Time of the Quickening Susan B. Martinez, 2011-03-28 A guide to the science of prophecy why so many predictions never come to pass and the Golden Age ahead Presents a mathematical means of divining the future revealed in the Oahspe Bible using the Egyptian Tables of Destiny a 12 000 year old system so exact it can foretell every day of the year Reveals that we are not headed for Rapture and the Apocalypse but for the Quickening the embryonic stage of a Utopian Age Examines the cycles of history and explains why many prophecies have not come true Reviewing the cycles of history from biblical times to the present and prophecies of the future from Nostradamus to Edgar Cayce and Jeane Dixon Susan B Martinez reveals that our current time of troubles is not the beginning of Rapture the Apocalypse or Armageddon but of the embryonic stage of a Utopian Age the Quickening of the human race Reviving the lost science of prophecy Martinez explains why so many great prophecies have failed and presents the 12 000 year old Egyptian system of prediction so exact it can foretell every day of the year a method based not on the planets astrology or intuition but on Earth s magnetic rhythms Using Earth science historical research religious texts spiritualism and patterns within the cycles of war and political milestones she demonstrates that the past is the hidden key to the future and uncovers the prophetic numbers of Earth s cycles 11 33 99 and

363 as set forth in the Egyptian Tables of Destiny ancient texts brought to light by the 19th century Oahspe Bible Explaining how readers can use the Tables of Destiny to make their own predictions of the future she presents her own forecasts of the risks and costs of technological progress the destiny of America the up and coming global religion the truth behind climate change and the cause of earthquakes and the true life expectancy of planet Earth as well as offering a preview of the Paradigm Shift and Golden Age ahead a time of global unity and awakening of the soul of the world **Your Nostradamus Factor** Ingo Swann, 2018-09-02 You Can Predict the Future Throughout the centuries the future has been seen in dreams in visions and by seers But you don't have to be a prophet or a visionary to predict what the future holds Now Ingo Swann explains how to understand and use the future predicting ability that lies within He identifies the different ways the future is revealed Spontaneous forewarnings during dreams Spontaneous alerts that happen when awake Forewarnings and alerts communally experienced by numbers of people while sleeping or while awake Consciously controlled future seeing achieved by seers Ingo Swann also presents fascinating documented examples of prophecies that came true ranging from those that foresaw the sinking of the Titanic to his own prediction of the fall of the Berlin Wall Your Nostradamus Factor explains how you can develop your ability to foresee the future by Overcoming blocks to future seeing Tracking a particular subject and testing your predictions Using astrology to help see the future and Paying close attention to your dreams With the millennium right around the corner Swann also offers startling predictions for the future of the environment the economy science and society originally published in 1993 **The Quest for Utopia in Twentieth-Century America** Timothy Miller, 1998-05-01 This book is the long anticipated first volume of a two volume work that will chronicle intentional communities in the twentieth century Timothy Miller's chronological account is likely to be the standard work on the subject Communities of the early twentieth century were often obscure and short lived enterprises that left little trace of themselves Historical accounts of them are few and the ephemera such ventures produced have rarely been collected Miller first looks at the older groups that were operating until 1900 He explores their impact of the early twentieth century art colonies and then turns to a decade by decade discussion of many dozens of new groups formed up to 1960 His comprehensive perspective a synopsis of the first sixty years of this century has never before been undertaken in the study of communal groups *Three Plays of Maureen Hunter* Hunter, Maureen, 2003 Book is clean and tight No writing in text Like New **Over the Wall of Oppression** John Ardent, 2016-09-23 Did you ever pray the Lords Prayer where you prayed for the coming of the kingdom of God on earth Thy Kingdom come Thy Will be done on earth as it is in heaven This is the only prayer that Jesus gave us Did you ever wonder what it actually means This kingdom of God on earth is a real kingdom with a king This king is a hereditary position that fulfills Gods promise that he gave to King David that his lineage and throne shall endure forever God has already sent the return of Christ and he is a male descendant of the Davidic kings He did not come according to the imagination of man Rather he came fulfilling prophecy He brought a new revelation through which the kingdom of God on

earth that Jesus taught us to pray for will be firmly established throughout the entire world His revelation is the culmination of all the previous revelations given by God through his messengers As what happened with all previous revelations man has taken what was originally intended and changed it according to his own limited capacity and selfish desires In so doing mankind has been deprived of the truth of Gods will and purpose and his glorious covenant for a new age This new revelation was given by the glory of the Father through the words of Jesus the Christ and written down by Mark in chapter 8 verse 38 For whoever is ashamed of me and of my words in this adulterous and sinful generation of him will the Son of Man also be ashamed when he comes in the glory of his father As Jesus foretold the name of the return of Christ is Bahaullah He came well over 150 years ago Placed in chains beaten and put in prison Bahaullah spent forty years proclaiming Gods new covenant to the people writing to the kings and rulers of the earth imploring them to turn to God Bahaullahs message has gone unheeded As in ages past those who did hear and embrace his message later turned their hearts away from God choosing instead to seek earthly power and riches Those who were to protect and serve the covenant of Bahaullah as well as his chosen ones after him created an oppression so great that the people of the world have been denied this glorious message Dr Leland Jensen mentioned here in Over the Wall of Oppression was a third generation Bahai He began teaching this new faith at the age of seventeen and since that time he devoted his entire life to teaching this wonderful message of the kingdom He was well acquainted with biblical scripture and the Bahai teachings being very successful in bringing new believers into the faith He was present when the faith was hijacked by a group of people whose sole purpose was to protect and serve the covenant and thus he had considerable knowledge of events that transpired at that time The facts presented within these pages are written in very clear and understandable language so all may know of the deeds done This text provides a great opportunity for those who do not have the understanding of those events or the meaning of the covenant to come out from under this great oppression and embrace the glorious truth We have been blessed with having known him for nearly two decades and with hearing this message directly from him We not only learned of the Bahai faith but also the real meaning of our existence and purpose in life His love for Bahaullah and for God showed in everything that he did We would stay up for hours listening to his words thirsty for more Over the Wall of Oppression isnt only for the Bahais but also for the Christians The explanations and commentaries on various Christian subjects and prophecy will truly open ones eyes to the truth of such subjects as the meaning of the word Christ the history of the trinity the meaning of the Resurrection the beast and more Part 2 consists of the explanations and commentaries on the book of Revelation which is a message of the kingdom and the catastrophe
