Prozessmanagement F R Experten Prozessmanagement F R Experten:

Expertenkommissionen im politischen Prozess Sven T. Siefken, 2008-01-25 Vorwort Faszinierend klingt der Gedanke Weise Frauen und Männer mit breiter Erfahrung in allen Bereichen der Gesellschaft werden vom Bundeskanzler zusammengerufen um gemeinsam die Antwort auf eine dringende politische Frage zu finden und das jenseits von parteilichen Machtkämpfen und allein nach bestem Wissen und Gewissen der guten Sache dem Land dem Gemeinwohl verpflichtet. Doch hält die Regierung weit genau wen sie beruft um ein bestimmtes Ergebnis zu erzielen. Beschlüsse stehen schon vorher fest. Es ist alles nur politische Show. Das Parlament wird dadurch an den Rand gedrängt während nicht gewählte willkürlich bestimmte Einzelpersonen weit reichende Entscheidungen treffen. Zwischen diesen beiden Extremen gibt es reichlich Raum für Vermutungen über die Bedeutung von Expertengremien im politischen Prozess und so existiert eine Vielzahl von Bewertungen mit umfassender Kritik aus verschiedenen politischen Lagern. Bei der Betrachtung des Standes der politischen und publizistischen aber auch der politikwissenschaftlichen Diskussion fällt jedoch auf dass viele Einschätzungen empirisch kaum fundiert sind. In diesem Forschungsfeld hat die essayistische Vermutung Konjunktur und die saubere Analyse des Ist Zustandes bleibt häufig ebenso auf der Strecke wie eine genaue Operationalisierung der Bedeutung von Expertengremien im politischen Prozess.

Der Eichmann-Prozess in der deutschen Presse Peter Krause, 2002 Discusses coverage of the Eichmann trial in 1961 by the German press. There was a feeling of uncertainty and helplessness amongst German journalists regarding their capacity to deal with the trial without damaging the reputation of Germany throughout the world as well as a reluctance to cope with German guilt. As the trial progressed however there was more of a willingness to confront the dark German past. Unlike the FRG the DDR did not deal with the topic at that time but only accused West Germany of serving as a refuge for former Nazis. Argues that the capture of Eichmann and the trial proceedings were important building blocks for Germany's coming to terms with the past. Furthermore during the 1950s/60s there was an evolution from refusal of remembrance through an integrated commemoration policy to coping with the Nazi crimes and the resulting responsibility and liability. The Eichmann trial was one of the stimuli which led to this trend. *Der Jesuiten-Prozess in Brüssel.*
