North Korea A Bare Bones History:

Japan's Relations with North Korea and the Recalibration of Risk Ra Mason, 2014-04-29 North Korea's contemporary relations with Japan have been fraught with tension. Tactics employed by Pyongyang have included abductions of Japanese citizens, missile launches over Japanese territory, intrusions into Japanese sovereign waters, and nuclear tests in defiance of Japanese and international condemnation. In light of the security risk the DPRK poses, this book examines how the state, market, and society in Japan have framed North Korea as a salient evil and have in turn constructed and manipulated the risks posed by their neighbour. Using the example of Japan's post-Cold War responses to North Korea, this book studies the concept of risk in international relations and its interactive relationship with domestic civil society. It focuses on how security risks are identified and re-evaluated by policy makers, mass media, and civil society stakeholders, and in doing so disentangles the complex processes by which Japan has framed and recalibrated risks in response to the DPRK. By exploring how risks identified with Pyongyang's behaviour towards Japan have been mediated between the state, market, and society via mainstream discourse in Japan, Ra Mason highlights the way in which these processes are causally linked to key actors' conceptions of risk. Indeed, this book provides an original theoretical framework distinguishing between risk and traditional threat perceptions through which to address issues of national security and identity, as well as the norms which inform them. **Soviet**

Administrative Law: Theory and Policy George Ginsburgs, Ger P. van den Berg, Gianmaria Ajani, William B.

Simons, 2024-12-30 **North Korea/South Korea** John Feffer, 2011-01-04 The Korean peninsula, divided for more than fifty years, is stuck in a time warp. Millions of troops face one another along the Demilitarized Zone separating communist North Korea and capitalist South Korea. In the early 1990s and again in 2002-2003, the United States and its allies have gone to the brink of war with North Korea. Misinterpretations and misunderstandings are fueling the crisis. There is no country of comparable significance concerning which so many people are ignorant. American anthropologist Cornelius Osgood said of Korea some time ago: 'This ignorance may soon have fatal consequences.' North Korea/South Korea is a short, accessible book about the history and political complexities of the Korean peninsula, one that explores practical alternatives to the current US policy alternatives that build on the remarkable and historic path of reconciliation that North and South embarked on in the 1990s and that point the way to eventual reunification. *The History of the United Nations Forces in the Korean War* Korea (South). Chōnsa P'yŏnch'an Wiwŏnhoe, 1972 **So the Arrow Flies** Esther K. Chae, 2014-08-28 **SO THE ARROW FLIES** is a political thriller about an alleged North Korean spy and the FBI agent who interrogates her. *Five Seasons in Seoul* Christine Newell, 2025-02-25 Christine thought a year in South Korea would hit the pause button on her messy life. Her dad's death had left her anxious and depressed, and her career in musical theatre had reached a new low of shopping centre kids.

shows When she found herself pulled over by the side of the road dressed as a dinosaur and sobbing uncontrollably it was clear something had to change A role with an experimental theatre company based in Seoul seemed the perfect way to put off dealing with her problems at least for a year But she soon found there s no running away from yourself Travelling through South Korea immersing herself in its culture and shifting her mindset along with the seasons Christine discovered that sometimes the place you go to escape your life can hold the answers for how to heal it A heartfelt sumptuous journey through one of the most fascinating cultures and landscapes on the planet Five Seasons in Seoul is for armchair travellers and memoir lovers alike

A History of Korea Kyung Moon Hwang,2021-11-30 Dynamic and meticulously researched A History of Korea continues to be one of the leading introductory textbooks on Korean history Assuming no prior knowledge Hwang guides readers from early state formation and the dynastic eras to the modern experience in both North and South Korea Structured around episodic accounts each chapter begins by discussing a defining moment in Korean history in context with an extensive examination of how the events and themes under consideration have been viewed up to the present day By engaging with recurring themes such as collective identity external influence social hierarchy family and gender the author introduces the major historical events patterns and debates that have shaped both North and South Korea over the past 1500 years This textbook is essential reading for undergraduate and postgraduate students of Korean or Asian history The first half of the book covers pre 20th century history and the second half the modern era making it ideal for survey courses

Coalition Air Warfare in the Korean War, 1950-1953 Air Force Historical Foundation. Symposium,2005 In commemoration of the fiftieth anniversary of the Korean War the official history offices of the U S Army Navy Marine Corps and Air Force and their respective historical associations collaborated to sponsor as comprehensive a symposium as possible including as participants some of the coalition partners who contributed forces and weapons to the war The intent of this symposium titled Coalition Air Warfare during the Korean War 1950 1953 was to focus not only on the contributions made by the armed forces of the United States but also on those of America s allies The diverse group of panelists and speakers included not only scholars with subject matter expertise but also veteran soldiers sailors and airmen who had served in that conflict It was hoped that the melding of these diverse perspectives would provide interesting if sometimes conflicting views about the Korean War The symposium organizers designated an agenda of six specific panels for investigation including Planning and Operations Air Superiority Air Support of Ground Forces Air Interdiction and Bombardment Air Reconnaissance and Intelligence and Logistical Support of Air Operations Each session began with commentary by the panel chairman which was followed by formal papers and in some instances included a lively question and answer session The papers and most of the proceedings found their way into print and are recorded here in an effort to permanently capture the activities challenges contributions and heroics of the coalition air forces and the airmen who fought during the Korean conflict
