But the young bride can't help but wonder what exactly is in store for her in the marriage bed. According to her mother and Jane, not anything good. The more experienced women order Lizzy to close her eyes, count to 100 or 50. In Bingley's case, and it will be over. Mr. Darcy is horrified when he discovers this advice. He vows to teach Elizabeth a new way to count. Unfortunately, it feels as if the universe is conspiring against them. A broken axle, an awful inn, thunderstorms, and bickering valets and maids all interrupt the couple. Will Darcy ever be able to truly show Elizabeth how beautiful the union between a man and woman can be? Though facing so many disasters, does it have its advantages? Elizabeth slowly opens to Darcy until she is craving their union as much as he does. But how many post-wedding disasters can one couple stand? Our dear couple is starting to lose count. Elizabeth Bennet scorns the idea of love at first sight until it happens to her, and happiness seems inevitable until challenges from all sides see fit to intervene. Battling the cautious objections of family and friends and the selfish interference of those who will stop at nothing to part this particular happy couple, can love triumph for Lizzy and Mr. Darcy?

Suitably Wed Meg Osborne, 2017-09-30 Does marrying for convenience mean that love is ever out of the question Mr Darcy and Elizabeth Bennet have decided to marry for the most pragmatic of reasons so that they might each avoid being forced into less amiable matches In Elizabeth's case the marriage is welcomed with open arms by her family who happily forsake Mr Collins of Hunsford for Mr Darcy of Pemberley yet in selecting Elizabeth for his bride Darcy has succeeded in utterly alienating Lady Catherine de Bourgh His cousins rally to his defence but the marriage is beset by challenge and once it becomes apparent that at least one party feels rather more strongly than they admitted the practicality of the match is called into question Can this couple acknowledge their true affection for each other once they are married in a way they could not beforehand Lizzy's happy future with Mr Darcy is blighted only by the realisation that her sister Jane is miserable Mr Bingley has suddenly departed Hertfordshire for London and the match that seemed the most natural is all but abandoned Elizabeth places the blame for her sister's heartbreak on Mr Bingley's shoulders but is there another person behind the separation
