Phraseology And Culture In English

Sylviane Granger, Fanny Meunier

Phraseology And Culture In English:

Phraseology and Culture in English Paul Skandera, 2008-08-22 The proposition that there is a correlation between language and culture or culture specific ways of thinking can be traced back to the views of Herder and von Humboldt in the late 18th and early 19th centuries It is generally accepted today that a language especially its lexicon influences its speakers cultural patterns of thought and perception in various ways for example through a culture specific segmentation of the extralinguistic reality the frequency of occurrence of particular lexical items or the existence of keywords or key word combinations revealing core cultural values The aim of this volume is to explore the cultural dimension of a wide range of preconstructed or semi preconstructed word combinations in English The 17 papers of the volume are divided into four sections focusing on particular lexemes e g enjoy and its collocates types of word combinations e g proverbs and similes use related varieties such as the language of tourism or answering machine messages and user related varieties such as Aboriginal English or African English The sections are preceded by a prologue tracing the development of the study of formulaic language and followed by an epilogue which draws together the threads laid out in the various papers The relation between language and culture in general has been explored in a number of important works over the past ten years However the study of the relation between English phraseology and culture in particular has been largely neglected This volume is the first book length publication devoted entirely to this topic

Phraseology Sylviane Granger, Fanny Meunier, 2008-06-01 Long regarded as a peripheral issue phraseology is now taking centre stage in a wide range of fields This recent explosion of interest undoubtedly has a great deal to do with the development of corpus linguistics research which has both demonstrated the key role of phraseological expressions in language and provided researchers with automated methods of extraction and analysis The aim of this volume is to take stock of current research in phraseology from a variety of perspectives theoretical descriptive contrastive cultural lexicographic and computational It contains overview chapters by leading experts in the field and a series of case studies focusing on a wide range of multiword units collocations similes idioms routine formulae and recurrent phrases The volume is an invitation for experienced phraseologists to look at the field with different eyes and a useful introduction for the many researchers who are intrigued by phraseology but need help in finding their way in this rich but complex domain

Contrastive Phraseology Fabio Mollica, Paola Cotta Ramusino, 2020-02-06 This volume is addressed to researchers in the field of phraseology and to teachers translators and lexicographers It is a collection of essays offering a comprehensive modern analysis of phrasemes embracing a wide range of subjects and themes from linguistic both applied and theoretical to cultural aspects The contrastive approach underlying this variety of themes allows the divergences and analogies between phraseological units in two or more languages to be outlined The languages compared here are both major and minor European and non European and the text includes contrastive analyses of the most commonly investigated languages French German English Spanish Russian German as well as some less frequently investigated languages like

Ukrainian Romanian Georgian and Thai which are not as well represented in phraseological description despite their scientific interest

Patterns, Meaningful Units and Specialized Discourses Ute Römer, Rainer Schulze, 2010 This collection of papers explores some facets in the areas of Corpus Linguistics and Phraseology which have gone unnoticed so far With the aid of a range of different corpora and new generation software tools the authors tackle specialized domains and discourse in specialized settings utilizing some innovative approaches to the study of recurrent features and patterns in the languages of economics history linguistics politics and other fields The papers critically examine contemporary discourses in which experts and laypersons are equally involved showing that the spoken and written texts selected from various specialized corpora can be seen as collective memory banks The series of reflections and specialized meanings uncovered in these texts are closely tied to particular sequences of patterned chunks in language and offer exciting insights into the inseparability of lexis and grammar The contributions to this volume were previously published in *International Journal of Corpus Linguistics* 13 3 2008

English Dictionaries as Cultural Mines Roberto Facchinetti, 2012-11-16 Dictionaries are mines whose word gems encapsulate centuries of language history and cultural traditions they are store houses of meanings and uses lamp genies to be set free at the very moment readers set their eyes on their entries This book is an attempt to free such lamp genies by discussing the role of dictionaries in the identification and expression of cultural aspects in language with special reference to English As such its eleven chapters have been arranged to focus on general genre specific monolingual and bilingual lexicography both from a diachronic and a synchronic perspective The book will be of use to lexicographers and lexicologists as well as to corpus linguists historical and contemporary English scholars students of English and anybody interested in the juice of culture s that can be fruitfully extracted from dictionary entries

