Book *Ballad Darcy* Peter Fitzsimons:

The Ballad of Les Darcy Peter FitzSimons, 2010-06-01 An Australian hero torn between family and country Put Les Darcy in a uniform and the men of Australia will march to hell behind him that was the message trained on Australia's great Blacksmith Boxer as debate about conscription raged in the middle of World War I the problem was that Les Darcy didn't want to march at the fore of such a procession nor to such a destination He wanted to continue what he had been doing to extraordinary acclaim before the war began taking on the best boxers the world could throw at him and lifting his entire family out of poverty as he did so torn between the duty he felt he owed his family and the duty many felt he owed his country Les made his choice and faced the consequences And so unfolds a ballad of love war betrayal mystery patriotism and heroism a ballad of a champion whose story still has the power to move the stoniest heart *Gallipoli* Peter

FitzSimons, 2015-01-15 On 25 April 1915 Allied forces landed on the Gallipoli Peninsula in present day Turkey to secure the sea route between Britain and France in the west and Russia in the east After eight months of terrible fighting they would fail To this day Turkey regards the victory as a defining moment in its history a heroic last stand in the defence of the Ottoman Empire But counter intuitively it would come to signify something perhaps even greater for the defeated allies in particular the Australians and New Zealanders the birth of their countries sense of nationhood Now in the year that marks its centenary the Gallipoli campaign commemorated each year on 25 April Anzac Day resonates with significance as the origin and symbol of Australian and New Zealand identity As such the facts of the campaign which was minor when compared to the overall scale of the First World War Australian deaths were less than a sixth of their losses on the Western Front are often forgotten or obscured Now the celebrated journalist and author Peter FitzSimons with his trademark vibrancy and expert melding of writing and research recreates the disastrous campaign as experienced by those who endured it or perished in the attempt

Every Assistance & Protection Jane Doulman, David Lee, 2008 Every Assistance and Protection is the first book presenting an in depth history of the Australian passport In charting the development of the passport from its early beginnings to its present form the book traverses changes in government policy and social history from the early 19th century to the modern era It shows how the Australian passport evolved from a signifier of British nationality into a badge of membership of one of the most multicultural countries in the world The book explores the landmark events in this history the great 19th century diasporas resulting from relaxation of official controls on the movement of people the early passport regime regulating the movement of ticket of leave convicts the establishment of the centralised passport system during World War I the enactment of the first passport legislation for the Commonwealth The Passports Act 1920 and the reaction of some Australians who felt the new law infringed the liberties of the British subject changes to the laws in 1938 such that possession of a passport was no longer mandatory for an Australian to travel though still a practical necessity the use of the government's discretionary power to cancel or withhold passports to inhibit the movement of individual communists the

establishment of Australian citizenship in 1948 the basis for possession of an Australian passport the removal of the word British from the cover in 1967 the effects of globalisation and heightened security in the late 20th and early 21st century It also touches on the lives of individuals boxer Les Darcy journalist Wilfred Burchett and General Sir Thomas Blamey are among the many Australians featuring in these pages The book is based on an exhaustive examination of hitherto unexamined primary sources of many government departments including the Departments of External Affairs the Prime Minister s the Attorney General s Defence Home and Territories Immigration and Foreign Affairs Sponsored by Department of Foreign Affairs and Trade The Bulletin ,2007 **Hustling Hitler** Walter Shapiro,2016-06-14 From acclaimed journalist Walter Shapiro the true life story of how his great uncle a Jewish vaudeville impresario and exuberant con man managed to cheat Hitler s agents in the run up to WWII All his life journalist Walter Shapiro assumed that the outlandish stories about his great uncle Freeman were exaggerated family lore some cockamamie Jewish revenge fantasies dreamt up to entertain the kids and venerate their larger than life relative Only when he started researching Freeman Bernstein s life did he realize that his family was actually holding back the man had enough stories vocations and IOUs to fill a dozen lifetimes Freeman was many people a vaudeville manager boxing promoter stock swindler card shark and self proclaimed Jade King of China But his greatest title perhaps the only man who can claim such infamy was as The Man Who Hustled Hitler A cross between The Night They Raided Minsky s and Guys and Dolls Freeman Bernstein s life was itself an old New York sideshow extravaganza one that Shapiro expertly stages in Hustling Hitler From a ragtag childhood in Troy New York Shapiro follows his great uncle s ever crooked trajectory through show business from his early schemes on the burlesque circuit to marrying his star performer May Ward and producing silent films released only in Philadelphia Of course all of Freeman s cons and schemes were simply a prelude to February 18 1937 the day he was arrested by the LAPD outside of Mae West s apartment in Hollywood The charge Grand larceny for cheating Adolf Hitler and the Nazi government In the capstone of his slippery career Freeman had promised to ship thirty five tons of embargoed Canadian nickel to the Führer when the cargo arrived the Germans found only huge useless quantities of scrap metal and tin It was a blow to their economy and war preparations and Hitler did not take the bait and switch lightly Told with cinematic verve and hilarious perspective Hustling Hitler is Shapiro s incredible investigation into the man behind the myth By reconstructing his great uncle s remarkable career Shapiro has transformed Freeman Bernstein from a barely there footnote in history to the larger than life eternal hustler who forever changed it **Batavia** Peter FitzSimons,2011-03-01 a book that can t be put down Toowoomba Chronicle FitzSimons knows how to make words race like eager sled dogs on their homeward run Newcastle Herald The Shipwreck of the Batavia combines in just the one tale the birth of the world s first corporation the brutality of colonisation the battle of good vs evil the derring do of sea faring adventure mutiny ship wreck love lust blood lust petty fascist dictatorship criminality a reign of terror murders most foul sexual slavery natural nobility survival retribution rescue first contact with native peoples and so

much more Described by author Peter FitzSimons as a true Adults Only version of Lord of the Flies meeting Nightmare on Elm Street the story is set in 1629 when the pride of the Dutch East India Company the Batavia is on its maiden voyage en route from Amsterdam to the Dutch East Indies laden down with the greatest treasure to leave Holland The magnificent ship is already boiling over with a mutinous plot that is just about to break into the open when just off the coast of Western Australia it strikes an unseen reef in the middle of the night While Commandeur Francisco Pelsaert decides to take the long boat across 2000 miles of open sea for help his second in command Jeronimus Cornelisz takes over quickly deciding that 250 people on a small island is unwieldy for the small number of supplies they have Quietly he puts forward a plan to 40 odd mutineers how they could save themselves kill most of the rest and spare only a half dozen or so women including his personal fancy Lucretia Jansz one of the noted beauties of Holland to service their sexual needs A reign of terror begins countered only by a previously anonymous soldier Wiebbe Hayes who begins to gather to him those are prepared to do what it takes to survive hoping against hope that the Commandeur will soon be coming back to them with the rescue yacht It all happened long ago and it is for a very good reason that Peter FitzSimons has long maintained that this is far and away the greatest story in Australia s history if not the world s FitzSimons unique writing style has made him the country s best selling non fiction writer over the last ten years and he is perfect man to make this bloody chilling stunning tale come alive
