

NONVIOLENT RESISTANCE

A PHILOSOPHICAL INTRODUCTION

TODD MAY

Nonviolent Resistance A Philosophical Introduction

**Fen Osler Hampson, Alpaslan
Özerdem, Jonathan Kent**

Nonviolent Resistance A Philosophical Introduction:

Nonviolent Resistance Todd May, 2015-12-21 We see nonviolent resistance all over today's world from Egypt's Tahrir Square to New York Occupy. Although we think of the last century as one marked by wars and violent conflict, in fact it was just as much a century of nonviolence as the achievements of Mohandas Gandhi and Martin Luther King Jr. and peaceful protests like the one that removed Ferdinand Marcos from the Philippines clearly demonstrate. But what is nonviolence? What makes a campaign a nonviolent one and how does it work? What values does it incorporate? In this unique study, Todd May, a philosopher who has himself participated in campaigns of nonviolent resistance, offers the first extended philosophical reflection on the particular and compelling political phenomenon of nonviolence. Drawing on both historical and contemporary examples, he examines the concept and objectives of nonviolence and considers the different dynamics of nonviolence from moral jiu jitsu to nonviolent coercion. May goes on to explore the values that infuse nonviolent activity, especially the respect for dignity and the presupposition of equality, before taking a close-up look at the role of nonviolence in today's world. Students of politics, peace studies, and philosophy, political activists, and those interested in the shape of current politics will find this book an invaluable source for understanding one of the most prevalent but least reflected upon political approaches of our world.

Nonviolent Resistance Todd May, 2015-06-04 We see nonviolent resistance all over today's world from Egypt's Tahrir Square to New York Occupy. Although we think of the last century as one marked by wars and violent conflict, in fact it was just as much a century of nonviolence as the achievements of Mohandas Gandhi and Martin Luther King Jr. and peaceful protests like the one that removed Ferdinand Marcos from the Philippines clearly demonstrate. But what is nonviolence? What makes a campaign a nonviolent one and how does it work? What values does it incorporate? In this unique study, Todd May, a philosopher who has himself participated in campaigns of nonviolent resistance, offers the first extended philosophical reflection on the particular and compelling political phenomenon of nonviolence. Drawing on both historical and contemporary examples, he examines the concept and objectives of nonviolence and considers the different dynamics of nonviolence from moral jiu jitsu to nonviolent coercion. May goes on to explore the values that infuse nonviolent activity, especially the respect for dignity and the presupposition of equality, before taking a close-up look at the role of nonviolence in today's world. Students of politics, peace studies, and philosophy, political activists, and those interested in the shape of current politics will find this book an invaluable source for understanding one of the most prevalent but least reflected upon political approaches of our world.

Protesteren voor beginners Lodewijk van Oord, 2025-02-25 Of het nu gaat om het klimaat, racisme, vrouwenrechten of de oorlog in Gaza, overal ter wereld gaan mensen weer de straat op om op een geweldloze manier te demonstreren. In *Protesteren voor beginners* neemt Lodewijk van Oord de lezer mee in de geschiedenis van het vreedzame verzet tegen oorlog, geweld en onrecht. De basisprincipes die de medischrijver Aristofanes in de Griekse Oudheid beschreef, blijken in de twintigste eeuwse praktijk van Mahatma Gandhi en Martin Luther King nog

even toepasbaar Hoe werkt geweldloos verzet Waarom is de ene protestbeweging succesvol en de andere niet Van Oord vraagt zich ook af waarom sommige verzetsleiders zoals Nelson Mandela wel voor geweld kozen en waarom vreedzame demonstraties soms toch ontaarden in geweld en wetteloosheid Welke rol speelt de heersende macht in dit proces En waarom is humor zo belangrijk om het protest in leven te houden Protesteren voor beginners is een prikkelend essay dat de deur opent naar een herwaardering van het recht in opstand te komen tegen onrecht en te strijden voor een vrije en rechtvaardige samenleving *Nonviolence, Peace, and Justice* Kit Christensen, 2009-12-31 This book takes a philosophical approach to questions concerning violence war and justice in human affairs It offers the reader a broad introduction to underlying assumptions values concepts theories and the historical contexts informing much of the current discussion worldwide regarding these morally crucial topics It provides brief summaries and analyses of a wide range of relevant belief systems philosophical positions and policy problems While not first and foremost a book of advocacy it is clearly oriented throughout by the ethical preference for nonviolent strategies in the achievement of human ends and a belief in the viability of a socially just and thus peaceful human future It also maintains a consistently skeptical stance towards the all too easily accepted apologies past and present for violence war and the continuation of injustice **Civility, Nonviolent Resistance, and the New Struggle for Social Justice**, 2019-11-26 In *Civility Nonviolent Resistance and the New Struggle for Social Justice* Amin Asfari brings together scholarly contributions addressing the causes of injustice in its many forms Predicated on the idea that violence and injustice are systemic and historical this collection includes chapters that examine the antecedents and effects of prejudice state sponsored violence policies of exclusion and the social forces that shape and solidify their existence Moving beyond ad hoc ahistorical and descriptive explanations of violence and injustice this volume provides a scholarly multidisciplinary approach to confronting them Contributions reflect the many ways in which injustice manifests and civil nonviolent means of engagement are emphasized challenging the very systems that give rise to these notions

