Provocative Grace The Challenge In Jesus Words:

Provocative Grace Robert Corin Morris, 2006 A restless search is on Cover stories about the real Jesus are on the increase in news magazines best sellers based on alternative Gospels and documentaries Whether you re a devout Christian an inquiring seeker or a rank skeptic this book is for you if you wish to explore the teaching of Jesus *Provocative Grace* focuses on the words of Jesus not as rules to live by but as challenges to precipitate growth into greater maturity Morris asks us to enlarge our existing concepts and to stretch our beliefs about Jesus beyond the borders of formal Christianity and what we learned in Sunday school The Jesus of the Gospels in all his modes of encountering people as prophet healer wisdom teacher mystic social critic and nonviolent revolutionary is a disturber of our immaturities one who challenges us to find and use our strengths writes Morris Jesus was neither a rule maker or idealist but a provocateur Rather than impossible ideals imposed upon us his sayings are proddings to grow step by step by trial and error learning into the best possibilities of our nature Listen to Jesus words not with an attitude of uncritical acceptance or blind faith but rather with an openness to hear the message in a fresh way *Provocative Grace* dares us to wrestle with Jesus sayings and to experience a vivid revelation of God s love and grace Each chapter helpfully arranges the book so that it may be an aid to personal reflection journaling or discussion **American Book Publishing Record**, 2005 *Wittenberg Meets the World* Alberto L. Garcia, John A. Nunes, 2017-04-14 Proposes creative implications of the 500 year Reformation tradition for today As the global church assesses the legacy of the Lutheran Reformation Alberto Garcia and John Nunes in this book reimagine central Reformational themes from black Hispanic and other perspectives traditionally at the margins of catholic evangelical communities Focusing on the central theme of justification Garcia and Nunes delve into three interlinked aspects of the church s life in the world martyrria witness diakonia service and koin nia fellowship They argue that it is critically important and vitally enriching for the whole church especially Eurocentric Protestant churches to learn from the grassroots theological emphases of Christian communities in the emerging world *Provoking God's Blessings* Pat James, 2020-11-30 Understanding how to cooperate with God s spiritual laws and principles facilitates personal growth advancement and success in God s kingdom Neglecting or violating these truths results in curses a lack of spiritual growth and failing to fulfill your destiny Practical application of the lessons and prayers in this book will help readers function successfully in the kingdom of God Through faith and obedience they will be able to break free from being naturally minded into being spiritually minded They will become empowered by the Holy Spirit to overcome sin the world and Satan s plans to detour their destiny The content and format of *Provoking God s Blessings* provides the reader with a comprehensive approach to studying God s spiritual laws and principles solid biblical teaching and scripture based prayers twelve lessons for use by individuals and small Bible study groups discussion questions and reflective interaction with the material Pat s personal illustrations and testimonies from others Whether you are a new believer or a mature disciple in Christ you will benefit from increased understanding and appreciation for how God s

Sexy Christians Dr. Ted Roberts, Diane Roberts, 2010-03-01 *Sexy Christians* The phrase sounds like an oxymoron but God never intended it to be Sexual fulfillment is in fact God's idea Yet many Christians seem to think the more spiritual they are the less sexual they will be and the more sexual they are the less spiritual they will be Dr Ted and Diane Roberts want to turn this thinking on its head Readers will learn why men and women see sex differently what the greatest aphrodisiac is and how to avoid the most lethal killer to a great sex life The authors also explore what men's and women's sexual needs are and why they are so different what sex is all about from God's perspective and what the differences are between male and female sexual response cycles End of chapter questions encourage couples to apply the book's principles at home Readers and groups can go a step further with the *Sexy Christians Workbook* Loaded with additional content this workbook is designed to challenge couples to explore the rewarding work of intimacy

The Jesus You Really Didn't Know Andy Angel, 2019-09-09 The problem with too much Christianity today is that we replace the person of Jesus with a doctrine of grace Living in denial of Jesus teaching on judgment and holiness too many Christians take refuge from the sayings of Jesus in doctrines of forgiveness that they hope will bolster up their sense of self worth before God Andy Angel tackles this dysfunctional spirituality head on opening up the journey of learning and love into which the living Lord Jesus invites us all Unpacking the Gospel of Matthew he encourages us to rediscover the teaching ministry of Jesus in our own lives and in doing so to recover the riches and freshness of the gospel message and to rediscover the depths of love Jesus has for each one of us

Elephants in the Church George Bloomer, 2014-07-01 Where Are the Truth Tellers Our world is facing serious problems that pose genuine threats to our safety our economy our health and our very survival Sadly partisanship and allegiances to special interests are preventing our nation from taking the needed action on such matters And where is the church at this perilous time in history Instead of proclaiming God's wisdom on the issues of our day many of us are either too blinded by political affiliations or too afraid to let our voices be heard While resisting the predictable labels of Democrat and Republican Bishop George Bloomer holds both sides accountable by boldly examining some of the most polarizing yet important issues of our time Abortion Poverty and income inequality Gay marriage Racial relations War and the military industrial complex Gun control Christians will never succeed in impacting the culture if they remain emasculated by political correctness and afraid to speak the truth Change is possible only when brave and audacious men and women are willing to confront evil and injustice through their words and
