Others Unknown Timothy Mcveigh And The Oklahoma City Bombing Conspiracy Peter Israel, Stephen Jones, 2001-05-18

In *Others Unknown* Stephen Jones Timothy McVeigh's lawyer in his trial for the 1995 bombing of the Murrah Office Building in Oklahoma City provides the fullest possible account of the worst act of terrorism in American history In a complete revision of his 1998 hardcover Jones tells for the first time the whole story of his investigation of the case including what he was told by McVeigh and what he learned about others involved in the conspiracy His account differs significantly from the tale McVeigh is telling as he faces execution for his crimes In interviews with Buffalo News journalists reported in their recently released book *American Terrorist* ReganBooks April 2000 McVeigh claims total responsibility for the bombing saying It was my choice and my control to hit that building when it was full In *Others Unknown* Jones sets the record straight saying what he could not say when he first wrote this book before McVeigh effectively waived attorney client privilege that based on what he learned as McVeigh's counsel Jones knows that the bombing was a conspiracy and that McVeigh was not its mastermind I'm not trying to say he was innocent He has exaggerated his guilt to protect others He played a role but he was a foot soldier a mule not the general says Jones I know it did not happen the way he tells it in his book Jones reports in detail what McVeigh told him as the case progressed explains why McVeigh did not plead guilty and shows McVeigh's real role in the conspiracy and how he obstructed his own defense This is the definitive historical record of a heinous act of murderous rage an account indispensable to understanding what happened And says PublicAffairs CEO and publisher Peter Osnos We think it's important that Tim McVeigh not be given the final word
