Come and Die: Dying to Self and Living for Christ, A Book on Christian Discipleship Joshua West,2021-10-12 In today s Church we see the world beginning to filter in as people bend to the pressures of this life But in the Scriptures Jesus calls us to do something radical to come and die As we die to our flesh we will live with the eternal reward found only in Him But what does that kind of death look like In Come and Die Pastor Joshua West explores the Scriptures and extrapolates verses to show just what Christ means when He tells His followers to take up your cross and follow Me Are you brave enough to accept His call or will you continue to live this shallow empty life that holds no eternal meaning or reward

Heaven's Keep William Kent Krueger,2009-09 Fiction Mystery Suspense Thriller Intrepid hero Cork O Connor faces the most harrowing mission of his life when a charter plane carrying his wife Jo

goes missing in a snowstorm over the Wyoming Rockies Months after the tragedy two women show up on Cork's doorstep with evidence that the pilot of Jo's plane was not the man he claimed to be It may not be definitive proof but it's a ray of light in the darkness Agreeing to investigate Cork travels to Wyoming where he battles the interference of local law enforcement who may be on the take the open hostility of the Northern Arapaho who have much to lose if the truth is known and the continuing attempts on his life by assassins who shadow his every move At the center of all the danger and deception lies the possibility that Jo's disappearance was not the end of her that somewhere along the labyrinthine path of his search maybe even in the broad shadow of Heaven's Keep itself Cork will find her alive and waiting for him The Revelation Rainbow

Charles Walter Doughty, 2016-07-19 This book Revelation Rainbow is the end of a forty year quest by the author to find answers to the questions generated by Biblically un-informed scholarship that shrouds rather than unveils the great truths of this Holy Spirit directed work of our Lord Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset instead of a Spirit-led mindset Instead of looking at Revelation as The Divine apocalypse they try to humanize and literalize the book as a study of human secular history leaving the student with a complicated scheme of things that do not make sense Having met these students Mr Doughty was greatly distressed to see them turn from God's Word especially Revelation altogether Subjects like the Antichrist Millennium Mark of the Best Rapture Tribulation and Left Behind are just some of the end time twists causing confusion **Has Christianity Failed**

You? Ravi Zacharias, 2010-07-06 In 2006 Ravi Zacharias International Ministries RZIM held an open forum at the Fox Theater in Atlanta to address the subject Has Christianity Failed You Tickets were sold for the event and to the complete surprise of everyone the event was sold out with a capacity crowd of over 5 000 People lined up offering to buy tickets from folks in line for higher prices Before the event an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time One answered that because of a Christian's rejection of his gay lifestyle he had done just that Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church Others had their own reasons Some said it was just intellectually untenable in an age of reason They chose to come to the event to judge if there were adequate answers It is estimated that for every one person who writes a letter or attends an event there are one thousand who agree If the Atlanta crowd was any indication the question is real and troubling Why is it that many live with silent doubt many leaving the evangelical fold for something else Is there something wrong with the message the communicator the hearer or is it all three It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing In fact the son of a prominent US Senator phoned me with that very question Why has God made it so hard to believe in Him Such skepticism is not just representative of the hostile it also represents many honest questioners This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so

More to the point Why it is actually so hard to deny God and still make sense out of life In the end the answers should be both felt and real with the added truth that God is nearer than you think He desires that we sense Him very near to us and not distant But closeness comes at a cost just as any relationship of love and commitment does **The Book of Lost Friends**

Lisa Wingate, 2020-04-07 NEW YORK TIMES BESTSELLER From the bestselling author of Before We Were Yours comes a dramatic historical novel of three young women searching for family amid the destruction of the post Civil War South and of a modern day teacher who learns of their story and its vital connection to her students lives An absorbing historical enthralling Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual Lost Friends advertisements that appeared in Southern newspapers after the Civil War as newly freed slaves desperately searched for loved ones who had been sold away Louisiana 1875 In the tumultuous era of Reconstruction three young women set off as unwilling companions on a perilous quest Hannie a freed slave Lavinia the pampered heir to a now destitute plantation and Juneau Jane Lavinia s Creole half sister Each carries private wounds and powerful secrets as they head for Texas following roads rife with vigilantes and soldiers still fighting a war lost a decade before For Lavinia and Juneau Jane the journey is one of stolen inheritance and financial desperation but for Hannie torn from her mother and siblings before slavery s end the pilgrimage west reignites an agonizing question Could her long lost family still be out there Beyond the swamps lie the limitless frontiers of Texas and improbably hope Louisiana 1987 For first year teacher Benedetta Silva a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt until she lands in a tiny out of step Mississippi River town Augustine Louisiana is suspicious of new ideas and new people and Benny can scarcely comprehend the lives of her poverty stricken students But amid the gnarled live oaks and run down plantation homes lie the century old history of three young women a long ago journey and a hidden book that could change everything **The Logic of Mysticism**

Ermanno Bencivenga, 2025-02-24 This book reconciles the worlds of mysticism and logic building on the author s previous groundbreaking work in oceanic logic Historically the seemingly distinct domains of mysticism and logic have been viewed through a narrow lens through which logic and mysticism have been considered fundamentally separate from each other The author expands on this concept and argues that logic can be understood in a broader sense The book reveals that mystics engage in rigorous reasoning and their writings provide fertile ground for the advancement of logical discourse The text references insights from the fifth century B C through the Middle Ages to the present day offering a compelling argument for the harmonious integration of logic and mysticism It challenges conventional wisdom and opens new avenues for understanding the depths of human thought making it of great interest to those interested in philosophical logic as well as history of science
