following apostate beliefs The people of Islam were awaiting the restoration of all Truths as taught by all prophets including Jesus Christ There are many who do not realize the sheer number of references to Christ that exist in the Quran Nor do many realize the teachings about the council in heaven the creation the occurrences in the Garden of Eden the need

for prophets the miraculous conception of Jesus Jesus restoration of the true religion miracles performed by him his resurrection and ascension the apostasy the prophecies of other chosen people and scriptures another restoration and more prophets yet to come as taught in the verses of the Quran This work should be if not intriguing at least enlightening for every reader no matter what their religious background or beliefs Some alternate spellings for Quran are koran and quran
