John Goldingay

Models For Interpretation Of Scripture

Christiana de Groot, Marion Ann Taylor

Models For Interpretation Of Scripture:

Models for Scripture John Goldingay, 2004 Looks at the task of interpreting Scripture as witnessing tradition authoritative canon inspired word and experienced revelation *Models for Interpretation of Scripture* John Goldingay, 2024-09-30 This definitive study looks at the task of interpreting Scripture by exploring four broad models for understanding Scripture namely witnessing tradition authoritative canon inspired word and experienced revelation The diversity of interpretive approaches implied by the use of these four models is carried further by a methodological openness within each of the four major divisions of the book For instance in dealing with the interpretation of scriptural narrative Goldingay carefully explains how literary approaches to Scripture and a concern for the history in the Bible's stories can be held together with other interpretive focuses In his discussion of differing approaches and focuses in interpretation Goldingay is impressively clear and informative and demonstrates a sophisticated ability to respond to and challenge what other scholars have written Throughout this volume Goldingay continually moves toward the interpreter's final task communication to others of what has been gained in interpretation He asks for example what are the implications of the different interpretive strategies for Christian life human liberation preaching and Christian community life He demonstrates his conclusions with numerous examples of interpretation his own and others of specific Bible passages *Models for Interpretation of Scripture* John Goldingay, 1995 This definitive study looks at the task of interpreting Scripture by exploring four broad models for understanding Scripture namely witnessing tradition authoritative canon inspired word and experienced revelation *Social Scientific Models for Interpreting the Bible* John Pilch, 2021-10-01 Fourteen members of The Context Group honor Bruce J Malina and his scholarship in this volume by following his consistent example of developing or using explicit social scientific models to interpret documents from the ancient Mediterranean world Ordinary features of that cultural world such as gossip reciprocity a pervasive military presence the power of women and becoming a follower of Jesus stand out with greater clarity in the Bible when a reader understands the cultural matrix in which such social dynamics function These essays reflect The Context Group's more than twenty years of collaborative experience in researching the cultural context of the Bible New insights are built on the solidly established foundations of their earlier cross cultural studies Readers will find the individual essays enlightening and challenging Taken as a whole they form a valuable resource and a stimulating and helpful aid to further study **Handbook of Women Biblical Interpreters** Marion Ann Taylor, Agness Choi, 2012-10-01 Word Guild 2012 Canadian Christian Writing Award Honorable Mention The Grace Irwin Prize 2013 2012 Book of the Year Award Foreword Magazine The history of women interpreters of the Bible is a neglected area of study Marion Taylor presents a one volume reference tool that introduces readers to a wide array of women interpreters of the Bible from the entire history of Christianity Her research has implications for understanding biblical interpretation especially the history of interpretation and influencing contemporary study of women and the Bible

Contributions by 130 top scholars introduce foremothers of the faith who address issues of interpretation that continue to be relevant to faith communities today such as women's roles in the church and synagogue and the idea of religious feminism. Women's interpretations also raise awareness about differences in the ways women and men may read the Scriptures in light of differences in their life experiences. This handbook will prove useful to ministers as well as to students of the Bible who will be inspired, provoked and challenged by the women introduced here. The volume will also provide a foundation for further detailed research and analysis. Interpreters include Elizabeth Rice, Achtemeier, Saint Birgitta of Sweden, Catherine Mumford Booth, Anne Bradstreet, Catherine of Siena, Clare of Assisi, Egeria, Elizabeth I, Hildegard, Julian of Norwich, Thérèse of Lisieux, Marcella Henrietta C. Mears, Florence Nightingale, Phoebe Palmer, Faltonia Betitia Proba, Pandita Ramabai, Christina Georgina Rossetti, Dorothy Leigh Sayers, Elizabeth Cady Stanton, Harriet Beecher Stowe, St. Teresa of Avila, Sojourner Truth and Susanna Wesley.

Interpretation for Preaching and Teaching Stanley E. Porter, 2023-08-08. Renowned biblical scholar Stanley Porter offers an accessible introduction to hermeneutics to help students and pastors better interpret and understand God's Word. Interpretation for Preaching and Teaching focuses on various levels of interpretation and proclamation which are arranged in a necessary hierarchy: language and linguistics, the biblical text, biblical theology, systematic theology and homiletics. Stanley Porter grounds the discussion within a conversation of biblical authority and offers a fresh examination of the key issues. The result is a workable method that introduces each of the major topics of interpretation and addresses some of the complexities of their use. This book provides the basics for a Bible interpreter to move from fundamental questions about the task of biblical interpretation to understanding a text and its theology to creating and delivering a sermon. It offers valuable guidance for professors and students of hermeneutics and equips pastors and Bible teachers to deliver a relevant message to those who rely on them to be faithful interpreters.

Recovering Nineteenth-Century Women Interpreters of the Bible Christiana de Groot, Marion Ann Taylor, 2018-04-25. Women have been thoughtful readers and interpreters of scripture throughout the ages, yet the usual history of biblical interpretation includes few women's voices. To introduce readers to this untapped source for the history of biblical interpretation, this volume presents forgotten works from the nineteenth century written by women, including Grace Aguilar, Florence Nightingale and Harriet Beecher Stowe among others, from various faith backgrounds, countries and social classes, engaging contemporary biblical scholarship. Due to their exclusion from the academy, women's interpretive writings addressed primarily a nonscholarly audience and were written in a variety of genres: novels and poetry, catechisms, manuals for Bible study and commentaries on the books of the Bible. To recover these nineteenth-century women interpreters of the Bible, each essay in this volume locates a female author in her historical ecclesiastical and interpretive context, focusing on particular biblical passages to clarify an author's contributions as well as to explore how her reading of the text was shaped by her experience as a woman.

Women in the Bible Jaime Clark-Soles, 2020-12-01. What was it like to be a woman in the biblical

period It depended in part on who you were a queen a judge a primary wife a secondary wife a widow a slave or some other kind of ordinary woman In *Women in the Bible* Jaime Clark Soles investigates how women are presented in Scripture taking into account cultural views of both ancient societies as well as our own While women today are exercising leadership in churches across a number of denominations and our scholarly knowledge related to women in the Bible has grown immensely challenges remain Most of Christendom still excludes women from religious leadership and many Christians invoke the Bible to circumscribe women's leadership in the public square and in the home as well It is more urgent than ever therefore to investigate closely honestly and intrepidly what the Bible does and doesn't say about women In a multipronged approach Clark Soles treats well known biblical women from fresh perspectives highlights women who have been ignored and recovers those who have been erased from historical memory by particular moves made in the transmission and translations of the text She explores symbolic feminized figures like Woman Wisdom and the Whore of Babylon and reclaims the uses of feminine imagery in the Bible that often go unnoticed Chapters focus on themes of God's relationship to gender women and violence women as creators and women in the ministry of both Jesus and Paul Clark Soles aims to equip clergy and other leaders invested in the study of Scripture to consider women in the Bible from multiple angles and as a result help people of all genders to live God's vision of better more just lives as we navigate the challenges of our complex globally connected world
