Mobilizing An Asian American Community Asian American History And Culture:

Mobilizing an Asian American Community Linda Trinh Võ, 2004 Focusing on San Diego in the post Civil Rights era Linda Trinh V examines the ways Asian Americans drew together despite many differences within the group to construct a community that supports a variety of social economic political and cultural organizations Using historical materials ethnographic fieldwork and interviews Linda Trinh V traces the political strategies that enable Asian Americans to bridge ethnicity generation gender language and class differences among others She demonstrates that mobilization is not a smooth linear process and shows how the struggle over ideologies political strategies and resources affects the development of community organizations V also analyzes how Asian Americans construct their relationship with Asia and how they forge relationships with other racialized communities of color V argues that the situation in San Diego illuminates other localities across the country where Asians face challenges trying to organize find sufficient resources create leaders and define strategies *The Transnational Politics of Asian Americans* Christian Collet, Pei-Te Lien, 2009-07-28 Asian Americans as a force for political change on both sides of the Pacific **Asian American History** Huping Ling, 2023-08-11 A comprehensive survey Asian American History places Asian immigration to America in international and domestic contexts and explores the significant elements that define Asian America imperialism and global capitalist expansion labor and capital race and ethnicity immigration and exclusion family and work community and gender roles assimilation and multiculturalism panethnicity and identity transnationalism and globalization and new challenges and opportunities It is an up to date and easily accessible resource for high school and college students as well as anyone who is interested in Asian American history Asian American History Covers the major and minor Asian American ethnic groups It presents the myriad and poignant stories of a diverse body of Asian Americans from illiterate immigrants to influential individuals within a broad and comparative framework offering microscopic narratives as well as macroscopic analysis and overviews Utilizes both primary and secondary sources employs data and surveys and incorporates most recent scholarly discourses Attractive and accessible by incorporating voices and illustrations of the contemporaries and by using straightforward language and concise syntax while maintaining a reasonable level of scholarly depth Special features Each chapter features Significant Events Sidebars incorporating primary sources or scholarly debates Review Questions and Further Readings to aid and enhance student learning experience Bibliographies charts maps photographs and tables are included Written by a preeminent historian with four decades of teaching research and publishing experiences in Asian American history it is the best book on the subject to date *Chinese American Transnationalism* Sucheng Chan, 2006 Chinese American Transnationalism considers the many ways in which Chinese living in the United States during the exclusion era maintained ties with China through a constant interchange of people and economic resources as well as political and cultural ideas This book continues the exploration of the exclusion era begun in two previous volumes Entry Denied which examines the strategies that Chinese Americans used to

protest undermine and circumvent the exclusion laws and Claiming America which traces the development of Chinese American ethnic identities Taken together the three volumes underscore the complexities of the Chinese immigrant experience and the ways in which its contexts changed over the sixty one year period **Tiananmen Fictions outside the Square** Belinda Kong,2012-05-04 An exciting analysis of the myriad literary effects of Tiananmen Belinda Kong s Tiananmen Fictions Outside the Square is the first full length study of fictions related to the 1989 movement and massacre More than any other episode in recent world history Tiananmen has brought a distinctly politicized Chinese literary diaspora into stark relief Kong redefines Tiananmen s meaning from an event that ended in local political failure to one that succeeded in producing a vital dimension of contemporary transnational writing today She spotlights key writers Gao Xingjian Ha Jin Annie Wang and Ma Jian who have written and published about the massacre from abroad Their outsider distanced perspectives inform their work and reveal how diaspora writers continually reimagine Tiananmen s relevance to the post 1989 world at large Compelling us to think about how Chinese culture identity and politics are being defined in the diaspora Tiananmen Fictions Outside the Square candidly addresses issues of political exile historical trauma global capital and state biopower

Reframing Transracial Adoption Kristi Brian,2012-05-11 Until the late twentieth century the majority of foreign born children adopted in the United States came from Korea In the absorbing book Reframing Transracial Adoption Kristi Brian investigates the power dynamics at work between the white families the Korean adoptees and the unknown birth mothers Brian conducts interviews with adult adopted Koreans adoptive parents and adoption agency facilitators in the United States to explore the conflicting interpretations of race culture multiculturalism and family Brian argues for broad changes as she critiques the so called colorblind adoption policy in the United States Analyzing the process of kinship formation the racial aspects of these adoptions and the experience of adoptees she reveals the stifling impact of dominant nuclear family ideologies and the crowded intersections of competing racial discourses Brian finds a resolution in the efforts of adult adoptees to form coherent identities and launch powerful adoption reform movements *Unsettled* Eric Tang,2015-10 As many as 10 000 Southeast Asian refugees arrived in the Bronx during the 1980s and 90s This book chronicles the odyssey of Bronx Cambodians closely following one woman and her family for several years Argues that refuge is never found that rescue discourses mask a more profound urban reality characterized by racialized geographic enclosure economic displacement and unrelenting poverty and the criminalization of daily life Views the hyperghetto as a site of extreme isolation punishment and confinement What does it mean for these Cambodians to resettle into this distinct time and space of slavery s afterlife publisher *The World Next Door* Rajini Srikanth,2004 This book grows out of the question At this particular moment of tense geopolitics and inter linked economies what insights can South Asian American writing offer us about living in the world South Asian American literature with its focus on the multiple geographies and histories of the global dispersal of South Asians pulls back from a close up view of the United States to reveal a wider landscape of many nations and peoples

South Asian American poets novelists and playwrights depict the nation as simultaneously discrete and entwined with the urgencies of places as diverse as Bangladesh Sri Lanka India Burma Pakistan and Trinidad Drawing on the cosmopolitan sensibility of scholars like Anthony Appiah Vinay Dharwadker Martha Nussbaum Bruce Robbins and Amartya Sen this book exhorts North American residents to envision connectedness with inhabitants of other lands The world out there arrives next door
