Woodcutter's Grim Series, Volume I Anthology Karen Wiesner, 2015-06-22 Woodcutter's Grim Series Volume I Classic Tales of Horror Retold is a compilation of the four short stories including Papa romantic horror A wickedly horrifying rendering of the classic children's story Hansel and Gretel in which modern revenge is served up sweet Less than a year after Randall Park left his family for elementary school teacher Amy the unthinkable happens his ex wife and two children are killed in a car accident Ever since the accident Amy has had terrible nightmares in which Rand's son and daughter return to exact revenge on their father and Amy herself the wicked step mother for abandoning them When Rand convinces her to come away with him for a healing respite to an isolated cabin in the woods Amy's guilt filled nightmares turn into pure horror Blood of Amethyst romantic horror A blood curdling answer as to why the childhood nightmare creature Rumpelstiltskin so wanted a child of his own Amethyst Phillip's father her only family disappears in Woodcutter's Grim's evil woods Town Sheriff and Guardian Gabe Reece sends out a search party and eventually they find the body completely drained of blood A devastated Amethyst refuses to do anything but carry on all by herself in the isolated area she grew up But something strange is happening and Gabe realizes it every time he drops by to check on the woman who's held his heart for long years She's grown pale cold She's sleeping all the time waking only in the night when her taste for blood overwhelms her Then Gabe becomes aware that something in the woods is calling to her something that's stealing her life Gabe will face his deadliest foe yet when the woman he loves falls prey to a nameless creature who wants her very soul Dancing to the Grave romantic horror Loosely based on The Pied Piper of Hamelin The children of Woodcutter's Grim are changing and only one person music teacher Diane Anders realizes the truth Can she and her husband Kurt Jones a member of the ancient lineage of the Protectorate's Chosen Seven save them and the future of their town The Amethyst Tower The Final Chapter romantic time travel horror Loosely based on Rapunzel The isolated maiden meets her knight in a time traveler who's come into the future to rescue her from the Warlock Lord holding her captive in the amethyst tower Where else but in the fairy tale horror town of Woodcutter's Grim Never a Bride Karen Wiesner, 2022-03-24 Once upon a time Ben Johnson believed he had forever sewn up with Layla But fairy tales rarely come true in reality Long before her nephew was in a hunting accident and she blamed Ben for not preventing it the two of them had broken up citing irreconcilable differences Layla hadn't wanted his family to know the truth Following the accident she walked out for good he assumed Charlize Seagrave never fit in anywhere drawn to danger darkness and drugs For years she was the guitarist and songwriter for a death metal band and involved with the frontman who only encouraged her deadly addictions In order to hide from Freyr Charlize checked herself rehab Later clean another first in her life she attended her new friend's wedding and met Ben Despite their instant connection he was supposedly in a committed relationship and she had no interest whatsoever in commitment If only Ben wasn't so unlike every other person she's ever known If only she didn't feel like he alone understands and gets her When Charlize returns to

Amethyst at Halloween Ben knows loneliness has nothing to do with his feelings for her His attraction to her the last time she was in Amethyst wasn't something he was comfortable with despite that he and Layla had broken up even before his family learned of the fact But now Layla is implying she's had a change of heart Ben wonders if this is all getting too complicated or if the solution is as simple as a kiss **Forever Man** Karen Wiesner,2011-10-29 Savannah Savvy O'Brien is level-headed sophisticated and in complete control of her life The only commitment she's willing to make is to her career as a lawyer and to a parking space for her new car Brett Foxx has loved and he's lost He's put a lifetime of anger recklessness and a multitude of sins behind him The road warrior has finally settled down and he plans to keep himself as far from love as he can get He's not looking for trouble but if anyone can give it to him it's his former lawyer and unrequited fantasy Savvy O'Brien

Love is Blind Karen Wiesner,2014 Working with local private investigators Den McHart and Sylvia Price Briar's Point Police Department Detective Orlando Bateman solves a missing person case Keeya Nilsen visually impaired from the plane crash that took her parents' lives comes to him and has a justifiably bad attitude about love since all the men she's ever loved have cheated on her and robbed her including the last one who absconded with her most prized possession her grandfather's unpublished Blues compositions when he flew the coop As together they search for her last boyfriend and her missing legacy Orlando reminds Keeya of the faith she'd had before the plane crash that changed her life and makes her see love as God intends

Promises in the Dark Karen Wiesner,2016-11-07 William Decker an orphan who grew up without warmth or companionship from those around him had been a loner all his life preferring solitude loneliness and dark corners to friends anything resembling a spotlight and even love When he met Roxanne Hart his first and only year of college he'd found a center he'd unconsciously looked for all his life Though Rox loved him deeply as a friend she was in love with another man and he'd never really had a shot there despite his relentless loyalty When she announces her wedding William knows it's long past time for him to stop wishing for the moon but more than that he realizes for the first time that he'd set his heart on an unavailable woman purposely He's lived his life on the principle of Better to not love and lose what you never had to begin with and You can't be hurt by anything you haven't invested yourself in and he can't deny it's done little beyond keep him lonely Sapphire Stephenson married had a child and divorced before she was out of her teens But starting out life with a newborn and parents who refused to understand why she couldn't forgive her cheating husband even once she'd taken the only job she'd been able to get as a waitress and later a bartender at a rough biker joint in New York City Sapphire is certain of two things That being a good role model for her daughter is the most important thing in her life and that there isn't a man alive worth any loyalty The dudes who come through the bar have no respect for let alone interest in anything that isn't transitory with the women around them William Decker is the one exception to the rule she's observed and he intrigues her the way no other man ever has But is even he capable of more than promises in the dark that he'll break without regret by morning light **Shotgun Wedding** Karen Wiesner,2021-12-23 Trevor and Eden were married right out of high school She

