Rescuing The Danish Jews A Heroic Story From The Holocaust:

Rescuing the Danish Jews Ann Byers,2012-01-01 Examines the rescue of the Danish Jews during World War II including background on Denmark and the Holocaust firsthand accounts from the many people involved and how thousands of Jews were saved from the Nazis Provided by publisher [Courage & Defiance: Stories of Spies, Saboteurs, and Survivors in World War II Denmark \(Scholastic Focus\)](#) Deborah Hopkinson,2015-08-25 Critically acclaimed Sibert Honor author Deborah Hopkinson brings to bold life the remarkable story of the Danish resistance and rescue of over 7 000 Jews during WWII When the Nazis invaded Denmark the morning of Tuesday April 9 1940 the people of this tiny country to the north of Germany awoke to a devastating surprise The government of Denmark surrendered quietly and the Danes were ordered to go about their daily lives as if nothing had changed But everything had changed Award winning author Deborah Hopkinson traces the stories of the heroic young men and women who would not stand by as their country was occupied Rather they fought back Some were spies passing tactical information to the British some were saboteurs who aimed to hamper and impede Nazi operations in Denmark and 95% of the Jewish population of Denmark were survivors rescued by their fellow countrymen who had the courage and conscience that drove them to act With her extraordinary talent for digging deep in her research and weaving real voices into her narratives Hopkinson reveals the thrilling truth behind one of WWII s most daring resistance movements [Saving Children From the Holocaust](#) Ann Byers,2012-01-01 Discusses the Kindertransport including the people who organized the operation how the transports worked the children s lives who escaped on a transport and how ten thousand children were saved from the Holocaust Provided by publisher *The Warsaw Ghetto Uprising* Linda Jacobs Altman,2012-01-01 Examines the Warsaw ghetto uprising including the roots of the resistance in the Warsaw ghetto stories from the participants in the uprising how the battle ended and how the small group of fighters became heroes during the Holocaust Provided by publisher *Auschwitz* James Deem,2012-01-01 Examines Auschwitz a death camp during the Holocaust including its construction and daily workings true accounts from prisoners of the camp and Nazi perpetrators and how more than 1 million people were murdered there Provided by publisher [The Nuremberg Trials](#) Laura La Bella,2014-07-15 The Holocaust is an atrocity of such overwhelming magnitude and depravity that it must never be forgotten yet can scarcely be comprehended The sheer horror of it can often make it seem unreal to contemporary eyes The primary source images firsthand accounts meticulous timeline and transcripts of speeches and testimony associated with the Nuremberg Trials and the Nazi crimes they prosecuted are found here grounding the horror in undeniable irrefutable reality Taken together they help ensure for a new generation that the Holocaust will never be forgotten never be denied and never be repeated **Unlikely Heroes** Ari Kohen,Gerald J. Steinacher,2019-05-01 Classes and books on the Holocaust often center on the experiences of victims perpetrators and bystanders but rescuers also occupy a prominent space in Holocaust courses and literature even though incidents of rescue were relatively few and rescuers constituted less than 1 percent of the

population in Nazi occupied Europe As inspiring figures and role models rescuers challenge us to consider how we would act if we found ourselves in similarly perilous situations of grave moral import Their stories speak to us and move us Yet this was not always the case Seventy years ago these brave men and women today regarded as the Righteous Among the Nations went largely unrecognized indeed sometimes they were even singled out for abuse from their co nationals for their selfless actions Unlikely Heroes traces the evolution of the humanitarian hero looking at the ways in which historians politicians and filmmakers have treated individual rescuers like Raoul Wallenberg and Oskar Schindler as well as the rescue efforts of humanitarian organizations Contributors in this edited collection also explore classroom possibilities for dealing with the role of rescuers at both the university and the secondary level

The Rescue of the Danish Jews Leo Goldberger,1987 An immensely valuable contribution As the last generation of witnesses to the Holocaust testify to its horrors they must also testify to its heroes those who risked all to save lives These movingly told stories restore our faith in the human spirit William Shirer The mystery of the rescue phenomenon will probably always elude us As the rescuers narratives in this remarkable volume show the acts of saving Jews seemed spontaneous and natural and thus the mystery of the rescue act begins to unravel radiantly The insights which this interdisciplinary collection of essays subtly pieces together show in unique fashion the preconditions or the possibilities of individual and collective courage Dennis B Klein author of Jewish Origins of the Psychoanalytic Movement A distinguished group of internationally known individuals Jews and non Jews rescuers and rescued offer their enriching first person accounts and reflections that explore the question Why did the Danes risk their lives to rescue the Jewish population

Kristallnacht James Deem,2012-01-01 Discusses Kristallnacht a four day pogrom instigated by the Nazis against Germany's Jews including stories from the victims witnesses and perpetrators of the attack and how it marked the beginning of the Holocaust Provided by publisher
