Out Closet Into Archives Researching:

Out of the Closet, Into the Archives Amy L. Stone, Jaime Cantrell, 2015-11-20 The first book to focus on the experience of LGBT archival research *Out of the Closet Into the Archives* takes readers inside the experience of how it feels to do queer archival research and queer research in the archive The archive much like the closet exposes various levels of public and privateness recognition awareness refusal impulse disclosure framing silence cultural intelligibility each mediated and determined through subjective insider outsider ways of knowing The contributors draw on their experiences conducting research in disciplines such as sociology African American studies English communications performance studies anthropology and women s and gender studies These essays challenge scholars to engage with their affective experience of being in the archive illuminating how the space of the archive requires a different kind of deeply personal embodied research

Methodological Advances in Research on Social Movements, Conflict, and Change Thomas V. Maher, Eric W. Schoon, 2023-07-12 Now that we are almost a quarter of the way into the 21st century the field of sociology is in need of research like this which explores methods for studying contentious politics in the context of broader social changes to peacebuilding armed conflicts and social movements [The Hirschfeld Archives](#) Heike Bauer, 2017-05-15 This work examines how death suicide and violence shaped modern queer culture arguing that negative experiences as much as affirmative subculture formation influenced the emergence of a collective sense of same sex identity Bauer looks for this history of violence in the work and reception of the influential sexologist Magnus Hirschfeld 1868 1935 and through Hirschfeld s work examines the form and collective impact of anti queer violence in the first half of the twentieth century Hirschfeld s archive his library at the Institute for Sexual Sciences in Berlin was destroyed by the Nazis in 1933 so the archive of Bauer s title is one that she s built from over a hundred published and unpublished books articles films and photographs *What is Feminist Sociology?* Jo Reger, 2024-10-30 What does it mean to say that there is a feminist sociology And how might we engage the full potential of a feminist sociological imagination These questions lie at the heart of Jo Reger s slim guide to a powerful tool which has a long history in US sociology and yet remains as urgently needed as ever Grounded in a need to change both society and the discipline feminist sociology challenges the foundations of traditional social science and articulates new ways of creating knowledge doing research and understanding the role of researchers and the people they study Drawing on concepts such as positionality and reflexivity and emphasizing the importance of feminist ethics emotions activism and transformation this concise book traces out what it means to engage in feminist sociology and to claim the identity of a feminist sociologist **A Companion to Literary Biography** Richard Bradford, 2018-09-12 An authoritative review of literary biography covering the seventeenth century to the twentieth century *A Companion to Literary Biography* offers a comprehensive account of literary biography spanning the history of the genre across three centuries The editor an esteemed literary biographer and noted expert in the field has encouraged contributors to explore the theoretical

and methodological questions raised by the writing of biographies of writers The text examines how biographers have dealt with the lives of classic authors from Chaucer to contemporary figures such as Kingsley Amis The Companion brings a new perspective on how literary biography enables the reader to deal with the relationship between the writer and their work Literary biography is the most popular form of writing about writing yet it has been largely neglected in the academic community This volume bridges the gap between literary biography as a popular genre and its relevance for the academic study of literature This important work Allows the author of a biography to be treated as part of the process of interpretation and investigates biographical reading as an important aspect of criticism Examines the birth of literary biography at the close of the seventeenth century and considers its expansion through the eighteenth nineteenth and twentieth centuries Addresses the status and writing of literary biography from numerous perspectives and with regard to various sources methodologies and theories Reviews the ways in which literary biography has played a role in our perception of writers in the mainstream of the English canon from Chaucer to the present day Written for students at the undergraduate level through postgraduate and doctoral levels as well as academics A Companion to Literary Biography illustrates and accounts for the importance of the literary biography as a vital element of criticism and as an index to our perception of literary history The Cambridge World History of Sexualities: Volume 1, General Overviews Merry E. Wiesner-Hanks, Mathew Kuefler, 2024-04-30 Volume I offers historiographical surveys and general overviews of central topics in the history of world sexualities Split across twenty two chapters this volume places the history of sexuality in dialogue with anthropology women s history LGBTQ history queer theory and public history as well as examining the impact Freud and Foucault have had on the history of sexuality The volume continues by providing overviews on the sexual body family and marriage the intersections of sexuality with race and class male and female homoerotic relations trans and gender variant sexuality the sale of sex sexual violence sexual science sexuality and emotion erotic art and literature and the material culture of sexuality Preservation and Place Katherine Crawford-Lackey, Megan E. Springate, 2019-09-04 Significant historic and archaeological sites affiliated with two spirit lesbian gay bisexual transgender and queer history in the United States are examined in this unique volume The importance of the preservation process in documenting and interpreting the lives and experiences of queer Americans is emphasized The book features chapters on archaeology and interpretation as well as several case studies focusing on queer preservation projects The accessible text and associated activities create an interactive and collaborative process that encourages readers to apply the material in a hands on setting **Queer Public History** Marc Stein, 2022-03-22 Over the course of the last half century queer history has developed as a collaborative project involving academic researchers community scholars and the public Initially rejected by most colleges and universities queer history was sustained for many years by community based contributors and audiences Academic activism eventually made a place for queer history within higher education which in turn helped queer historians become more influential in politics law and society Through a collection of essays written over

