NORMAN MAILER

Revisited

ROBERT MERRILL

Norman Mailer Revisited

James P. MacGuire

Norman Mailer Revisited:

Norman Mailer Revisited Robert Merrill, 1992 Three common assumptions about Mailer are that his ideas are more interesting than his art his personality is more interesting than anything he has written and his substantial literary gift has been squandered on works that fail precisely because Mailer is too little the conscious artist By focusing on literary structure and narrative form rather than theme and the influence of Mailer's personal biography Merrill provides a basis for distinguishing Mailer's most successful work from his frequent failures and for comparing Mailer's creative output with that of his contemporaries Merrill addresses the gamut of Mailer's literary intentions over the 40 odd years of his career from trivial publicizing to serious contemplation of world shaking issues He recognizes Mailer's uneven accomplishment ranging from almost unreadable pontification to well shaped considered works such as *The Naked and the Dead* *The Deer Park* *Armies of the Night* and *The Executioner's Song* [Real Lace Revisited](#) James P. MacGuire, 2017-03-15 Here is a revisitation part tribute part update of Stephen Birmingham's much loved *Real Lace* James P MacGuire a member of one of Birmingham's Irish Families creates his own entertaining portrait of life among the Irish Rich further detailing and filling out this engrossing portion of America's social history *Real Lace Revisited* chronicles the religious financial and social evolution of the First Irish Families world its rise peak decline fall and in some cases transformative rebirth Rather than a memoir however the book reads as an informed historical non fiction account of the upper class Irish world as it grew and changed *Real Lace Revisited* is always accessible and highly readable enlivened by MacGuire's gift for storytelling encyclopedic knowledge and often humorous insight into the families concerned *The Story Is True, Second Edition, Revised and Expanded* Bruce Jackson, 2022-10-01 In *The Story Is True* folklorist filmmaker and professor of English Bruce Jackson explores the ways we use the stories that become a central part of our public and private lives Describing and explaining how stories are made and used Jackson examines how stories narrate and bring meaning to our lives Jackson writes about his family and friends acquaintances and experiences focusing on more than a dozen personal stories From oral histories to public stories such as what happened when Bob Dylan went electric at the 1965 Newport Folk Festival Jackson gets at how the truth is constantly shifting depending on the perspective memory and social meaning that is ascribed to various events both real and imaginary The book is ideal for students and writers of oral history and storytelling but goes beyond those topics to encompass how we interpret and understand the real life stories that we encounter in our daily experience This edition includes new sections on how stories are related to historical facts and new chapters on contemporary films expanding the discussion of visual storytelling and on conspiracy narratives and Trump's Big Lie Fresh examples tie together new material with the existing stories *Narcissus Revisited* Scott Duguid, 2017 [American Naturalistic and Realistic Novelists](#) Edd C. Applegate, 2001-11-30 Realistic writers seek to render accurate representations of the world and their novels contain authentic details and descriptions of their characters and settings Like Realistic authors Naturalistic ones

similarly try to portray the world accurately but they tend to depict the darker side of life Realism was born in Europe in the nineteenth century and soon became popular in the United States while Naturalism became prominent at the beginning of the twentieth century Both traditions have continued in one form or another to the present day and Realistic and Naturalistic novelists include some of America's most significant authors such as Sherwood Anderson Saul Bellow Ambrose Bierce Willa Cather Theodore Dreiser Ralph Ellison and Jack London This reference includes biographical and critical entries for more than 120 American Naturalistic and Realistic novelists An introductory essay discusses the history of the Realistic and Naturalistic traditions points to the difficulty of defining them and surveys the many authors who have been associated with the two movements The entries that follow are arranged alphabetically to facilitate use Each includes basic biographical information and a narrative overview of the writer's educational background professional career and published works The writer's works are briefly discussed in relation to the Realistic and Naturalistic traditions Entries include primary and secondary bibliographies and the volume closes with a list of works for further reading

Encyclopedia of the Essay Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies

Conversations with Jim Harrison, Revised and Updated Robert DeMott, 2018-12-18 Conversations with Jim Harrison Revised and Updated offers a judicious selection of interviews spanning the writing career of Jim Harrison 1937-2016 from its beginnings in the 1960s to the last interview he gave weeks before his death in March 2016 Harrison labeled himself and lived as a quadra schizoid writer He worked in fiction poetry nonfiction and screenwriting and he published more than forty books that attracted an international following These interviews supply a lively narrative of his progress as a major contemporary American author This collection showcases Harrison's pet peeves his candor and humility his sense of humor and his patience He does not shy from his authorial obsessions especially his efforts to hone the novella for which he is considered a contemporary master or the frequency with which he defied polite narrative conventions and created memorable resolute female characters Each conversation attests to the depth and range of Harrison's considerable intellectual and political preoccupations his fierce social and ecological conscience his aesthetic beliefs and his stylistic orientations in poetry and prose

The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set Brian W. Shaffer, 2011-01-18 This Encyclopedia offers an indispensable reference guide to twentieth century fiction in the English language With nearly 500 contributors and over one million words it is the most comprehensive and authoritative reference guide to twentieth century fiction in the English language Contains over 500 entries of 1000-3000 words written in lucid

jargon free prose by an international cast of leading scholars Arranged in three volumes covering British and Irish Fiction American Fiction and World Fiction with each volume edited by a leading scholar in the field Entries cover major writers such as Saul Bellow Raymond Chandler John Steinbeck Virginia Woolf A S Byatt Samuel Beckett D H Lawrence Zadie Smith Salman Rushdie V S Naipaul Nadine Gordimer Alice Munro Chinua Achebe J M Coetzee and Ng g Wa Thiong o and their key works Examines the genres and sub genres of fiction in English across the twentieth century including crime fiction Sci Fi chick lit the noir novel and the avant garde novel as well as the major movements debates and rubrics within the field such as censorship globalization modernist fiction fiction and the film industry and the fiction of migration diaspora and exile

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer s current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

The Looked After Kid, Revised Edition Paolo Hewitt, 2014-10-21 Placed in care at a very early age Paolo Hewitt went to live with a foster family where he endured extreme abuse and humiliation Following years of abuse he was sent to Burbank children s home at the age of ten where he met a gang of children Like him they were outsiders struggling to find their place in the world Paolo paints a vivid picture of his coming of age in the children s home of bruising fights failed love brushes with the law and enduring friendships and describes how his salvation eventually comes through his passion for music and literature Gripping and perceptive The Looked After Kid is a testament to the resilience of children who go to sleep at night believing the world to be a dark and terrible place but wonderfully emerge from the darkness to shine their lights on all
