Proof Finding Freedom Through The Intoxicating Joy Of Irresistible Grace:

PROOF Daniel Montgomery, Timothy Paul Jones, 2014-05-27 It s time to open your eyes to the freeing power of authentic grace grace that releases us from trying to earn God s favor grace that enables us to rest in the finished work of Christ grace that liberates from the tyranny of trying to please others That s what the theology of Martin Luther and John Calvin did in their own day for the people around them Time magazine recently dubbed Calvinism as one of the top ten ideas changing the world right now And yet most of these discussions center on the issue of predestination or on whether particular people agree with the five points of Calvinism Daniel Montgomery and Timothy Paul Jones think it s time to rescue the theology of the Reformers from such stale scholasticizing and to declare anew the dangerous and intoxicating joy of the gospel that they proclaimed PROOF stands for planned grace resurrecting grace outrageous grace overcoming grace and forever grace The authors offer proof of God s grace upon which people can stand against the attacks of legalism that have led many of God s people to lose sight of the freedom and joy of the gospel And this proof is intoxicating it s like a 200 proof drink that will leave you spiritually staggering at its effect on your life God s grace not only declares us not guilty in his presence it changes our relationship with God forever

Bragging Rights Taiwo Oyadiran, 2019-03-16 God forbid that I

should glory save in the cross of our Lord Jesus Christ is the way Paul concluded his letter to the Galatians maintaining that putting the Christian under the Law or human effort to attain God's approval or righteousness is a negation not just a relegation of faith in Christ. He saw it as a matter of eternal consequences and was unapologetic in his rebuke of them. We brag only on the Cross of Calvary not on our efforts not on our tithing not on our activities or performance. We do not lay claim to anything other than the finished work of our Lord knowing that depending on our own work and efforts is falling from grace. This book aims to be reenactment enough of Paul's Spirit-led apoplexy to remind the Christian that he is the Israel of God that the Promise to Abraham was in Christ. Christ the end of the Law. We stand justified only by faith. Abraham a paradigm natural Israel but a parable illustrating the failure of the Law and the futility of human effort to attain God's righteousness.

Graciousness John Crotts, 2018-01-15 Sometimes we have important things to say to other Christians but if we deliver our message ungraciously they won't benefit from it. Author John Crotts points out that God cares about how we say what we say. It is not enough always to say the truth; you must also say the truth in love. In *Graciousness* the author addresses Christians who are zealous for God's truth yet struggle to communicate it graciously in a loving way. Filled with practical instruction and wise insights, this book includes a biblical description of graciousness with a look at positive examples and commands from the Bible and methods for cultivating graciousness in various areas of the Christian life. Be equipped to speak the truth in love.

Are Christians Mormon? David L. Paulsen, Hal R. Boyd, 2017-05-08 In the past scholars and others have asked whether Mormons are Christian. This work reverses the question by asking are Christians Mormon. By identifying Mormon doctrines formerly considered heretical and documenting how these doctrines have gained increasing acceptance within mainstream Christian theologies, the work presents some surprising insights. In chapters focusing on subjects such as deification, the divine feminine, and the reopening of the scriptural canon, among others, the book sets out Joseph Smith's teachings on these ideas, summarizes the criticisms of those positions, and examines trends in contemporary Christian theology that significantly converge in Joseph's direction. Exploring the convergence of contemporary Christian theology with Mormon doctrines, this book will appeal to a broad range of students and readers exploring Christian theology and the Latter-day Saint tradition.

Christian Theology Adam Harwood, 2022-10-19 The church has been entrusted with God's revelation and to steward the word of truth we must confess the Bible's teaching with clarity and conviction. Adam Harwood's *Christian Theology* is both biblically faithful and historically informed, providing a fresh synthesis of the essential doctrines of the faith. Writing from a Baptist perspective, Harwood brings fresh insights that many systematic theologies lack. With readable prose, suggestions for further study, and discussion.
