Christopher Andrew, Simona Tobia

Outwitting The Gestapo:

Outwitting the Gestapo Lucie Aubrac, 1993 Lucie Aubrac 1912 2007 of Catholic and peasant background was teaching history in a Lyon girls school and newly married to Raymond a Jewish engineer when World War II broke out and divided France The couple living in the Vichy zone soon joined the Resistance movement in opposition to the Nazis and their collaborators Outwitting the Gestapo is Lucie's harrowing account of her participation in the Resistance of the months when though pregnant she planned and took part in raids to free comrades including her husband under Nazi death sentence from the prisons of Klaus Barbie the infamous Butcher of Lyon Her book is also the basis for the 1997 French movie Lucie Aubrac which was released in the United States in 1999 Remembering the Occupation in French film L. Hewitt, 2008-02-18 When collective memory is a source of national debate the public representation of history quickly becomes a locus of controversy and ideological struggle This work shows how French film has allowed for a public airing of current concerns through the lens of memory's recreations of the Occupation De lavendeltuin Lucinda Riley, 2018-05-30 Na de dood van haar moeder erft Emilie de la Martini res het familiekasteel aan de zonnige C te d Azur Maar aan het huis kleven ook hoge schulden en onopgeloste geheimen Welke rol hebben haar voorouders in de Tweede Wereldoorlog gespeeld Emilie verdiept zich in haar familieverleden en doet een schokkende ontdekking Een van haar voorouders de Britse Constance werkte tijdens de oorlog als spionne in het bezette Frankrijk Hoe meer Emilie te weten komt over Constance en haar oorlogsgeheimen hoe beter ze haar eigen familie in een nieuw daglicht kan plaatsen Het kasteel speelt een cruciale rol in het oplossen van de familieraadsels en staat centraal in deze intrigerende roman vol spanning passie en mysteries **Women's**

Representations of the Occupation in Post-'68 France Claire Gorrara, 1998-08-12 This study examines French women's writing and representations of the Occupation in post 68 France The author looks at the work of The Women Resisters those women who were adult resisters during the war and The Daughters of the Occupation those who were born during or after the war period The main contention of the study is that the older generation's nascent awareness of how gender informs political activism is reworked into explicitly feminist representations of wartime France by younger women writers **Into the Inferno: The Memoir of a Jewish Paratrooper behind Nazi Lines** Yoel Palgi, 2019-08-16 In the spring of 1944 thirty two young Palestinian Jews parachuted into Nazi held Eastern Europe and the Balkans Their goal was to encourage Jewish resistance where possible and to organize rescue schemes thwarting deportations to the death camps Linking up in Yugoslavia and impelled by the hope that the Jews trapped in Hungary were still capable of fighting back some of the volunteers set out for Budapest Tragically they were betrayed by their local guides who turned out to be double agents also working for the Hungarian Fascists The volunteers reached Budapest where the young woman volunteer Hannah Szenes was executed and another deported to a death camp Into the Inferno is the remarkable first hand account of this mission by the only member of the group who miraculously survived from among those who penetrated into Hungary He endured

