Our Fathers Ourselves Daughters Fathers And The Changing American Family:

Our Fathers, Ourselves Peggy Drexler, 2011-05-10 There s no denying that a woman s relationship with her father is one of the most important in her life And there s also no getting around how the quality of that relationship good bad or otherwise profoundly affects daughters in a multitude of ways In *Our Fathers Ourselves* research psychologist author and scholar Dr Peggy Drexler examines the ways in which the father daughter bond impacts women and offers helpful advice for creating a better stronger more rewarding relationship Through her extensive research and interviews with women Dr Drexler paints an intimate timely portrait of the modern father daughter relationship Women today are increasingly looking to their dads for a less than traditional bond but one that still stands the test of time and provides support respect and guidance for the lives they lead today *Our Fathers Ourselves* is essential reading for any woman who has ever wondered how she could forge a closer connection with and gain a deeper understanding of her father

Evil Children in the Popular Imagination Karen J. Renner, 2016-12-15 Focusing on narratives with supernatural components Karen J Renner argues that the recent proliferation of stories about evil children demonstrates not a declining faith in the innocence of childhood but a desire to preserve its purity From novels to music videos photography to video games the evil child haunts a range of texts and comes in a variety of forms including changelings ferals and monstrous newborns In this book Renner illustrates how each subtype offers a different explanation for the problem of the evil child and adapts to changing historical circumstances and ideologies

Denied! Failing Cordelia Simon Cambridge, 2014-08-30 *The Cankered Rose* and *Esther s Revenge* begins the author s dramatic journey of adopting his teenage daughter with severe attachment issues in Seattle The heartbreak of then seeing Cordelia stolen by the efforts of his former wife and the child welfare legal complex in Los Angeles alongside that of the trauma of being denied during efforts to reunify with her are each foreshadowed here Issues surrounding adoption trauma parenting children with reactive attachment disorder and the author s own struggles with Asperger s syndrome will be his constant companions on this perilous journey of adopting losing and then trying to reunite with his beloved daughter In this and subsequent volumes the author will also be questioning the ability of the child welfare legal complex and the Los Angeles Juvenile Dependency Court to understand the nature of damaged child attachment or the therapeutic parenting needed to heal children with special needs Ultimately each would be as responsible for failing Cordelia as the breaking of the violent waves for the shattering movement of the rocks on the beach

Daughters, Dads, and the Path Through Grief Donna DiCello, Psy.D., Lorraine Mangione, Ph.D., 2014-12-15 Losing a father can be absolutely wrenching This insightful guide tells the story of the strong connections between daughters and dads throughout life and the consequential grief and loss a daughter feels when her father dies Stories from 50 women offer glimpses into the many aspects of father daughter relationships that are warm and nurturing sometimes complicated and conflicted and always solid and enduring The Italian American women interviewed ultimately find great peace and meaning in the on going relationship with their fathers even

