Dorota Mokrosinska

Rethinking Political Obligation Moral Principles Communal Ties Citizenship:

Rethinking Political Obligation D. Mokrosinska, Dorota Mokrosinska, 2012-07-31 What are the grounds for and limits to obedience to the state This book offers a fresh analysis of the debate concerning the moral obligation to obey the state develops a novel account of political obligation and provides the first detailed argument of how a theory of political obligation can apply to subjects of an unjust state

The Oxford Handbook of Political Obligation, 2025-09-28 The Oxford Handbook of Political Obligation offers an authoritative up to date overview of research in this field In recent decades scholars have developed strong criticisms of the traditional reasons given to explain political obligations At present skepticism about the possibility of a convincing account may well be the dominant position in the literature These philosophical developments run alongside changed political and social circumstances In recent years Western political systems have come under suspicion with citizens led to question traditional reasons why they should obey them Additional factors renewing interest in political obligation include the emergence of new democracies in Eastern Europe occasioned by the fall of the Soviet Union and unrest in many American cities especially over issues of racial justice This Handbook has two main foci contemporary philosophical debates about political obligation and responses to political social circumstances that raise questions about requirements to obey the law Traditional theories of obligation are addressed in a series of essays by well known authorities while additional essays canvass new approaches including the possibility of legitimate states without moral requirements to obey them and skeptical conclusions from important theorists Responses to political and social circumstances include civil disobedience and more radical approaches In addition political obligations are addressed as they bear on emerging democracies and unjust and authoritarian regimes

Playing Fair Richard Dagger, 2018-06-01 In *Playing Fair* Richard Dagger provides a unified theory of political obligation and the justification of punishment that takes its bearings from the principle of fair play Dagger argues that members of a just polity have an obligation to obey its laws because they have an obligation of reciprocity or fair play to one another

Defending Associative Duties Jonathan Seglow, 2013-10-15 This book explores the associative duties we owe to our children parents friends colleagues associates and compatriots and defends a novel account which justifies such duties through the realization of values that are produced in these various kinds of social relationships Seglow engages with several key contemporary debates including parental rights over children's education the burdens of eldercare permissible partiality to friends and global justice versus compatriot duties

State Secrecy and Democracy Dorota Mokrosinska, 2023-10-24 In the wake of controversial disclosures of classified government information by WikiLeaks and Edward Snowden questions about the democratic status of secret uses of political power are rarely far from the headlines Despite an increase in initiatives aimed at enhancing government transparency such as freedom of information or sunshine laws secrecy persists in both the foreign and domestic policy of democratic states in the form of classified intelligence programs espionage secret military operations diplomatic discretion closed door political bargaining and

bureaucratic opacity This book explores whether the state's claim to restrict access to information can be justified Dorota Mokrosinska answers this question with a qualified yes arguing that secrecy in exercising executive and legislative power can be seen as a legitimate exercise of democratic authority rather than as its justified suspension Past and recent examples of state secrecy are used throughout the book including the Manhattan Project decision making leading to the Iraq War the extraordinary renditions programs and secret detention sites in Eastern Europe collaboration between international secret services and the WikiLeaks and Snowden disclosures State Secrecy and Democracy A Philosophical Inquiry is essential reading for those in political philosophy ethics politics international relations and security studies and law *Authority* Fabian Wendt, 2018-08-08 From citizens paying taxes to employees following their bosses orders and kids obeying their parents we take it for granted that a whole range of authorities have the power to impose duties on others However although authority is often accepted in practice it looks philosophically problematic if we conceive persons as free and equals In this short and accessible book Fabian Wendt examines the basis of authority discussing five prominent theories that try to explain how claims to authority can be vindicated Focusing in particular on the issue of how states can rightfully claim authority he rigorously analyses the theories arguments and evaluates their strengths and weaknesses He also debates anarchism as an alternative that should be taken seriously if no theory ultimately succeeds in explaining state authority This clear and engaging book will be essential reading for anyone grappling with the most fundamental questions of authority and obligation in political theory and political philosophy **Political Corruption** Emanuela Ceva, Maria Paola Ferretti, 2021-04-16 This book makes political corruption an object of public ethics by demonstrating how it is an internal enemy a Trojan horse of public institutions To understand political corruption Emanuela Ceva and Maria Paola Ferretti argue we must adopt an internal point of view and look at how officeholders interrelated conduct may fail the functioning of their institution because of their unaccountable use of their office's powers Even well designed institutions may be derailed if the officeholders fail to uphold by their conduct a public ethics of office accountability Political corruption is one such failure and it is wrong even when its negative consequences are unclear or debatable To correct this failure the book calls on officeholders to oppose political corruption from the inside by engaging in practices of mutual answerability

