Not God A History Of Alcoholics Anonymous:

Not God Ernest Kurtz, 2010-03-26 A fascinating account of the discovery and program of Alcoholics Anonymous *Not God* contains anecdotes and excerpts from the diaries correspondence and occasional memoirs of AA's early figures The most complete history of AA ever written this book is a fast moving and authoritative account of the discovery and development of the program and fellowship that we know today as Alcoholics Anonymous De drang Carl Erik Fisher, 2022-09-23 Hoewel allerlei vormen van verslaving meer dan ooit de samenleving ondermijnen verschillen deskundigen nog altijd van mening over de fundamentele aard van verslaving en de beste behandelmethode In dit boek put Carl Erik Fisher uit zijn eigen ervaring als klinisch psychiater onderzoeker en herstellend alcoholist afkomstig uit een familie die al generaties lang worstelt met verslavingen Hij ontdekte dat het moeras waarin hij verkeerde slechts een herhaling was van een eeuwenoud verhaal Met veel empathie en eruditie schetst Fisher een prikkelende cultuurgeschiedenis van verslavingsgedrag Een fenomeen zo oud als de mensheid dat we vele eeuwen later nauwelijks beter begrijpen **The James Club and the Original A. A.**

Programs Absolute Essentials Dick B., 2011-07-26 For years AA has quietly acknowledged primarily through one publication that the early AA pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible AA cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus's Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul's famous chapter on love You can find the foregoing remarks in AA's DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob's wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the AA fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the AA pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B's The James Club title before him He can study each of the three parts digest their messages compare with the AA program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of AA The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God's wisdom without doubting He speaks of temptation as the

enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise The Greatest Thing in the World

Why Can't Church Be More Like an AA Meeting?

Stephen R. Haynes, 2021-10-26 Do Christians need recovery Or is recovery something needed by the church itself Addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else But because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction Christians tend to seek recovery from these conditions in Twelve Step fellowships Once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can t church be more like an AA meeting Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve Step fellowships Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity He shows that while AA eventually separated from the Christian parachurch movement out of which it emerged it retained aspects of Christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability Haynes encourages Christians to reclaim these distinctive elements of the Twelve Step movement in the process of recovering church He argues that this process must begin with he calls Step 0 which as he knows from personal experience can be the hardest step the admission that despite appearances we are not fine

Macht der gewoonte Charles Duhigg, 2019-08-15 Een gewoonte voltrekt zich in onze hersenen in niet meer dan drie stappen de aansporing ik heb een vieze smaak in mijn mond gevolgd door de routinehandeling ik neem een kauwgommetje resulterend in de beloning dat is lekker fris Je bewust worden van dit proces is een sleutel tot succes op vele gebieden het kan de productiviteit op je werk verhogen en je creativiteit vergroten
