Catholic liturgy This Companion brings together a variety of scholars who consider this question at the beginning of the 21st century in the light of advances in liturgical scholarship decades of post Vatican II experience and the critical re examination in the West of the question of the liturgy promoted by Benedict XVI The contributors each eminent in their field have distinct takes on how to answer this question but each makes a significant contribution to contemporary debate making this Companion an essential reference for the study of Western Catholic liturgy in history and in the light of contemporary scholarship and debate
