Popkin, 2007-10-01 In this sweeping study of the judicial opinion William D Popkin examines how judges opinions have been presented from the early American Republic to the present Throughout history he maintains judges have presented their opinions within political contexts that involve projecting judicial authority to the external public yet within a professional legal culture that requires opinions to develop judicial law through particular institutional and individual judicial styles Tracing the history of judicial opinion from its roots in English common law Popkin documents a general shift from unofficially reported oral opinions to semi official reports to the U S Supreme Court s adoption in the early nineteenth century of generally unanimous opinions While this institutional base was firmly established by the twentieth century Popkin suggests that the modern U S judicial opinion has reverted in some respects to one in which each judge expresses an individual point of view Ultimately he concludes that a shift from an authoritative to a more personal and exploratory individual style of writing opinions is consistent with a more democratic judicial institution