Critique and Praxis Bernard E. Harcourt, 2020-08-11 Critical philosophy has always challenged the division between theory and practice At its best it aims to turn contemplation into emancipation seeking to transform society in pursuit of equality autonomy and human flourishing Yet today's critical theory often seems to engage only in critique These times of crisis demand more Bernard E Harcourt challenges us to move beyond decades of philosophical detours and to harness critical thought to the need for action In a time of increasing awareness of economic and social inequality Harcourt calls on us to make society more equal and just Only critical theory can guide us toward a more self reflexive pursuit of justice Charting a vision for political action and social transformation Harcourt argues that instead of posing the question What is to be done we must now turn it back onto ourselves and ask and answer What more am I to do Critique and Praxis advocates for a new path forward that constantly challenges each and every one of us to ask what more we can do to realize a society based on equality and justice Joining his decades of activism social justice litigation and political engagement with his years

of critical theory and philosophical work Harcourt has written a magnum opus **Routledge Handbook of Peace, Security and Development** Fen Osler Hampson, Alpaslan Özerdem, Jonathan Kent, 2020-06-04 This Handbook offers a comprehensive examination of the peace security and development nexus from a global perspective and investigates the interfaces of these issues in a context characterised by many new challenges By bringing together more than 40 leading experts and commentators from across the world the Handbook maps the various research agendas related to these three themes taking stock of existing work and debates while outlining areas for further engagement In doing so the chapters may serve as a primer for new researchers while also informing the wider scholarly community about the latest research trends and innovations The volume is split into three thematic parts Concepts and approaches New drivers of conflict insecurity and developmental challenges Actors institutions and processes For ease of use and organisational consistency each chapter provides readers with an overview of each research area a review of the state of the literature a summary of the major debates and promising directions for future research This Handbook will be of much interest to students of peace and conflict studies development studies security studies and International Relations **Revolutionary Nonviolence** Richard Jackson, Joseph Llewellyn, Griffin Manawaroa Leonard, Aidan Gnoth, Tonga Karena, 2020-03-15 Revolutionary Nonviolence Concepts Cases and Controversies provides an advanced introduction to the central philosophy ideas themes controversies and challenges of applying revolutionary nonviolence in political struggles today with a particular emphasis on reframing nonviolence through a postcolonial lens Bringing together an eminent group of researchers and activist scholars this collection focuses on a number of important questions Is a commitment to radical nonviolence a necessity for generating revolutionary change in society Should revolutionary movements abandon their reliance on political violence as a tool of change What are some of the practical and theoretical challenges of adopting revolutionary nonviolence today What can we learn from groups actors and cases of people who have used revolutionary nonviolence to struggle against injustice With a mix of theoretical and case study based chapters the volume explores these and other important questions about how to generate necessary and lasting revolutionary change today **The ^ALegacy of Ronald Dworkin** Wil Waluchow, Stefan Sciaraffa, 2016-04-25 This book assembles leading legal political and moral philosophers to examine the legacy of the work of Ronald Dworkin They provide the most comprehensive critical treatment of Dworkin s accomplishments focusing on his work in all branches of philosophy including his theory of value political philosophy philosophy of international law and legal philosophy *The ^AOxford Handbook of Peacebuilding, Statebuilding, and Peace Formation* Oliver P. Richmond, Gëzim Visoka, 2021-05-31 Peacebuilding and statebuilding is one of the main approaches for preventing managing and mitigating global insecurities dealing with the humanitarian consequences of civil wars and expanding democracy and neoliberal economic regimes Peace formation is a relatively new concept addressing how local actors attempt to shape or work in parallel to international and national projects The Oxford Handbook of Peacebuilding Statebuilding and Peace Formation

serves as an essential guide to this vast intellectual landscape It offers a systematic overview of conceptual foundations political implications and tensions at the global regional and local levels as well as key policies practices examples and discourses underlining all segments of peacebuilding and statebuilding