imprisonment and torture both by the Gestapo and the Hungarian Fascists escaped from a deportation train and joined the Zionist youth rescue underground in Budapest In May 1944 Palgi was one of three Jews from Palestine who parachuted into Nazi held Yugoslavia and headed for Hungary His memoir is an incredible account of this daring mission by its only survivor Without a doubt a vivid chronicle of bravery and compassion George Cohen Booklist More than half a century has elapsed since Yoel Palgi s paratrooper operations in occupied Europe The world has appreciably changed since Yet there are events fragments of history whose significance time and place do not alter It seems that a special place in history is reserved for the story of this remarkable group of courageous Jews that did the impossible It is vital that this story be told Shimon Peres Deputy Prime Minister and Minister of Foreign Affairs Israel Palgi describes in riveting human terms an excruciatingly painful piece of Israeli and world history and does so with extraordinary psychological and ethical insight Robert J Lifton author of The Nazi Doctors Medical Killing and the Psychology of Genocide This gripping account of a desperate rescue mission goes beyond conveying the horror of the Holocaust and the brutality of the Nazis The rescuers worked within an ambiguity where every alliance was questionable and noble decisions could prove fatal This is the illuminating story of a thoughtful man driven by history to courageous improvisation and ethical struggle acting and remembering in spite of uncertainty Mary Catherine Bateson author of Full Circles Overlapping Lives Yoel Palgi s story is one of heroism inner conflict and questioning His readiness to go behind the Nazi lines to rescue the Jews of Hungary reflected his extraordinary courage He paints a vivid picture of the danger of his effort both behind enemy lines and the emotional scars that were left after the war This is a must read for any student of the Holocaust Dennis Ross Director Washington Institute for Near East Policy Prologue ,1969 **Leonard Maltin's 2015 Movie Guide** Leonard Maltin,2014-09-02 NEARLY 16 000 ENTRIES INCLUDING 300 NEW ENTRIES AND MORE THAN 13 000 DVD LISTINGS Summer blockbusters and independent sleepers masterworks of Alfred Hitchcock Billy Wilder and Martin Scorsese the timeless comedy of the Marx Brothers and Buster Keaton animated classics from Walt Disney and Pixar the finest foreign films ever made This 2015 edition covers the modern era from 1965 to the present while including all the great older films you can t afford to miss and those you can from box office smashes to cult classics to forgotten gems to forgettable bombs listed alphabetically and complete with all the essential information you could ask for NEW Nearly 16 000 capsule movie reviews with 300 new entries More than 25 000 DVD and video listings Up to date list of mail order and online sources for buying and renting DVDs and videos MORE Official motion picture code ratings from G to NC 17 Old and new theatrical and video releases rated to BOMB Exact running times an invaluable guide for recording and for discovering which movies have been edited Reviews of little known sleepers foreign films rarities and classics Leonard s personal list of Must See Movies Date of release running time director stars MPAA ratings color or black and white Concise summary capsule review and four star to BOMB rating system Precise information on films shot in widescreen format Symbols for DVDs videos and laserdiscs Completely updated index of leading actors

Interrogation in War and Conflict Christopher Andrew, Simona Tobia, 2014-04-29 This edited volume offers a comparative and interdisciplinary analysis of interrogation and questioning in war and conflict in the twentieth century. Despite the current public interest and its military importance, interrogation and questioning in conflict is still a largely under-researched theme. This volume's methodological thrust is to select historical case studies ranging in time from the Great War to the conflicts in former Yugoslavia and including the Second World War, decolonization, the Cold War, the Troubles in Northern Ireland, and international justice cases in The Hague, each of which raises interdisciplinary issues about the role of interrogation. These case studies were selected because they resurface previously unexplored sources on the topic or revisit known cases which allow us to analyse the role of interrogation and questioning in intelligence, security, and military operations. Written by a group of experts from a range of disciplines including history, intelligence, psychology, law, and human rights, *Interrogation in War and Conflict* provides a study of the main turning points in interrogation and questioning in twentieth-century conflicts over a wide geographical area. The collection also looks at issues such as the extent of the use of harsh techniques, the value of interrogation to military intelligence, security, and international justice, the development of interrogation as a separate profession in intelligence, as well as the relationship between interrogation and questioning and wider society. This book will be of much interest to students of intelligence studies, strategic studies, counter-terrorism, international justice, history, and IR in general. *'This Anguish, Like a Kind of Intimate Song'* Lillian Leigh Westerfield, 2004 This literary history explores the reality of European women's roles in fighting Nazism. By comparing the resistance literature of French and German authors, this book links the traditional gender expectations for women and the conventions of their everyday lives with their unique forms of resistance. Theirs was an opposition grounded in the ordinary, beyond the sphere of political violence. Women were long regarded as outsiders to combat and politics, with no stake in upholding resistance myths. Women authors therefore freely rendered the personal and moral landscape of the resister's world in a new vocabulary. They revised standard rhetoric and replaced heroism and bullets with the values of home, human relationships, and candid acknowledgement of the sorrow, fear, and uncertainty of war. **The New York Times Film Reviews 1999-2000** New York Times Theater Reviews, 2001-12 From the Oscar-winning blockbusters *American Beauty* and *Shakespeare in Love* to Sundance oddities like *American Movie* and *The Tao of Steve* to foreign films such as *All About My Mother*, the latest volume in this popular series features a chronological collection of facsimiles of every film review and awards article published in *The New York Times* between January 1999 and December 2000. Includes a full index of personal names, titles, and corporate names. This collection is an invaluable resource for all libraries.
