Provoking The Gospel Methods To Embody Biblical Storytelling Through Drama:

Communication, Pedagogy, and the Gospel of Mark Elizabeth E. Shively, Geert Van Oyen, 2016-03-19 Reflections on the relationship between research and teaching Using Mark as a test case scholars address questions like How should my research and my approach to the text play out in the classroom What differences should my academic context and my students expectations make How should new approaches and innovations inform interpretation and teaching This resource enables biblical studies instructors to explore various interpretative approaches and to begin to engage pedagogical issues in our changing world Features Ideas that may be adapted for teaching any biblical text Diverse perspectives from nine experts in their fields Essays include tips ideas and lesson plans for the classroom *Embodied Performance* Sarah Agnew, 2020-09-22 Embodied Performance presents a methodology by which performer interpreters can bring their intuitive interpretations to the scholarly conversations about biblical compositions It may not be comfortable for scholarship is out of practice in listening to emotion and intuition It may not be the only way to bring the fullness of human meaning making into scholarly discussions It is a beginning as Sarah Agnew storyteller and scholar places herself as the subject and object under examination observing her practice as a biblical storyteller making meaning through embodied performance and develops a coherent method rigorously tested with an Embodied Performance Analysis of Romans Follow Sarah s story as she searches within Biblical Performance Criticism for such a method before determining the need to strike out in a new direction from within an already innovative field All biblical scholars are complex human beings making meaning through their embodiment their emotions their embeddedness in community Embodied Performance Analysis offers a way to attend to and incorporate the full range of human meaning making in our engagement with biblical compositions for richer discussion closer to the intent of the compositions themselves **Performing Early Christian Literature** Kelly Iverson, 2021-10-07 Scholars of early Christian literature acknowledge that oral traditions lie behind the New Testament gospels While the concept of orality is widely accepted it has not resulted in a corresponding effort to understand the reception of the gospels within their oral milieu In this book Kelly Iverson reconsiders the experiential context in which early Christian literature was received and interpreted He argues that reading and performance are distinguishable media events and significantly that they produce distinctive interpretive experiences for readers and audiences alike Iverson marshals an array of methodological perspectives demonstrating how performance generates a unique experiential context that shapes and informs the interpretive process Iverson s study explores the dynamic oral environment in which ancient audiences experienced the gospel stories He shows why an understanding of oral performance has important implications for the study of the NT as well as for several issues that are largely unquestioned by biblical scholars From Text to Performance Kelly R Iverson, 2015-04-30 For the last two centuries biblical interpretation has been guided by perspectives that have largely ignored the oral context in which the gospels took shape Only recently have scholars begun to explore how ancient media inform the interpretive process and offer

an understanding of the Bible The contributors to From Text to Performance recognise that the Jesus tradition was a story heard and performed and seek to re evaluate the constituent elements of narrative including characters structure narrator time and intertextuality within this performative context In dialogue with traditional literary approaches these essays demonstrate that an appreciation of performance yields fresh insights distinguishable in many respects from results of literary or narrative readings of the gospels The Bible in Ancient and Modern Media Holly Hearon, Philip

Ruge-Jones, 2009-01-01 This cutting edge volume has been brought together in honor of Thomas Boomershine author scholar storyteller innovator The particular occasion inviting this recognition of his work is the twenty fifth anniversary of the Society of Biblical Literature's section on The Bible in Ancient and Modern Media BAMM which Tom was instrumental in founding For two and half decades this program unit has provided scholars with opportunities to explore and experience biblical material in media other than silent print including both oral and multimedia electronic performances This book explores many though by no means all of the issues lifted up in those sessions over the years Contributors A K M Adam Adam Gilbert Bartholomew Arthur J Dewey Dennis Dewey Joanna Dewey Robert M Fowler Holly E Hearon David Rhoads Philip Ruge Jones Whitney T Shiner Marti J Steussy Richard W Swanson **Sowing Stories Deep in the Soul** Joyce Elaine Gill

