Not June Cleaver Not June Cleaver:

Not June Cleaver Joanne Jay Meyerowitz, 1994 In the popular stereotype of post World War II America women abandoned their wartime jobs and contentedly retreated to the home This work unveils the diversity of postwar women showing how far women departed from this one dimensional image **The Cambridge History of the Cold War** Melvyn P. Leffler, Odd Arne Westad, 2010-03-25 This volume examines the origins and early years of the Cold War in the first comprehensive historical reexamination of the period A team of leading scholars shows how the conflict evolved from the geopolitical ideological economic and sociopolitical environments of the two world wars and interwar period Their Own Best Creations Annie Berke, 2022-01-04 A rich account that combines media industry history and cultural studies Their Own Best Creations looks at women writers contributions to some of the most popular genres of postwar TV comedy variety family sitcom daytime soap and suspense anthology During the 1950s when the commercial medium of television was still being defined women writers navigated pressures at work constructed public personas that reconciled traditional and progressive femininity and asserted that a woman's point of view was essential to television as an art form The shows they authored allegorize these professional and personal pressures and articulate a nascent second wave feminist consciousness Annie Berke brings to light the long forgotten and under studied stories of these women writers and crucially places them in the historical and contemporary record *The Queer Fantasies of the American Family Sitcom* Tison Pugh, 2018-02-27 Winner of the 2019 John Leo and Dana Heller Award for the Best Work in LGBTQ Studies from the PCA The Queer Fantasies of the American Family Sitcom examines the evasive depictions of sexuality in domestic and family friendly sitcoms Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power as a kind of camouflage and as a foundation for family building The book examines how queerness at first latent became a vibrant yet continually conflicted part of the family sitcom tradition Taking into account elements such as the casting of child actors the use of and experimentation with plot traditions the contradictory interpretive valences of comedy and the subtle subversions of moral standards by writers and directors Pugh points out how innocence and sexuality conflict on television As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family television history reveals a deeper queerer vision of family bonds Download open access ebook here *Airborne Dreams* Christine R. Yano, 2011-01-25 An account of Pan Am's Nisei stewardess program 1955 1972 through which the airline hired Japanese American and later other Asian and Asian American stewardesses ostensibly for their Asian language skills Wives, Mothers & the Red Menace Mary Brennan, 2011-05-18 In Wives Mothers and the Red Menace Mary Brennan examines conservative women's anti communist activism in the years immediately after World War II Brennan details the actions and experiences of prominent anti communists Jean Kerr McCarthy Margaret Chase Smith Freda Utey Doloris Thauwald Bridges Elizabeth Churchill Brown and Phyllis Stewart Schlafly She describes the Cold War context in which these

women functioned and the ways in which women saw communism as a very real danger to domestic security and American families Millions of women Brennan notes expanded their notions of household responsibilities to include the crusade against communism From writing letters and hosting teas to publishing books and running for political office they campaigned against communism and incidentally discovered the power they had to effect change through activism Brennan reveals how the willingness of these deeply conservative women to leave the domestic sphere and engage publicly in politics evinces the depth of America's postwar fear of communism She further argues that these conservative anti communist women pushed the boundaries of traditional gender roles and challenged assumptions about women as political players by entering political life to publicly promote their ideals *Wives Mothers and the Red Menace* offers a fascinating analysis of gender and politics at a critical point in American history Brennan's work will instigate discussions among historians political scientists and scholars of women's studies

Babysitter Miriam Forman-Brunell, 2009-07-26 On Friday nights many parents want to have a little fun together without the kids But getting a sitter especially a dependable one rarely seems trouble free Will the kids be safe with that girl It's a question that discomfited parents have been asking ever since the emergence of the modern American teenage girl nearly a century ago In *Babysitter* Miriam Forman Brunell brings critical attention to the ubiquitous yet long overlooked babysitter in the popular imagination and American history Informed by her research on the history of teenage girls culture Forman Brunell analyzes the babysitter who has embodied adults fundamental apprehensions about girls pursuit of autonomy and empowerment In fact the grievances go both ways as girls have been distressed by unsatisfactory working conditions In her quest to gain a fuller picture of this largely unexamined cultural phenomenon Forman Brunell analyzes a wealth of diverse sources such as *The Baby Sitter's Club* book series horror movies like *The Hand That Rocks the Cradle* urban legends magazines newspapers television shows pornography and more Forman Brunell shows that beyond the mundane understandable apprehensions stirred by hiring a caretaker to mind the children in one's own home babysitters became lightning rods for society's larger fears about gender and generational change In the end experts efforts to tame teenage girls with training courses handbooks and other texts failed to prevent generations from turning their backs on babysitting