Philosophical Perspectives on Social Cohesion Mary Healy, 2013-10-24 What would the civic relationship between citizens in a socially cohesive society look like What models might we use to educate young people to support developing these bonds Do these different models have different implications for how we structure the bonds that support a civic relationship Philosophical Perspectives on Social Cohesion challenges the basis of how we characterize civic bonds and how we best organize schools to encourage and develop them Mary Healy argues that metaphors and social imaginaries often give a framework for considering our interrelatedness She re-examines the metaphor of fraternity used as a precursor to elements of the Big Society arguing that such attempts to align fraternity with liberty are mistaken and that equality plays a

vital role At a time of increasing diversity of school provision this pertinent book indicates the connection between how we organize school structures and the models of citizenship we value

Transparency and Secrecy in European

Democracies Dorota Mokrosinska, 2020-11-11 This edited volume offers a critical discussion of the trade offs between transparency and secrecy in the actual political practice of democratic states in Europe As such it answers to a growing need to systematically analyse the problem of secrecy in governance in this political and geographical context Focusing on topical cases and controversies in particular areas the contributors reflect on the justification and limits of the use of secrecy in democratic governance register the social cultural and historical factors that inform this process and explore the criteria used by European legislators and policy makers both at the national and supranational level when balancing interests on the sides of transparency and secrecy respectively This book will be of key interest to scholars and students of security studies political science European politics studies law history political philosophy public administration intelligence studies media and communication studies and information technology sciences

Privacy, Security and Accountability Adam D.

Moore, 2015-12-02 What is the appropriate balance between privacy security and accountability What do we owe each other in terms of information sharing and access Why is privacy valuable and is it more or less important than other values like security or free speech Is Edward Snowden a hero or villain Within democratic societies privacy security and accountability are seen as important values that must be balanced appropriately If there is too much privacy then there may be too little accountability and more alarmingly too little security On the other hand where there is too little privacy individuals may not have the space to grow experiment and engage in practices not generally accepted by the majority Moreover allowing overly limited control over access to and uses of private places and information may itself be a threat to security By clarifying the moral legal and social foundations of privacy security and accountability this book helps determine the appropriate balance between these contested values Twelve specially commissioned essays provide the ideal resource for students and academics in information and applied ethics

Rethinking Political Obligation Moral Principles Communal Ties Citizenship Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rethinking Political Obligation Moral Principles Communal Ties Citizenship has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rethinking Political Obligation Moral Principles Communal Ties Citizenship has opened up a world of possibilities. Downloading Rethinking Political Obligation Moral Principles Communal Ties Citizenship provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rethinking Political Obligation Moral Principles Communal Ties Citizenship has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rethinking Political Obligation Moral Principles Communal Ties Citizenship. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rethinking Political Obligation Moral Principles Communal Ties Citizenship. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rethinking Political Obligation Moral Principles Communal Ties Citizenship, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rethinking Political Obligation Moral Principles Communal Ties Citizenship has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rethinking Political Obligation Moral Principles Communal Ties Citizenship Books

1. Where can I buy Rethinking Political Obligation Moral Principles Communal Ties Citizenship books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rethinking Political Obligation Moral Principles Communal Ties Citizenship book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rethinking Political Obligation Moral Principles Communal Ties Citizenship books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rethinking Political Obligation Moral Principles Communal Ties Citizenship audiobooks, and where can I find

them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
