International Narcotics Control Board,2012 China's Drug Practices and Policies Hong Lu,Terance D. Miethe,Bin Liang,2016-05-23 In the context of global efforts to control the production distribution and use of narcotic drugs China s treatment of the problem provides an important means of understanding the social political and economic limits of national and international policies to regulate drug practices In the nineteenth and early twentieth centuries China was known for its national addiction to opium but its drug eradication campaigns from the 1950s to the 1970s achieved unprecedented success that ultimately transformed China into a drug free society However since the economic reforms and open door policy of the late twentieth century China is now facing a re emergence of the production use and trafficking of narcotic drugs Employing case studies and a comparative historical approach and drawing on a variety of data sources including historical records official crime data only recently made available and news reports this book is the first English language publication to provide such a comprehensive documentation and analysis of the nature of China s legal regulation of controlled substances The authors also offer theoretical approaches for studying drug regulation aspects of drug consumption cultures the socio political treatment of drugs during various historical periods and ongoing efforts to legislate drug trade criminalize drug use and manage the drug addict population within national and international contexts

Transforming the War on Drugs Annette Idler,Juan Carlos Garzón Vergara,2021-12-01 A stark reassessment of the merits of conventional anti drugs policies for dealing with narcotics Asia in the Pacific Islands R. G. Crocombe,2007 A spectacular transition is under way in the Pacific Islands as a result of which all our lives will be radically different In the last fifty years or so Asia has begun to play a bigger and bigger role in all aspects of Islands life migration trade and investment aid and development information and media religion culture and sport It is replacing the West The process is irreversible

With his trademark breadth and depth of knowledge and understanding of the region based on over half a century of experience study and deliberation Ron Crocombe documents the early connections between Asia and the Pacific details recent and continuing changes and poses challenging theories about the future Publisher **Domestic and International Perspectives on Kyrgyzstan's 'Tulip Revolution'** Sally Cummings,2013-09-13 In early 2005 regional protests in Kyrgyzstan soon became national ones as protesters seized control of the country's capital Bishkek The country's president for fifteen years Askar Akaev fled the country and after a night of extensive looting a new president Kurmanbek Bakiyev came to power The events quickly earned the epithet Tulip Revolution and were interpreted as the third of the colour revolutions in the post Soviet space following Ukraine and Georgia But did the events in Kyrgyzstan amount to a revolution How much change followed and with what academic and policy implications This innovative unique study of these events brings together a new generation of Kyrgyz scholars together with established international observers to assess what happened in Kyrgyzstan and after and the wider implications This book was published as a special issue of Central Asian Survey United States Congressional Serial Set, Serial No. 15052, House Reports Nos. 400-441 , Mental and Neurological Public Health Vikram Patel,Alistair Woodward,Valery Feigin,Stella R. Quah,Kristian Heggenhougen,2010-06-07 Colin Mathers who leads the Global Burden of Disease group in WHO has confirmed that in the 2004 GBD 13.1% of global Daily Adjusted Life Years are attributable to mental or neurological disorders While the proportions vary very widely from about 10% in low income countries to over 25% in high income countries it is clear that there is a need for understanding how to address this issue This volume aims to provide a comprehensive overview of the public health principles of mental and neurological disorders This vast range of health conditions affects people across the life course from developmental disabilities in childhood to schizophrenia and substance abuse in adults and dementia in old age Despite this diversity they all share many features they are mostly mediated through brain dysfunction or abnormalities are often chronic in course typically benefit from multi component interventions and are amongst the most neglected conditions in global health The volume will bring together chapters from the Psychiatry Neurology Substance Abuse and Child Development sections of the Encyclopedia of Public Health The volume will be the first comprehensive text on a public health approach to this diverse group of health conditions and has no obvious competitor Highlights the common features of many mental and neurological disorders Provides insights into potential cross over methods of identification and treatment Includes chapters on the most frequently diagnosed mental and neurological challenges faced by public health systems **International Drug Control** David R. Bewley-Taylor,2012-03-22 The first integrated analysis of the causes and effects of diverging views of drug use within the international community
