Jean-Luc Marion

Resistance The Revelations:

Revelation M Eugene Boring, **Givenness and Revelation** Jean-Luc Marion, 2016-03-24 Givenness and Revelation represents both the unity and the deep continuity of Jean Luc Marions thinking over many decades This investigation into the origins and evolution of the concept of revelation arises from an initial reappraisal of the tension between natural theology and the revealed knowledge of God or sacra doctrina Marion draws on the re definition of the notions of possibility and impossibility the critique of the reification of the subject and the unpredictability of the event in its relationship to the phenomenology of the gift This work begins and ends in the concept of revelation thus addressing the very heart and soul of Marion s theology concluding with a phenomenological approach to the Trinity that rests in the Spirit as gift Givenness and Revelation enhances not only our understanding of religious experience but enlarges the horizon of possibility of phenomenology itself **Dark Revelation - The Role Playing Game - Player's Guide** C.N. Constantin, Jason Cable Hall, 2014-12-07 The Hodgepocalypse takes North America and the d20 system and makes it a diverse world filled with magical rites modern technology and bizarre cultures **Revelations of Ideology: Apocalyptic Class Politics in Early Roman Palestine** Anthony Keddie, 2018-09-11 In Revelations of Ideology G Anthony Keddie proposes a new theory of the social function of Judaeen apocalyptic texts produced in Early Roman Palestine 63 BCE 70 CE In contrast to evaluations of Jewish and early Christian apocalyptic texts as literature of the oppressed or literature of resistance against empire Keddie demonstrates that scribes produced apocalyptic texts to advance ideologies aimed at self legitimation By revealing that their opponents constituted an exploitative class scribes generated apocalyptic ideologies that situated them in the same exploited class as their constituents Through careful historical and ideological criticism of the Psalms of Solomon Parables of Enoch Testament of Moses and Q source Keddie identifies an internally diverse tradition of apocalyptic class rhetoric in late Second Temple Judaism The Oxford Handbook of the Book of Revelation Craig R. Koester, 2020 The Book of Revelation holds a special fascination for both scholars and the general public The book has generated widely differing interpretations yet Revelation has surprisingly not been the focus of many single volume reference works The Oxford Handbook of the Book of Revelation fills a need in the study of this controversial book Thirty essays by leading scholars from around the world orient readers to the major currents in the study of Revelation Divided into five sections Literary Features Social Setting Theology and Ethics History of Reception and Influence and Currents in Interpretation the essays identify the major lines of interpretation that have shaped discussion of these topics and then work through the aspects of those topics that are most significant and hold greatest promise for future research *Hebrews, the General Epistles, and Revelation* Margaret Aymer, Cynthia Briggs Kittredge, David A. Sanchez, 2016-10-10 This commentary on the Hebrews the General Epistles and Revelation excerpted from the Fortress Commentary on the Bible The New Testament engages readers in the work of biblical interpretation Contributors connect historical critical analysis with sensitivity to current theological cultural and interpretive

issues Each chapter Hebrews through Revelation includes an introduction and commentary based on three lenses ancient context the interpretative tradition and contemporary questions and challenges Hebrews the General Epistles and Revelation introduces fresh perspectives and draws students preachers and interested readers into the challenging work of interpretation

Revelation Comes from Elsewhere Jean-Luc Marion, 2024-08-20 Jean Luc Marion has long endeavored to broaden our view of truth In this illuminating new book his deepest engagement with theology to date Marion proposes a rigorous new understanding of human and divine revelation in a deeply phenomenological key Although today considered the central theme of theology the concept of Revelation was almost entirely unknown to the first millennium of Christian thought In a penetrating historical deconstruction Marion traces the development of this term to the rise of metaphysics from Aquinas through Suarez Descartes and Kant formalized into an epistemological framework this understanding of Revelation has restricted philosophical and theological thinking ever since To break free from these limits Marion takes hints from theologians including Barth and Balthasar while mobilizing the phenomenology of givenness to provide a rigorous new understanding of revelation as a mode of uncovering His extensive study of the Jewish and Christian Scriptures unfolds a logic of Trinitarian phenomenality worked out in conversation with Basil Augustine Hegel Schelling and others that ultimately transforms our very notions of being and time The result is precisely what we have come to expect from this acclaimed philosopher masterful historical scholarship working in tandem with daring originality

SCM Core Text: The Book of Revelation Simon Woodman, 2013-01-25 For most people Revelation is a book that is either largely ignored or it is the object of such fanatical study and fanciful interpretation that it passes from the realm of the interesting and helpful into the realm of fantasy and speculation Much literature has been published in recent years on its interpretation some of which is scholarly and technical and some of which is populist and accessible The problem is that the technical and scholarly material frequently requires careful and detailed study combined with an advanced level of knowledge whereas much of the populist material tends toward the fanatical and fanciful The aim of this book is to bridge this gap It is written with second and third year university students in mind and would also be helpful for pastors and those in local churches who want to take seriously their study of this often needlessly confusing biblical book

Reading Revelation Missiologically Abeneazer G. Urga, Edward L. Smither, Michael P. Naylor, 2025-10-28 Through *Global Mission to God's Throne* Few works on Revelation emphasize its missional element *Reading Revelation Missiologically* aims to fill that gap showing that this final book of the Bible is deeply missional calling God's people to witness worship and endure in the face of suffering As the fourth volume in the *Reading Missiologically* series following Hebrews 1 Peter and James it highlights Revelation's call to faithfulness perseverance through suffering and global worship of the Lamb Structured around the missionary motive why message what and methods how this volume explores Revelation's theology of mission Revelation is replete with the theme of God's love for the nations and it calls God's people to live as a foretaste of the coming new creation Global voices offer fresh insights for pastors

scholars and students Rather than a puzzle to decode Revelation is presented as a powerful missionary declaration

Reading Revelation Responsibly Michael J. Gorman, 2011-01-01 Reading Revelation Responsibly is for those who are confused by afraid of and or preoccupied with the book of Revelation In rescuing the Apocalypse from those who either completely misinterpret it or completely ignore it Michael Gorman has given us both a guide to reading Revelation in a responsible way and a theological engagement with the text itself He takes interpreting the book as a serious and sacred responsibility believing how one reads teaches and preaches Revelation can have a powerful impact on one s own and other people s well being Gorman pays careful attention to the book s original historical and literary contexts its connections to the rest of Scripture its relationship to Christian doctrine and practice and its potential to help or harm people in their life of faith Rather than a script for the end times Gorman demonstrates how Revelation is a script for Christian worship witness and mission that runs counter to culturally embedded civil religion

Resistance The Revelations Introduction

In the digital age, access to information has become easier than ever before. The ability to download Resistance The Revelations has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Resistance The Revelations has opened up a world of possibilities. Downloading Resistance The Revelations provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Resistance The Revelations has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Resistance The Revelations. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Resistance The Revelations. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Resistance The Revelations, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Resistance The Revelations has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.
