

The background of the book cover is an abstract landscape painting. It features a series of horizontal, wavy bands of color. The top band is a deep red, which transitions into a range of earthy tones including orange, yellow, and brown. Below these, there are layers of green, ranging from a vibrant lime green to a dark, forest green. The bottom of the image is a solid, dark green. The overall effect is one of a textured, layered landscape, possibly representing a field or a body of water under a dramatic sky.

This Handbook will be essential reading for students and researchers of politics and religious studies. The handbook explores the strengths and weaknesses of the Christian faith and traditions in the United States and its rich and textured history with a discernable eye toward how the message, strategies, and initiatives of Christianity have adapted to contemporary American life.