Formulaic Language and New Data Elisabeth Piirainen, Natalia Filatkina, Sören Stumpf, Christian Pfeiffer, 2020-01-20 The existence of formulaic patterns has been attested to all languages of the world However systematic research in this field has been focused on only a few European standard languages with a rich literary tradition and a high degree of written norm It was on the basis of these data that the theoretical framework and methodological approaches were developed The volume shifts this focus by centering the investigation on new data including data from lesser used languages and dialects extra european languages linguistic varieties mostly used in spoken domains as well as at previous historical stages of language development Their inclusion challenges the existing postulates at both a theoretical and methodological level Areas of interest include the following questions What is formulaic in these types of languages varieties and dialects Are the criteria developed within the framework of phraseological research applicable to new data Can any specific types of formulaic patterns and or any specific features of regular already known types of formulaic patterns be observed and how do they emerge What methodological difficulties need to be overcome when dealing with new data

A Cross-linguistic and Cross-cultural Analysis of English and Slovene Onomastic Phraseological Units Alenka Vrbinc, 2019-04-03 The book investigates English and Slovene onomastic

phraseological units PUs and is based on two databases containing English and Slovene PUs with anthroponyms toponyms and their derivatives These databases were created using monolingual English and Slovene phraseological dictionaries The volume provides in depth cross linguistic and cross cultural research into this segment of phraseology and represents the most extensive treatment of any contrastive topic involving Slovene and a foreign language As such it will serve to be a useful source of information for scholars of Slavonic and other languages as well as anyone interested in phraseology cultural specificity etymology translation equivalence and the stereotypical use of ethnonyms Computational and Corpus-Based Phraseology Ruslan Mitkov, 2017-11-03 This book constitutes the refereed proceedings of the International Conference on Computational and Corpus Based Phraseology Europhras 2017 held in London UK in November 2017 The 31 full papers presented were carefully reviewed and selected from numerous submissions and are organized into the following thematic sessions Phraseology in translation and contrastive studies Lexicography and terminography Exploitation of corpora in phraseological studies Development of corpora for phraseological studies Phraseology and language learning Cognitive and cultural aspects of phraseology Theoretical and descriptive approaches to phraseology and Computational approaches to phraseology The chapter Frequency Consolidation Among Word N Grams is available open access under a CC BY 4.0 license

Computational Phraseology Gloria Corpas Pastor, Jean-Pierre Colson, 2020-05-15 Whether you wish to deliver on a promise take a walk down memory lane or even on the wild side phraseological units also often referred to as phrasemes or multiword expressions are present in most communicative situations and in all world's languages Phraseology the study of phraseological units has therefore become a rare unifying theme across linguistic theories In recent years an increasing number of studies have been concerned with the computational treatment of multiword expressions these pertain among others to their automatic identification extraction or translation and to the role they play in various Natural Language Processing applications Computational Phraseology is a comparatively new field where better understanding and more advances are urgently needed This book aims to address this pressing need by bringing together contributions focusing on different perspectives of this promising interdisciplinary field A Life in Linguistics Gabriela Alboiu, Daniela Isac, Alexandru Nicolae, 2022-01-01 Alexandra Cornilescu is an internationally renowned linguist whose pioneering ideas have been influential in developing generative grammar in Romania Europe and beyond The weightiness of her contributions to the field is matched only by her talent for disseminating them Ever since 1970 when she started teaching at the University of Bucharest she has continuously played a tireless and inspirational role in the creation of several generations of linguists which the academic world has come to admiringly refer to as The Bucharest School As the initiator of the AICED conference held annually in the English Department at the University of Bucharest she has turned it into one of the leading platforms of generative linguistics in Europe She has published extensively on Romanian and English linguistics and is also the founder and past editor of the journal Bucharest Working Papers in Linguistics On the occasion of her 75th birthday her friends

students and colleagues celebrate Alexandra Cornilescu's work with this collection of essays on various topics of current theoretical interest

Phraseology And Culture In English Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Phraseology And Culture In English free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Phraseology And Culture In English free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Phraseology And Culture In English free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Phraseology And Culture In English. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Phraseology And Culture In English any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Phraseology And Culture In English Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
