Our Journey to Kaden Faydra Stratton,2006-11 This is not a book It may look and feel like any other book you ve held in your hands and plopped on your nightstand but it s not a book It s a blog in print A book should be a fluid continuous stream of prose with a climactic arch and a subsequent d nouement This printed blog doesn t really have those things It has blog posts posted comments and emails in chronological order It does tell a story true but it s neither edited nor polished This is an in the moment angst of a first time mother going through a Russian adoption A memoir would be told in the wise voice of a narrator who s been through the process successfully This blog is told in the frantic voice of a chick who had no idea what was going on It s not a book but it s our story *Someone to Tell It To: Sharing Life's Journey* Tom Kaden,Michael Gingerich,2014-06-26 This is the account of two men who believe that we are created for deep meaningful and emotionally intimate relationships The authors have found these relationships with their wives and they are models for their children They experience this kind of relationship with each other They share how vital these relationships are through their non profit Someone To Tell It To They create safe environments for people to share the stories of their lives openly and unashamedly They encourage others to find safe people in their lives to foster relationships that provide true support unconditional love and grace This book shares the authors stories and the stories of others who are seeking meaning and purpose in their lives especially when faced with challenges and questions Someone To Tell It To may remind us that we are not alone in our fears or in our feelings of inadequacy and uncertainty Readers may be motivated to create more vital connections in their lives connections that can be life giving and soul enriching that can bring peace in the dark seasons of our lives Having someone to tell it to as author Miles Franklin writes is one of the fundamental needs of human beings
