Psychopath and Sociopath Box Set Michele Gilbert, 2015-05-08 Book 1 Psychopaths and Narcissistic Personality Disorder Exposed So You Think Your Dating Or Involved With A Psychopath What Can You Do There are thousands of people out there that are afflicted with psychopathy as many as one in twenty five So what happens if you think the person you re dating or are involved with is a psychopath This book will help you distinguish the difference between psychopaths and sociopaths and why they re similar You ll be given inside knowledge into how psychopaths tick and what they truly are There will be a step by step guide on how to get out of a relationship if you re in one with a psychopath It s all right here waiting for you to discover So are you ready Here is what is inside So You Found Someone Odd Is it a Sociopath The Point of No Return The Nature of the Beast What To Do Getting On With Your Life Let The Journey Begin Would You Like To Know More Download So Your Dating A Psychopath Now What Scroll back up to the top and hit the orange Buy It Now Button and get your copy Today Book 2 Do you have a person in your life that is just a little off and by a little off I mean that they re full blown strange Are they living like an emperor in their world and using everyone around them like pawns Are they quite possibly the smartest person you know but not living a life that is actually fulfilling by normal standards Are they nice to you but only when they really want something from you You may have found yourself a sociopath Download The Mind of A Sociopath Your Guide to Understanding The Anti Social Personality Disorder Of Sociopaths Learn Wasn t Sherlock Supposed to be Cool Explain Yourself Gordon Gecko or Jason Voorhees The Checklist The Hunter Becomes the Hunted Watson Moved on with His Life Would You Like To Learn More Download The Mind Of A Sociopath Scroll to the top of the page and select the BUY button *Psychopath: Secrets of the Covert Narcissistic Psychopath Exposed (Exploring the Psychology and Behavior of Psychopaths and Personality Disorders)* Francis Jamison, 101-01-01 The book also delves into treatment and management strategies offering hope and guidance for those affected by psychopathic behavior Whether you re a student of psychology a mental health professional or simply curious about the mysteries of the human mind this book provides a thought provoking exploration of one of the most enigmatic phenomena in psychology Gain a deeper understanding of psychopathy and its implications for society relationships and individual well being with Psychopath They will claim to be the most ill treated and ill starred person you have ever met and none of this mistreatment or misfortune will be in any way their fault If they have targeted you it will be because you are a compassionate person and the way into you is therefore to solicit your sympathy which in this instance is very much better reserved for yourself Then you may begin to notice that they are more impetuous and thrill seeking than anyone else you know and have an insatiable desire to buy things few people can afford This book helps you identify psychopathic behavior in others and includes 10 warning signs that your partner may be a psychopath It also provides 9 ways to deal effectively with these people to keep yourself and your loved ones safe *Real-Life Monsters* Stephen J. Giannangelo, 2012-07-06 This book presents an in depth psychological analysis of the development of the serial

killer personality that will fascinate all readers from the experienced criminology student to the casual true crime reader

Real Life Monsters A Psychological Examination of the Serial Murderer takes a different approach than most titles on a similar topic the author develops and proposes an original psychological explanation rather than simply repeating some of the long held theories for these criminals heinous actions The work addresses current issues presents detailed commentary and personal observation and contains photographs that will fascinate general readers interested in the subjects of true crime serial killers and psychopathology The first part of the book carefully examines the research past and present regarding clinical psychological societal and biological bases for violent behavior specific to the serial murderer Part two establishes a novel theory of the pattern of violence and then explores this hypothesis through eight case studies interviews with serial killers and elemental analysis The work also contains a chapter based on conversations between the author and a convicted serial murderer
