Prophet Jesus Teaches Followers Neighbors:

Following Jesus, the Servant King Jonathan Lunde, 2010-11-23 What does the Bible say about who Jesus is and what he asks of us his followers Throughout the Old Testament and into the New God not only demands righteousness from his people but also showers on grace that enables them to act Jesus of course provides the ultimate fulfillment of these twin aspects of God's relationship to humanity In biblical terms Jesus is the King who demands righteous obedience from his followers and Jesus is the Servant who provides the grace that enables this obedience In Following Jesus the Servant King Jonathan Lunde makes plain how having a strong understanding of covenantal theology opens us to greater discipleship From the angle of biblical teaching Lunde tackles some of the most poignant questions about being a disciple of Christ What does it mean to follow Jesus What does God expect from his followers How can we be and do what is required While answering these essential questions Lunde thoroughly details God's covenants throughout the whole of Scripture explaining what this means in terms of our relationship with God and how Jesus fulfills each of them in turn _____ Part of the Biblical Theology for Life series this practical and robust book will help you ground your discipleship on the solid foundation of biblical understanding and reflection

Putting Others First T. Ryan Byerly, 2018-12-07 When deciding what to do is it best to treat one's own interests as more important than the interests of others others interests as more important than one's own or one's own and others interests as equally important This book develops an account of others centeredness a way of putting others first in the process of deciding what to do Over the course of six chapters Putting Others First investigates other centeredness by drawing upon a wide range of academic disciplines including biblical studies feminist scholarship philosophy psychology and theology The author begins by explaining the nature of others centeredness as a character trait in detail and connecting it with other contemporary projects in virtue theory He argues that foundational texts of the New Testament can be plausibly read as advocating for others centeredness He then develops a provisional case for the value of others

centeredness from the perspective of each of the three major approaches to normative ethics consequentialism deontology and virtue ethics Next the author confronts challenging questions about the value of others centeredness including whether others centeredness requires an impossibly strong sort of altruism whether it leads its possessors into self destructive relationships and whether it leads to offering help that hurts others Finally he examines the place of others centeredness within a person s moral psychology by considering the relationship between it and other virtues and vices and reviews relevant scientific findings that illuminate the value and causal role of others centeredness

The Good Samaritan (Touchstone Texts) Emerson B. Powery, 2022-04-12 The story of the good Samaritan in Luke 10 is one of Jesus s most well known parables It continues to fascinate readers with its powerful imagery and ethical significance In this exposition New Testament scholar Emerson Powery shows how this classic and beloved text can speak afresh to the life of the church today Powery explains that in every generation followers of Jesus need to be reminded that mercy is a natural consequence of faith Jesus s parable of the good Samaritan emphasizes this point in a dramatic way by placing an enemy as the central hero of the story Powery explores diverse interpretations of the good Samaritan carefully investigates this parable within the theology of the Gospel of Luke and connects the parable to contemporary events The book encourages readers to think through the ethical implications of this story for their own contexts The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible for the church The series editor is Stephen B Chapman Duke Divinity School

Your Untold Story Jake Owensby, 2018-01-01 Popular author and HuffPost blogger Good for use by individuals or groups Whether we realize it or not how we respond to life s opportunities and challenges to other people and to ourselves depends upon the stories we tell about ourselves Too often we tell distorted stories drawn from painful experiences or internalized from others critical voices These fake stories diminish our dreams damage our relationships and fill us with fear and self blame Research shows that people yearn for personal experiences of the holy and Jake Owensby begins by inviting readers to re imagine Jesus as friend and lover He then turns to encouraging readers to hear and tell how Jesus would express their story and the stories of others Jesus story about us is our true story the gospel the story of the beloved It helps us experience the richness of life see the stranger as friend and make a difference in the world Useful for both personal spiritual practice and group studies Your Untold Story will help expand the soul by engaging imagination and deepening relationships among group members It is a discipleship tool that will aid any individual or group of spiritually minded people The missional church requires well formed disciples here is a resource to help in that process

Understanding the Jewish Roots of Christianity Gerald McDermott, 2021-03-17 How Jewish is Christianity The question of how Jesus followers relate to Judaism has been a matter of debate since Jesus first sparred with the Pharisees The controversy has not abated taking many forms over the centuries In the decades following the Holocaust scholars and theologians reconsidered the Jewish origins and character of Christianity finding points of continuity Understanding the Jewish Roots of Christianity advances this discussion

by freshly reassessing the issues Did Jesus intend to form a new religion Did Paul abrogate the Jewish law Does the New Testament condemn Judaism How and when did Christianity split from Judaism How should Jewish believers in Jesus relate to a largely gentile church What meaning do the Jewish origins of Christianity have for theology and practice today In this volume a variety of leading scholars and theologians explore the relationship of Judaism and Christianity through biblical historical theological and ecclesiological angles This cutting edge scholarship will enrich readers understanding of this centuries old debate

Islam And Sanatan Anurag Saxena,2024-12-24 I use to worry as why there is so fight hate redness and disputes among religions Why are they fighting or trying for conversions So I thought to read book like Bible Quran and Guru Granth Sahib and of course Gita It took me two years to read and study and finally understand core beliefs prevailing thru interpreters and people who think they are final word or an authority I was not clear as I found each book spreading peace so where and how this confusion of difference of opinion started So I also thought to read and understand Vedas and Vedantas Then I struggled a lot to have some reading material or any book which can be of any help I searched many articles and read many journals Ultimately I found this book which helped me to understand the cause for these troubles of religions

Dictionary of Scripture and Ethics Joel B. Green,Jacqueline Lapsley,Rebekah Miles,Allen Verhey,2011-11 Leading scholars from the fields of biblical studies and ethics provide a one stop reference book on the vital relationship between Scripture and ethics

Exalting Jesus in Jonah, Micah, Nahum, Habakkuk Eric Redmond,William Curtis,Ken Fentress,2016-11 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible

“Follow Me.” The Invitation in Mark Larry S. McKaughan,2019-05-30 One of Jesus of Nazareth s most famous invitations is Follow me McKaughan attempts to cut through centuries of intervening theories and explanations and to come as close as possible to experiencing an encounter with Jesus at least through the eyes of a disciple like Peter or his companion John Mark The Gospel writer treats his subject matter with practical realism Jesus invitation to join the kingdom of God the human need to repent the human craving to be healed the way a claim Jesus makes sometimes jars the disciples or the way they find themselves filled with fear in the midst of one of Jesus acts of power Jesus encourages his disciples to follow him long before their knowledge can match their action They may wonder why Jesus is abrasive with various religious leaders But the realism that underlies everything else in the book is Jesus compassion for human suffering his readiness to heal his forgiveness of sins his desire to proclaim the love of God and the way he puts that love into practice The person of Jesus the cluster of values that he embodies presents a moral depth of character that can free us even today and challenge us to envision the persons we can yet become