d believed she was pregnant but that hadn't been her sole motivation Wildly in love with Trevor Johnson she'd worried he was becoming disenchanted with her his attention consumed by the needy and seductive Delaney Foster who came to Amethyst every year with her family In the years Eden and Trevor have been married she's never felt quite secure in the belief that he married her by choice in love During the Christmas season plagued by unspoken guilt and doubts she finds herself again competing with a soon to be divorced distraught and disgustingly gorgeous Delaney Eden is obsessively aware she's no longer as young thin or sexy as she'd been before she had three sons To top off her growing stress Eden has discovered she and Trevor's oldest son and his girlfriend in their senior year of high school are sexually active The last thing they need is another shotgun wedding and the potential that a marriage undertaken for the sake of a baby isn't necessarily one of choice or love

Return to Bloodmoon Manor Karen Wiesner, 2017-07-04 Back into the mouth of hell Daniel and Hannah Reynolds are newly married with their first child on the way when a notice comes from a lawyer saying that the remaining member of the Bonavaris clan has died and willed Bloodmoon Manor and all its possessions to Hannah her former maid and cook While Hannah can't fathom the reason for the bequest the notion of selling the manor and the valuable items inside it begins to grow inside her like an obsession She and Daniel have begun their married life with little more than outstanding debts from his medical education debts that come due around the same time as the birth of their baby After a lifetime of poverty Hannah refuses to allow her child to face the kind of scavenging hand to mouth existence that had led to her employment at the horrible Bloodmoon Manor in the first place Unable to convince his beloved wife to forget about returning to Bloodmoon Cove to secure a future for their family Daniel has no choice but to follow her into what he aptly calls the mouth of hell a place Hannah just barely escaped with her life last time Daniel's worst fears are justified when the doors of Bloodmoon Manor slam shut behind them They've been lured here deliberately and the horrors that haunt the dark evil manor aren't willing to let Hannah leave ever again

Blame it on the Rain Karen Wiesner, 2019-05-31 Talise Tally Johnson is the second youngest in a family of nine siblings having grown up a lifer in the small town of Amethyst where thousands of tourists flock in summer Once the tourist season is over the remaining residents do anything and everything to get through the long hard winters Tally's family owns Johnson Resort Tally has managed to cultivate her job there to include professionally cleaning businesses all around the area throughout the year Like most Amethyst lifers she can't imagine ever moving but Amethyst isn't exactly a hotbed for excitement She and handsome bad boy Adam Schaefer have been an item since high school Against all odds and despite being a reckless youth always in trouble Adam is one of the few born and bred in Amethyst who have managed to get out into the big wide world As a pilot for a large commercial airline he's barely home two weeks out of every year Tally and Adam's informal engagement has stretched out into years and seeing the happy couples getting engaged married and starting families all around her she begins to wonder if he's serious or simply sees her as a convenient stop on the never ending tour of his life Donnie Garner's best friend Adam is easy to admire Though they

grew up together and got in the same fracas as boys Adam has made something of himself Donnie still lives in Amethyst still works in his dad's vehicle repair shop with no other career aspirations still loves the same girl he spent most of his teenage years obsessed with though she's happily married with kids Donnie finds himself longing to experience the kind of loyalty and crazy love with a soulmate that he also sees all around him For once in his life he'd like to be the hero in some amazing woman's life Donnie isn't blind to the shoddy way Adam treats beautiful and sweet Tally cheating on her without remorse and bragging to him about it while Tally carries on believing the best of him and his future intentions toward her Almost unconsciously Donnie finds himself in love with his best friend's girl and trying to make her see she'd be better off without Adam maybe even better off with him But even when Tally falls in love with Donnie instead she can't easily turn away from the father of the child she never expected to be carrying

The Deep Karen Wiesner, 2015-11-28 Very loosely based on Metamorphoses The Story of Pygmalion and the Statue by Ovid Cheyenne Welsh can't forget her past and the disappearance of her younger sister When she returns to Woodcutter's Grim to sell the family property she grew up on she's confronted with all the nightmare realities of her childhood still alive and well still right where she left them down in the darkness the Deep dwells inside Her home

Bound Spirits Karen Wiesner, 2013-08-01 Harritty Scaritty on the mountain side in the realm of the dead how will you escape how will you be fed With the living and the undead Nestled on Lake Superior in northern Wisconsin is a small secluded town called Bloodmoon Cove with volatile weather suspicious folk and newly awakened ghosts bent on revenge Esmeralda Esme Dumas comes to the town looking to find work surrounded by wide open nature and most of all looking for a place to hide Park Ranger John Kotter has returned to his hometown after a decade away He left Bloodmoon Cove under the cruel and mistaken accusations of the townspeople that he was to blame for the suicide of his girlfriend a local daughter When his father goes missing on the mountain and is presumed dead his mother asks him to come home and take over the family legacy Generations of Kotter men including his great great grandfather Harritty have run Bloodmoon Cove Park and John can't help but remember how much he loved this place as a boy When he finds the squatter in the campground host house he can't help wondering if she had anything to do with his father's disappearance John also senses Esme has ghosts of her own As a child Esme was kidnapped and locked in a cold dark basement Her friends were rodents insects and the changeable terror that held her hostage The only thing that kept her sane those nightmare years were her books She's been on the run since her escape a few months ago never expecting to find another bound spirit come back to life
