Psychological Interventions And Research With Latino Populations:

Psychological Interventions and Research with Latino Populations Jorge G. García, María Cecilia Zea, 1997 Describes concepts of Latino psychology interventions and research with Latino groups living in the USA This text incorporates a wide range of psychological interventions which address current challenges in the mental health psychology and rehabilitation psychology of Latinos

Solving Latino Psychosocial and Health Problems Kurt C. Organista, 2007-05-04 The most current and relevant best practices for working with diverse groups within Latino culture It is estimated that in just two generations the United States will follow Mexico with the second largest Latino population in the world Optimistic and timely Solving Latino Psychosocial and Health Problems addresses the social welfare of this important ethnic community Noted expert Kurt Organista employs a practice oriented approach to addressing the interwoven psychosocial and health related concerns that impact this community and offers thoughtful and much needed solutions This important book realistically considers the Latino community's imposing and rapidly growing population size complex set of challenging issues and the tremendous diversity between and within each major U S Latino group Section I applies a series of highly relevant frameworks to deepen your understanding of the historical and current cultural and social experiences of diverse Latino populations in the United States ending with a unique practice model for working with Latinos Section II provides detailed illustrations of the best and most promising practices for working with various Latino populations A must read for practitioners students and policy makers Solving Latino Psychosocial and Health Problems richly embraces the distinctness of the wide range of Latino ethnic identities in the United States and provides a practical and thought provoking resource relevant to a broad range of helping professionals

The Handbook of Chicana/o Psychology and Mental Health Roberto J. Velasquez, Leticia M. Arellano, Brian W. McNeill, 2004-09-10 Mexican Americans have distinct cultural patterns and values that those who seek to serve them competently as clinicians and educators or study them need to understand Solidly grounded in the latest theory and research the Handbook offers the first up

Latinos and Latinas: Oxford Bibliographies Online Research Guide Vincent Guilamo-Ramos, Kosta Kalogerogiannis, 2010-05 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a

static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com *Counseling Latinos and la Familia* Azara L. Santiago-Rivera, Patricia

Arredondo, Maritza Gallardo-Cooper, 2002 *Counseling Latinos and la familia* provides an integrated approach to understanding Latino families and increasing competency for counselors and other mental health professionals who work with Latinos and their families. It provides essential background information about the Latino population and the family unit which is so central to Latino culture including the diversity of various Spanish speaking groups, socio-political issues and changing family forms. The book also includes practical counseling strategies focusing on the multicultural competencies approach.

Culturally Responsive Counseling With Latinas/os Patricia Arredondo, Maritza Gallardo-Cooper, Edward A.

Delgado-Romero, Angela L. Zapata, 2014-12-08 This book provides culture centered assessment and intervention strategies for effective clinical practice with Latinas/o individuals and families. Mental health professionals will gain new and expanded cultural competence as they learn to sensitively and ethically integrate Latino values into their work. Throughout the text case scenarios illustrate ways to work successfully with clients of all ages. A sample culture centered clinical interview is included along with a listing of Latino specific mental health resources. Topics discussed include roles, relationships and expectations in Latino families, cultural and bicultural values, gender role socialization, generational differences, identity and acculturation issues, educational values and achievement, Latinas/os in the workforce and religious beliefs and practices. Requests for digital versions from ACA can be found on www.wiley.com. To purchase print copies please visit the ACA website. Reproduction requests for material from books published by ACA should be directed to publications@counseling.org **Cross**

Cultural Awareness and Social Justice in Counseling Cyrus Marcellus Ellis, Jon Carlson, 2013-03-07 Clinicians find themselves encountering clients from highly diverse backgrounds more often increasing the need for a knowledge of cross cultural competencies. This book addresses the unique needs and relevant issues in working with a specific population such as women, men, African Americans, Asian Americans and Spanish speaking clients. *Culturally Adaptive Counseling Skills*

Miguel E. Gallardo, Christine J. Yeh, Joseph E. Trimble, Thomas A. Parham, 2011-01-24 A key supplement for courses on multicultural counseling this book is a practical volume that will help faculty and students see demonstrations of multicultural counseling in practice. The text covers evidence based practices for working with five major ethnic groups while weaving in other factors such as gender, disability, sexuality and more. Each chapter has two case studies by an invited expert who also provides commentary and lessons drawing upon each case. **Handbook of Family Therapy** Thomas L.

Sexton, Jay Lebow, 2015-12-07 Integrative research based multisystemic these words reflect not only the state of family therapy but the nature of this comprehensive handbook as well. The contributors all well recognized names who have

contributed extensively to the field accept and embrace the tensions that emerge when integrating theoretical perspectives and science in clinical settings to document the current evolution of couples and family therapy practice and research Each individual chapter contribution is organized around a central theme that the integration of theory clinical wisdom and practical and meaningful research produce the best understanding of couple and family relationships and the best treatment options The handbook contains five parts Part I describes the history of the field and its current core theoretical constructs Part II analyzes the theories that form the foundation of couple and family therapy chosen because they best represent the broad range of schools of practice in the field Part III provides the best examples of approaches that illustrate how clinical models can be theoretically integrative evidence based and clinically responsive Part IV summarizes evidence and provides useful findings relevant for research and practice Part V looks at the application of couple and family interventions that are based on emerging clinical needs such as divorce and working in medical settings Handbook of Family Therapy illuminates the threads that are common to family therapies and gives voice to the range of perspectives that are possible Practitioners researchers and students need to have this handbook on their shelves both to help look back on our past and to usher in the next evolution in family therapy **Handbook of Family Therapy** Mike Robbins,Tom Sexton,Gerald Weeks,2004-03-01

This new Handbook of Family Therapy is the culmination of a decade of achievements within the field of family and couples therapy emerging from and celebrating the dynamic evolution of marriage and family theory practice and research The editors have unified the efforts of the profession s major players in bringing the most up to date and innovative information to the forefront of both educational and practice settings They review the major theoretical approaches and break new ground by identifying and describing the current era of evidence based models and contemporary areas of application The Handbook of Family Therapy is a comprehensive progressive and skillful presentation of the science and practice of family and couples therapy and a valuable resource for practitioners and students alike
