Yoga Chriselda Barretto,2019-12-05 Hi I am Chriselda a writer poet speaker and an art lover I have always loved art in all of its forms but painting sketching is the one that resonates with me the most Through my childhood I remember my mother inscribing me and my sketches for loads of competitions some of which I won but it wasn t the prize that interested me but the joy and calm I got from scribbling my personal art on paper And then life happened where I developed my professional skills and spent nearly all of my time growing and working on my career and I forgot about this little gem that I had hidden in my subconscious Luckily enough somehow I was given the opportunity to rediscover this latent passion of mine and with it its gentle power of peace and serenity Studies are now proving that colouring has the ability to relax the fear center of your brain the amygdala It induces the same state as meditating by reducing the thoughts of a restless mind This generates mindfulness and quietness which allows your mind to get some rest and calm down after a long and stressful day at work I have devoted many beautiful relaxing hours creating this series of colouring books that I am so

happy to share with all of you All of the designs patterns have been hand drawn and you will find my unique style running through all of them I wish you many enjoyable engaging hours of colouring my books Abstracts Fashion Statements Sceneries Christmassy Mudras Movement while I gladly work on some more Join me in spreading some positive happy and peaceful vibes but most importantly Have fun
