Sisterhood, Science and Surveillance in Orphan Black Janet Brennan Croft, Alyson R. Buckman, 2019-10-30 The BBC America series Orphan Black 2013 2017 won acclaim for its compelling writing resonant themes and innovative special effects And for the bravura acting of Tatiana Maslany who plays an ever growing number of clones drawn into an increasingly dangerous world of cutting edge science corporate espionage military secrets and religious fanaticism Heir to pioneering shows centered on strong female characters such as Buffy the Vampire Slayer Dollhouse Lost and Xena Warrior Princess Orphan Black models the current Golden Age of serial form storytelling with themes of identity bodily autonomy gender and sexuality playing against corporate greed and its co-opting of science This collection of new essays analyzes the diverse clone characters and the series covering topics including motherhood surveillance culture mythology eugenics and special effects as well as the science behind cloning

Orphan Black: Crazy Media Science JJ Herdegen, 2021-01-15 This academic paper is with the objective of investigating how representation of female homosexuality and femininity occurs of the character Cosima Niehaus from the television series Orphan Black A character and relationship analysis of the lesbian Cosima will show the presentation of these two topics The impact on the spectators of the series in this field and the use of stereotyping will be examined Also it will be demonstrated how the impersonators Tatiana Maslany and Kathryn Alexandre acting double experience Cosima which contributes representation Up to date literature and internet sources plus a survey and an interview conducted by the author enables this investigation It will lead to the importance of medial representation of female homosexuality thus including the topic femininity and therefore also the importance of LGBTQIA topics for our whole society to communicate an understanding of tolerance one's own identity the identity of others and the perception of reality Consequently Orphan Black will be illuminated as pioneer in exemplary LGBTQIA representation

The Women of Orphan Black Valerie Estelle Frankel, 2018-04-25 Orphan Black's Tatiana Maslany plays a host of the show's main characters all clones of an illegal experiment The mighty heroines save one another and destroy the patriarchy while subverting gender expectations The feminist clones are Sarah who clashes with her radical feminist foster mother Alison the quintessential post feminist housewife Cosima a second wave feminist lesbian Beth a third wave feminist bogged down by addiction and M K a fourth wave feminist who tackles the hardships of disability through the Internet The book explores the women's war against corporate power and how it relates to the science and ethics surrounding cloning

21st-Century TV Dramas Amy M. Damico, Sara E. Quay, 2016-02-12 In its exploration of some of the most influential popular or critically acclaimed television dramas since the year 2000 this book documents how modern television dramas reflect our society through their complex narratives about prevailing economic political security and social issues Television dramas have changed since the turn of the 21st century for the good many would say as a result of changes in technology the rise of cable networks and increased creative freedom This book approaches the new golden age of television dramas by examining the programs that define the

first 15 years of the new century through their complex narratives high production value star power popularity and enthusiastic fan culture After an introduction that sets the stage for the book's content thematic sections present concise chapters that explore key connections between television dramas and elements of 21st century culture The authors explore Downton Abbey as a distraction from contemporary class struggles patriarchy and the past in Game of Thrones and Mad Men and portrayals of the dark hero protagonist in The Sopranos Dexter and Breaking Bad as a few examples of the book's coverage With its multidisciplinary perspectives on a variety of themes terrorism race class gender family dynamics and sociopolitical and socioeconomic topics this book will be relevant across the social sciences and cultural and media studies courses