three decades by award winning historian Marc Stein *Queer Public History* charts the evolution of queer historical interventions in the academic sphere and explores the development of publicly oriented queer historical scholarship From the AIDS crisis of the 1980s and the rise of queer activism in the 1990s to debates about queer immigration same sex marriage and the politics of gay pride in the early twenty first century Stein introduces readers to key themes in queer public history A manifesto for renewed partnerships between academic and community based historians strengthened linkages between queer public history and LGBT scholarly activism and increased public support for historical research on gender and sexuality this anthology reconsiders and reimagines the past present and future of queer public history **Making the**

invisible visible Ingrid Stigsdotter, 2019-11-29 To describe women in film history as invisible may seem strange as throughout film history women on the silver screen have given audiences their version of what it is to be a woman And as film stars they have always been associated with the glamour of the film industry the living embodiment of female attraction and pleasure In *Making the invisible visible* however a group of researchers dissect the underrepresentation of women in areas of film culture often overlooked Despite some significant differences between countries between eras between kinds of job production teams and film crews have almost always been men Still today many film professions are dominated by men The authors explore women's scope for action in a variety of professional roles based for example on discussions of LGBTQ identities in the film industry The texts also present fresh perspectives on women actors and the nature of celebrity

Archiving an Epidemic Robb Hernández, 2019-11-19 Honorable Mention 2021 Latinx Studies Section Outstanding Book Award given by the Latin American Studies Association Winner 2020 Latino Book Awards in the LGBTQ Themed Section Finalist 2019 Lambda Literary Award in LGBTQ Studies Critically reimagines Chicana art unmasking its queer afterlife Emboldened by the boom in art fashion music and retail culture in 1980s Los Angeles the iconoclasts of queer Aztlan as Robb Hernández terms the group of artists who emerged from East LA Orange County and other parts of Southern California during this period developed a new vernacular with which to read the city in bloom Tracing this important but understudied body of work *Archiving an Epidemic* catalogs a queer retelling of the Chicana and Chicano art movement from its origins in the 1960s to the AIDS crisis and the destruction it wrought in the 1980s and onto the remnants and legacies of these artists in the current moment Hernández offers a vocabulary for this multi modal avant garde one that contests the heteromascularity and ocular surveillance visited upon it by the larger Chicana community as well as the formally straight conditions of traditional archive building museum institutions and the art world writ large With a focus on works by Mundo Meza 1955-85 Teddy Sandoval 1949-1995 and Joey Terrill 1955 and with appearances by Laura Aguilar David Hockney Robert Mapplethorpe and even Eddie Murphy *Archiving an Epidemic* composes a complex picture of queer Chicana avant gardisms With over sixty images many of which are published here for the first time Hernández's work excavates this archive to question not what Chicana art is but what it could have been
