

Proof Reading Your Writing

Voice

Look at your sentences. Do they sound like normal speech or are they awkward?

Do people speak this way?

Check Your Work.

PowerPoint

In first person, do not write "I see," "I hear," or "I felt."

This is understood. If your narrator is the speaker, you would not write, "I saw a lion."

Rather write, "A ferocious lion jumped in my path."

Did I Stay True to My Tense?

Students need to decide what tense they wrote their stories in and make sure they stayed in that tense throughout their writing.

Present? Future? Past? It would be silly to choose more than one.