after death Using these women s stories the readers are presented a multi faceted discussion filled with amusement complexity and intensity struggle and resistance and above all remarkably powerful family bonds The daughters reactions to the passing of their fathers display the strength of relationships built over many years as well as the spiritual and emotional framework that shapes the lives of many Italian American women today **Assholes Why You Choose** Angelika Seelaff,2024-06-25 Fed up with always falling for jerks Ever wonder why your relationships seem to be a never ending cycle of drama heartbreak and aloe vera tissues You re not alone Welcome to the Asshole Magnets club where we explore why you keep choosing the wrong men and how to stop it Inside You ll Find The secret science behind your bad choices How rom coms and media myths set you up for failure Hilarious insights into the mind of an asshole Practical tips to dodge the next disaster Packed with wit wisdom and laugh out loud moments Why You Choose Assholes isn t just another dating guide It s your ticket to breaking the cycle and finding the love you deserve Ready to change your story Stop repeating the past and start writing a new romantic future one without assholes **Daughters of Divorce** Terry Gaspard MSW, LICSW, Tracy Clifford,2016-01-19 Restore your faith in love and build healthy successful relationships with this essential guide for every woman haunted by her parents divorce Silver Medal Independent Publisher s Award Winner of the Best Book Award in Self Help Relationships Over 40 percent of Americans ages eighteen to forty are children of divorce Yet women with divorced parents are more than twice as likely than men to get divorced themselves and struggle in romantic relationships In this powerful uplifting guide mother daughter team Terry and Tracy draws on thirty years of clinical practice and interviews with over 320 daughters of divorce to help you recognize and overcome the unique emotional issues that parental separation creates so you can build the happy long lasting relationships you deserve Learn how to Examine your parents breakup from an adult perspective Heal the wounds of the past Recognize destructive dynamics in intimate relationships and take steps to change them Trust yourself and others by embracing vulnerability Create strong partnerships with their proven Seven Steps to a Successful Relationship Break the divorce legacy once and for all **Denied! Failing Cordelia: Parental Love and Parental-State Theft in Los Angeles Juvenile Dependency Court** Simon Cambridge,2019-09-17 Climbing the Broken Judicial Ladder continues the author s journey of exploring the heartbreak and loss of first adopting Cordelia with severe reactive attachment disorder RAD in Washington state and then of nearly losing her to the draconian and confused child welfare legal complex in Los Angeles In this third volume of his Denied Failing Cordelia trilogy Cambridge climbs the broken California judicial ladder from the California Court of Appeals Second Appellate District based in Los Angeles to the California Supreme Court Cambridge concludes that in appeals relating to dependency cases the ladder is broken for parents seeking to advocate for themselves and for the true best interests of their children Policies relating to child welfare are flawed Cambridge argues because of the preemptive and prejudicial response to the issues raised during the detention of children As with his two earlier books Cambridge explores issues connected with how best to parent his adopted daughter

and advocate for her needs in the context of a dependency case Cordelia's reactive attachment disorder would surface throughout the judicial struggle as would the author's own struggles with Asperger syndrome Each would feed negatively into the overall trauma and drama of the author's unrelenting quest to reunite his forever family Cambridge believes that dependency proceedings are ill equipped on many levels to elicit a proper understanding of RAD or of the therapeutic parenting needed to address it Cambridge believes that adoptive parents of children with special needs need to be understood by more sympathetic social workers and by therapists trained in attachment disorders Cambridge's persistent efforts to reunite his forever family would leave him increasingly isolated as he climbs the judicial ladder Based on his experiences Cambridge explores areas for reform in Los Angeles dependency proceedings and evokes Shakespeare's King Lear by arguing that social workers need to see better and that the Los Angeles Juvenile Dependency Court needs to encourage a broader understanding of the issues raised through more effective legal advocacy from assigned dependency lawyers Cambridge argues that parents should be allowed to address the court directly Cambridge also relates how he and his daughter have found many positive and healthy ways to heal in the years since their dependency case ended Much trauma could have been avoided if those around them had seen better and had recognized the value in their dramatic and loving adoption journey

The Secrets of Happy Families Bruce Feiler, 2013-08-01 Bestselling author and New York Times family columnist Bruce Feiler found himself squeezed between caring for ageing parents and raising his children So he set out on a three year journey to find the smartest ideas and the most cutting edge research about families of all varieties novel solutions to make his own family happier Instead of the usual psychologists and family experts he sought out the most creative minds from Silicon Valley to the set of *Modern Family* from top negotiators to the army and asked them what team building exercises and problem solving techniques they use Feiler then tested these ideas with his wife and kids The result is a fun completely original look at how families can draw closer together Feiler's life changing discoveries include a radical plan to reshape your family in twenty minutes a week Warren Buffett's guide for setting an allowance and the Harvard handbook for resolving conflict *The Secrets of Happy Families* is a timely counterintuitive book that answers the questions countless parents are asking how do we manage the chaos of our lives How do we teach our kids values How do we make our family happier Written in a charming accessible style *The Secrets of Happy Families* is smart funny and fresh and will forever change how your family lives every day