Johnson, 2017-12-07 Some adolescent women struggle to maintain positive self identity resilience and personalized faith development on their journey toward adulthood It is a contemporary crisis recognized by many including ministry leaders of faith communities In today's fast paced digital culture concerns addressing challenges facing adolescent women are evident in research literature To strengthen their spiritual well being emphasis is placed on spiritual formation practices that enhance faith hope and personal relationships amid social peer and media pressures pulling them into negative detrimental and dysfunctional lifestyles Empirical research reveals a need to transform negative images and self destruction utilizing stories of holistic well being Sowing Stories Deep in the Soul Biblical Storytelling with Adolescent Women highlights biblical women touched by the holistic healing ministry of Jesus with deep soul stirring experiences of God's compassionate love It meets the need as a spiritual formation ministry model focused on creativity engaging study internalized story learning positive life connections and performing biblical stories by heart These expressive aspects form the ancient oral character of Bible stories internalized and voiced in repeated performances for compelling impact and action Included are replicable results of action research using this model with adolescent women to encourage maintaining Christ centered lives

Insights from Performance Criticism Peter S. Perry, 2016-10-01 In this volume Peter S Perry describes what performance criticism is and shows its application to biblical studies and theology He draws on the best thinkers and practitioners in this field as well as his own experience to show how performance criticism can open up the meaning of and appreciation for biblical texts In addition Perry presents challenges for the future of performance criticism and its role in biblical interpretation generally Each volume in the new Insights series discusses discoveries and insights gained into biblical

texts from a particular approach or perspective in current scholarship Accessible and appealing to today's students each Insight volume will discuss 1 how this method approach or strategy was first developed and how its application has changed over time 2 what current questions arise from its use 3 what enduring insights it has produced and 4 what questions remain for future scholarship [Re]Gained in Translation, Volume 1-2 Sabine Dievenkorn, Shaul Levin, 2024-02-26 Volume 1

Translations of the Bible take place in the midst of tension between politics ideology and power With the theological authority of the book as God's Word not focusing on the process of translating is stating the obvious Inclinations fluency and zeitgeist play as serious a role as translators' person faith and worldview as do their vocabulary poetics and linguistic capacity History has seen countless retranslations of the Bible What are the considerations according to which Biblical retranslations are being produced in current 21st century contexts From retranslations of the Hebrew Bible to those of the Old and New Testaments to mutual influences of Christian and Jewish translational traditions the papers collected here all deal with the question of what is to be re gained with the production of a new translation where at times many a previous one has already existed Volume 2 Times are changing and with them the norms and notions of correctness Despite a wide spread belief that the Bible as a sacred original only allows one translation if any new translations are constantly produced and published for all kinds of audiences and purposes The various paradigms marked by the theological political and historical correctness of the time group and identity and bound to certain ethics and axiomatic norms are reflected in almost every current translation project Like its predecessor the current volume brings together scholars working at the intersection of Translation Studies Bible Studies and Theology all of which share a special point of interest concerning the status of the Scriptures as texts fundamentally based on the act of translation and its recurring character It aims to breathe new life into Bible translation studies unlock new perspectives and vistas of the field and present a bigger picture of how Bible re translation works in society today

The Oxford Handbook of the Synoptic Gospels Stephen P. Ahearne-Kroll, 2023 The Oxford Handbook of the Synoptic Gospels presents essays that push the field beyond the Synoptic Problem and theological themes that ignore the particularities of each Gospel The first section explores some of the traditional approaches of literary dependence and engages with alternative ways to understand Synoptic relations while the second section treats a variety of historical literary and cultural phenomena important to the study of these Gospels

Oral Bible Translation and Biblical Performance in Southern Siberia Bronwen Cleaver, 2025-08-05 This book is about designing a contextualized performance based on biblical passages translated by oral Bible translation to give oral preference learners in the Republic of Altai the best possible access to Scripture It presents a model for other oral Bible teams to translate and perform biblical texts in culturally relevant ways The work explores key issues the internalization process orally translating non narrative genres extra linguistic exegesis using local poetic features in oral biblical translations creating notes for translation teams and integrating audience responses into the translation A comprehensive literature review covers orality biblical literacy

performance criticism functional translation complexity theory multimodality and hospitality theory Research includes interviews with oral Bible translation teams using internalization and studies of Altai epic poetry featuring interviews with Altai epic singers and musicians The book culminates in describing the crafting of an oral presentation based on the Altai epic story genre and its evaluation by local Altai audiences in focus groups This demonstrates how oral Bible translation can effectively engage communities This approach ensures that Scripture is not only translated but also communicated in a manner that resonates deeply with the cultural and oral traditions of the audience making it more accessible and impactful
