Resurrection The Power Of God For Christians And Jews:

Resurrection Kevin Madigan, Jon Douglas Levenson, 2008-01-01 This book written for religious and nonreligious people alike in clear and accessible language Although this expectation known as the resurrection of the dead is widely understood to have been a part of Christianity from its beginnings nearly two thousand years ago many people are surprised to learn that the Jews believed in resurrection long before the emergence of Christianity In this sensitively written and historically accurate book religious scholars Kevin J Madigan and Jon D Levenson aim to clarify confusion and dispel misconceptions about Judaism Jesus and Christian origins Madigan and Levenson tell the fascinating but little known story of the origins of the belief in resurrection investigating why some Christians and some Jews opposed the idea in ancient times while others believed it was essential to their faith The authors also discuss how the two religious traditions relate their respective practices in the here and now to the new life they believe will follow resurrection Making the rich insights of contemporary scholars of antiquity available to a wide readership Madigan and Levenson offer a new understanding of Jewish Christian relations and of the profound connections that tie the faiths together

Christian Jew Lloyd Parks, 2015-01-02 Christian Jew is about the authors early Christian upbringing young adult atheism and a return to his biblical roots It teaches how unforgiving can lead to a hard heart that causes sin and it opens the door of ones life to the enemy Satan Most importantly it teaches Gods goodness and grace have the power to bring a strayed sheep back to Him In addition Christian Jew is about the often neglected aspects of the Judaic roots of Christianity Gentile believers must never forget the gospel is brought to them by Jewish believers in Gods Messiah The book brings enlightenment about how the Messiah has broken down the walls between Jews and Gentiles Both have been made one new man in Messiah It explains law and grace and the spiritual gifts God uses to save sinners It teaches believers salvation comes through Gods grace mixed with believers faith in Messiah Therefore is the law relevant today Yes the law is still relevant because the law is still holy and good But the law does not bring salvation to sinner grace does bring salvation to sinners The author hopes you have enjoyed the book and he looks forward to hearing from his readers
