Prostitution And Sexuality In Shanghai Prostitution And Sexuality In Shanghai:

Prostitution and Sexuality in Shanghai Christian Henriot, 2001-04-23 Henriot portrays the sex trade in Shanghai from the life of the courtesan to street prostitution *Sex, Culture and Modernity in China* Frank Dikötter, 1995 Sex emerged as an independent field of study during the New Culture Movement 1915 21 The anatomy of the reproductive system the physiology of internal secretions the nature of sex the determination of sexual differences the mechanisms of reproduction the genetic foundation of sexual differentiation and other related issues were investigated by a rapidly growing number of social thinkers The result was a flood of pamphlets booklets surveys and studies breaking what was called the conspiracy of silence around the mystery of sex or xingshenmi New society it was claimed had the right to investigate human sexual life scientifically *Selling Sex in the City: A Global History of Prostitution, 1600s-2000s*, 2017-08-28 Selling Sex in the City offers a worldwide analysis of prostitution since 1600 It analyses more than 20 cities with an important sex industry and compares policies and social trends coercion and agency but also prostitutes working and living conditions **Dangerous Pleasures** Gail Hershatter, 1997 In the past decade as prostitution once again has become a recognized feature of Chinese society it has been incorporated into a larger public discussion about what kind of modernity China should seek and what kind of sex and gender arrangements should characterize that modernity Prostitutes like every other non elite group did not record their own lives *Sex in China* Fang Fu Ruan, 2013-11-22 China today is sexually and in many other ways a very repressive society yet ancient China was very different Some of the earliest surviving literature of China is devoted to discussions of sexual topics and the sexual implications of the Ym and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins In recent years a number of books have been written exploring the history of sexual practices and ideas in China but most have ended the discussion with ancient China and have not continued up to the present time Fang Fu Ruan first surveys the ancient assumptions and beliefs then carries the story to present day China with brief descriptions of homosexuality lesbianism transvestism transsexualism and prostitution and ends with a chapter on changing attitudes toward sex in China today Dr Ruan is well qualified to give such an overview Until he left China in the 1980s he was a leader in attempting to change the repressive attitudes of the government toward human sexuality He wrote a best selling book on sex in China and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems A physician and medical historian Dr Ruan's doctoral dissertation was a study of the history of sex in China **Global Perspectives on Prostitution and Sex Trafficking** Rochelle L. Dalla, Lynda M. Baker, John Defrain, Celia Williamson, 2011-04-01 This book is part of a two volume set that examines prostitution and sex trafficking on a global scale with each chapter devoted to a particular country in one of seven geo cultural areas of the world The 16 chapters in this volume Volume II are devoted to examination of the commercial sex industry CSI in countries within Africa Asia Middle East and Oceania while the 18

chapters comprising Volume I focus exclusively on Europe Latin America and North America This volume also includes a global section which includes chapters that are globally relevant rather than those devoted to a particular country or geographic location The content of each Volume as well as each chapter reflects great diversity diversity in focus writing style and personal position regarding the commercial sex industry Diversity extends to the contributors who are comprised of international scholars service providers and policy advocates representing a variety of fields and disciplines with distinct and varied frames of reference and theoretical underpinnings with regard to the commercial sex industry In addition to addressing aspects of the CSI across the globe as impacted by geography and culture authors have also provided a spectrum of implications of their work implications ranging from continued scholarship and research to legislative maneuvers and policy change to suggestions for collaboration across NGOS fieldworkers clinicians and service providers Together the 34 expertly crafted chapters provide a wealth of knowledge from which to more deeply appreciate and contemplate the global commercial sex industry By uniting contributors from around the world this book aims to build a relatively common knowledge base on global prostitution and sex trafficking Viewed from a unified global perspective it is hoped that this common understanding will lead to a grounded theory and integrated view with applicable suggestions for international efforts aimed at interventio
